Coverage of an adopted Child or a Child who is in the custody of the Primary Covered Person pursuant to an interim court order of adoption or placement for adoption, whichever comes first, vesting temporary custody of the Child in the Primary Covered Person regardless of whether a final order granting adoption is ultimately issued, will be automatic for the first 31 days following the adoption, date of the interim court order or date on which the Child is placed for adoption. For coverage to continue beyond this time, We must receive notice and the required premium within the 31-day period. Coverage will become effective on the earlier of the date of adoption, date of the interim court order, or date on which the Child is placed for adoption. If You notify Us after that 31-day period, the Child's coverage will become effective on the date that notice is given to Us. Coverage will terminate for any Child being adopted on the earlier of:

1. The date the adoption is disapproved; or
2. The date the Child is removed from Your custody.

Court Ordered Custody of Children

Coverage is provided to a Child in the court ordered custody of a Primary Covered Person on the same basis and to the same extent, and in the same manner, as for a newborn Dependent Child. In order to establish court ordered custody, the Primary Covered Person must send to Us a copy of the court order that establishes that the Primary Covered Person has full legal custody of the Child. 1. the date benefits payable reach any applicable Daily Benefit Amount or other benefit limit shown in the *Schedule of Benefits*; and
2. the date benefits payable reach any applicable Maximum Number of Daily Benefits, Lump Sum Benefit Amount, Maximum Number of Payments or Coverage Year Maximum shown in the *Schedule of Benefits*.

If, on the date a Child reaches age 26, He is an Incapacitated Child as defined below and His coverage will not terminate solely due to age. But the Primary Covered Person must give us notice of the Child's incapacity within 60 days of His termination date. For the purposes of this provision, an Incapacitated Child means a Child of a Primary Covered Person or His Spouse who is mentally disabled or physically handicapped, incapable of earning His own living and primarily dependent on the Primary Covered Person for support and maintenance.

Extension of Benefits

If a Covered Person is in a Period of Confinement on the date the Policy terminates, coverage for the Hospital Indemnity Insurance Benefits shown in the *Schedule of Benefits* will remain in effect for that Covered Person for 90 days after the Policy's termination date.

CLAIM PROVISIONS

Notice of Claim

Written or authorized electronic/telephonic notice must be given to Us or Our authorized representative within 90 days after a Covered Person's loss or as soon as reasonably possible thereafter. If written or authorized electronic/telephonic notice is not given in that time, the claim will not be invalidated or reduced if it is shown that notice was given as soon as was reasonably possible. Notice can be given at Our Home Office in New York, New York, such other place as We may designate for the purpose, or to Our authorized representative. Notice should include the Policyholder's name and policy number and the Covered Person's name and address.

Claim Forms

We will send forms to the claimant for filing proof of loss when We receive the notice of claim. If claim forms are not sent within 15 days after We receive notice, the proof requirements will be met by the claimant upon submitting, within the time fixed in this Certificate for filing proof of loss, written or authorized electronic proof of the nature and extent of the loss for which claim is made.

Proof of Loss

Written or authorized electronic proof of loss satisfactory to Us must be given to Us at Our Home Office or to Our authorized representative, within 90 days of the loss for which claim is made. Failure to furnish proof within the time required will not invalidate or reduce a claim if it is shown that such notice was given as soon as reasonably possible. In any case, written or authorized electronic proof must be given not more than one year after the time it is otherwise required, except if proof is not given solely due to the lack of legal capacity.

Time of Payment of Claims

All claims will be paid within 30 days following receipt of due proof of loss. Failure to pay within 30 days entitles the Primary Covered Person to interest at the rate of 9 per cent per annum from the 30th day after receipt of proof of loss to the date of late payment, provided that interest amounting to less than one dollar will not be paid.

Payment of Claims

All benefits will be paid in United States currency. All proceeds payable under the Policy, unless otherwise stated, will be payable to the Covered Person. If the Covered Person dies before all payments due have been made, all remaining amounts payable will be paid to the Covered Person's estate.

The Policy and Certificates under the Policy will be in force during the Grace Period. If the required premiums are not paid during the Policy Grace Period, insurance will end on the last day of the Grace Period. The Policyholder is liable to Us for any unpaid premium for the time the Policy was in force.

Premiums

Premium rates are expressed in, and premiums are payable in, United States currency. The premiums for the Policy will be based on the rates set forth in this Certificate, the plan and amounts of insurance in effect for Covered Persons and the premium mode selected. We will provide notifications of premiums due or premium changes, by mail to the most current address in our files, to the Policyholder.

Premium Payment

The total premium paid by the Policyholder is the sum of premiums for all Covered Persons including any amounts submitted toward the cost of the coverage by Covered Persons. The initial premium is due on the Policy Effective Date and each succeeding premium is due on the next succeeding Premium Due Date, as shown in the *Schedule of Benefits*, unless the Policyholder and We agree to another mode of premium payment. Premiums are paid at Our Home Office or to Our authorized representative.

If any premium is not paid when due, the Policy will be cancelled as of the Premium Due Date of the unpaid premium, except as provided in the Grace Period provision.

Misstatement of Age If premiums for a Covered Person are based on age and the Covered Person's age has been misstated, there will be a fair adjustment of premiums based on His true age. If the benefits for which the Covered Person is insured are based on age and the Covered Person's age has been misstated, there will be an adjustment of said benefits based on His true age. We may require satisfactory proof of age before paying any claim.

The assignee may exercise all rights and receive all benefits assigned only while the assignment remains in effect and insurance under the Policy for the assignor remains in force. The assignee takes only such rights as the assignor possessed and such rights are subject to state and federal laws and the terms of the Policy.

This insurance may not be levied on, attached, garnished, or otherwise taken for a person's debts unless contrary to law.

Incontestability

In the absence of fraud, all statements You have made to obtain insurance under the Policy are considered representations and not warranties. No statement will be used to deny or reduce benefits or be used as a defense to a claim, unless a copy of the instrument containing the statement is, or has been, furnished to the claimant.

After two years from Your effective date of insurance, or from the effective date of increased benefits, no such statement will cause insurance or the increased benefits to be contested except for fraud or lack of eligibility for insurance.

In the event of death or incapacity, Your representative shall be given a copy.

Individual Coverage - Eligibility

To be eligible for insurance under the Policy as a Primary Covered Person, a person must be a member of an eligible Class as defined in the *Schedule of Benefits*.

Enrollment

An individual who is a member of an eligible Class may enroll for coverage as a Primary Covered Person during the Initial Enrollment Period as shown in the *Schedule of Benefits* that follows the later of:

1. the Policy Effective Date;
2. the date the individual first becomes a member of an eligible Class;
3. the date the individual completes the Waiting Period shown in the *Schedule of Benefits*, if applicable.

Primary Covered Person Effective Date

Your effective date of coverage under the Policy will be determined follows:

1. If You enroll for coverage when the Policyholder applies for coverage, Your coverage will effective on the Policy Effective Date.
2. If You become eligible after the Policy Effective Date and enroll during a Waiting Period or an Initial Enrollment Period, Your coverage will be effective the first of the month next following the later of the end of any applicable Waiting Period, Initial Enrollment Period and receipt of the Enrollment Form by Us.

Family Coverage - Eligibility

Family members eligible for coverage are:

1. the Primary Covered Person;
2. His Spouse;
3. His Child(ren).

A Spouse who is an eligible Member may be covered as a Primary Covered Person or a Covered Dependent, but not both. A Child who is an eligible Member may be covered as a Primary Covered Person or a Covered Dependent, but not both.

Newborn Coverage from Birth

If Your coverage includes a Child or Children and if a Child is born to You or Your Spouse while coverage under the Policy is in force, the newborn Child will become covered by the Policy from the moment of birth. No notification of birth is required.

Adopted Children

Coverage of an adopted Child or a Child who is in the custody of the Primary Covered Person pursuant to an interim court order of adoption or placement for adoption, whichever comes first, vesting temporary custody of the Child in the Primary Covered Person regardless of whether a final order granting adoption is ultimately issued, will be automatic for the first 31 days following the adoption, date of the interim court order or date on which the Child is placed for adoption. For coverage to continue beyond this time, We must receive notice and the required premium within the 31-day period. Coverage will become effective on the earlier of the date of adoption, date of the interim court order, or date on which the Child is placed for adoption. If You notify Us after that 31-day period, the Child's coverage will become effective on the date that notice is given to Us. Coverage will terminate for any Child being adopted on the earlier of:

1. The date the adoption is disapproved; or
2. The date the Child is removed from Your custody.

Court Ordered Custody of Children

Coverage is provided to a Child in the court ordered custody of a Primary Covered Person on the same basis and to the same extent, and in the same manner, as for a newborn Dependent Child. We must receive notification within 31 days of the date on which the court order establishing custody of the Child by the Primary Covered Person was issued and any additional premiums that are due for the coverage of the Child must be paid. In order to establish court ordered custody, the Primary Covered Person must send to Us a copy of the court order that establishes that the Primary Covered Person has full legal custody of the Child. If the Primary Covered Person notifies Us after the 31-day period, the Dependent Child's coverage will become effective on the date that notice is given to Us.

Spouse and Children Effective Date

The effective date of Spouse and Children's coverage under the Policy, a newborn Child, an adopted Child, or a Child placed for adoption depends on when You enroll the Spouse and Children. The applicable premium must be paid. The effective dates are as follows:

1. If the Spouse and Children are eligible for coverage when the Policyholder applies for coverage, the coverage for the dependent will become effective on the Policy Effective Date if You enroll the Spouse or Children for coverage at that time;
2. If You first become eligible after the Policy Effective Date and You enroll the Spouse or Children during Your Initial Enrollment Period, the coverage for the dependent will be effective on the same date that Your coverage becomes effective;
3. If Your Spouse is a new Spouse who first becomes eligible after Your effective date of coverage and You timely enroll the new Spouse as described above, coverage will become effective as of the first day of the month next following the date on which We receive Your Enrollment Form;
4. If the Child is a newborn Child who is born after Your effective date of coverage and You enroll the newborn Child as described above, coverage will become effective as of the date of birth; or
5. If the Child qualifies for any other reason and first meets the definition of Child after Your effective date of coverage, coverage will become effective as of the first day of the month next following the date on which We receive Your Enrollment Form.

Termination of a Member's Coverage

A Member's insurance under the Policy will automatically terminate on the earliest of the following dates:

1. the date that the Policy terminates;
2. the date of termination of any section or part of the Policy and this Certificate with respect to insurance under such section or part;
3. the premium due date coinciding with or next following the date that the Member ceases to be a member of an eligible Class;
4. the date the Member reaches the Maximum Age shown in the Schedule of Benefits;
5. any premium due date, if premium remains unpaid by the end of the Grace Period; and
6. the date the Policyholder no longer meets participation requirements.

Termination of coverage will not affect a claim for a loss that occurred while coverage was in force under the Policy. However, in no instance will benefit payments extend beyond the date any benefit amount, benefit limit or benefit maximum shown in the *Schedule of Benefits* and applicable to the diagnosis of a Critical Illness is reached.

Spouse and Child Termination

If the Primary Covered Person's Spouse or Child is a Covered Person, His coverage will end:

1. with respect to a covered Spouse, on the date He is divorced from the Primary Covered Person; or
2. 90 days after the date the Primary Covered Person dies; or
3. on the date the required premium for the Spouse or Child's coverage is not paid; or
4. with respect to a covered Child, on the Policy anniversary following the date the Child no longer qualifies as a Child, as defined in this Certificate, unless continued under the Incapacitated Child Continuation provision.

Incapacitated Child Continuation

If, on the date a Child reaches age 26, He is covered under the Policy as an Incapacitated Child as defined below, His coverage will not terminate solely due to age. But the Primary Covered Person must give us notice of the Child's incapacity within 60 days of His termination date. The Child's coverage will continue as long as the Child qualifies as an Incapacitated Child and the required premium is paid.

We may, from time to time, require proof of the Child's continued incapacity and dependency. After the first two years, we cannot require proof more than once each year.

For the purposes of this provision, an Incapacitated Child means the Child of a Primary Covered Person or His Spouse who is mentally or physically disabled, incapable of earning His own living and primarily dependent on the Primary Covered Person for support and maintenance.

Spousal Continuation of Coverage

A Spouse and/or Child has the right to continue coverage under the Policy if coverage should terminate because:

1. the Primary Covered Person dies; or
2. the Primary Covered Person and Spouse legally dissolve their marriage; or
3. the Primary Covered Person retires, and the Spouse is at least age 55 at the time of retirement.

Both the Spouse and the Child must be covered under the Policy on the day prior to the qualifying event described in 1-3 above.

The Spouse must notify the Policyholder and Us in writing of the dissolution of marriage or the death or retirement of the Primary Covered Person within 30 days of the qualifying event. In the event of the death of the Primary Covered Person, if the Child wishes to continue insurance, the Child or a responsible adult acting on behalf of the Child must provide the Policyholder or Us written notice of the death of the Primary Covered Person within 30 days of the date coverage terminates.

The Policyholder must notify Us in writing within 15 days after receiving a request for Spousal Continuation. The Policyholder must send the Spouse, or the Child a copy of the notice that is sent to Us at the Spouse's or Child's residence address. We will then notify the Spouse or Child of the right to continuation by certified mail, return receipt requested, within 30 days after receipt of the notice from the Policyholder. The information will include:

1. the Spousal Continuation Election Form;
2. the amount of the premium;
3. the method and place of premium payments;

The Spouse and/or Child must return the Continuation Election Form and the first premium within 30 days after the date it is received.

If the former Spouse is under age 55, the premium for Spousal Continuation coverage is the amount that would be charged if the Spouse were the Primary Covered Person. The Spouse is responsible for the entire premium. This amount includes any contribution that the Policyholder would normally make on behalf of an active Primary Covered Person.

If the Primary Covered Person's Spouse or former Spouse is age 55 or older, for the initial two years of Spousal Continuation coverage, the premium is the amount that would be charged if the Spouse or former Spouse were an employee of the Policyholder. The Spouse or former Spouse is responsible for the entire premium. This amount includes any contribution the Policyholder would normally make on behalf of an active Primary Covered Person. After the initial two years of coverage, the premium may be adjusted to include a 20% administration fee.

Continuation resulting from a Primary Covered Person's death or divorce will be offered for a duration of coverage for 2 years if the Spouse is under age 55 at time of election. If the Spouse is age 55 or older at the time of election, coverage will be provided until the Spouse is eligible for Medicare.

Continuation resulting from the Primary Covered Person's retirement is only available to Spouses who are age 55 or older at the time of the retirement. Coverage will be provided until the Spouse is eligible for Medicare.

Spousal Continuation may terminate earlier than the specified time frames if:

1. the Spouse fails to make timely premium payments;
2. the Policy would terminate even though the Spouse were still married to the Primary Covered Person (unless the Primary Covered Person retires during the election period);
3. the Spouse became insured under any other group health plan;
4. the Spouse remarries.

Upon the termination of Spousal Continuation coverage, the Spouse may be able to convert the coverage to an individual conversion policy.

Dependent Child Continuation of Coverage

A Child has the right to continue coverage under the Policy if the Child's coverage should terminate because:

1. the insured parent dies and coverage is not available under the Spousal Continuation Provision; or
2. the Child has attained the limiting age under the Policy.

The Child must be covered under the Policy on the day prior to the qualifying event described in items 1-2 above.

In the event of the death of the Primary Covered Person or the attainment of the limiting age, if the Child wishes to continue insurance, the Child or a responsible adult acting on behalf of the Child must provide the Policyholder or Us written notice of the qualifying event within 30 days of the date coverage terminates.

The Policyholder must notify Us in writing within 15 days after receiving a request for Child Continuation. The Policyholder must send the Child or a responsible adult a copy of the notice that is sent to Us to the Child's residence address. We will then notify the Child of the right to continuation by certified mail, return receipt requested, within 30 days after receipt of the notice from the Policyholder, the Child, or a responsible adult acting on the Child's behalf. The information will include:

1. the Child's Continuation Election Form;
2. the amount of the premium;
3. the method and place of premium payments;

The Child must return the continuation election form and the first premium within 30 days after the date it is received from Us.

The premium is the amount that would be charged a Primary Covered Person if the Child were a current employee of the Policyholder plus the amount the Policyholder would contribute toward the premium if the Child were a current employee. The Child is responsible for the entire premium. Failure to pay the initial monthly premium within 30 days after receipt of the notice terminates the right to Continuation benefits.

Child continuation may terminate upon the earliest to happen of the following:

1. the Child fails to make timely premium payments;
2. when coverage would terminate under the terms of the Policy if the Child were still an eligible dependent of the Policyholder;
3. the Child becomes insured under any other group health plan;
4. the expiration of 2 years from the date continuation coverage began.

Upon the termination of Continuation Coverage, the Child may be able to convert the coverage to an individual conversion policy.

Discontinuance and Replacement

If You are totally disabled at the time the group Policy terminates, benefits will be provided for, and limited to, Actual Charges described in this Certificate, which are related to the total disability. Benefits will be provided when no coverage is available under the succeeding carrier's policy whether due to the absence of coverage in the policy or a preexisting condition. Benefits will be provided for a period of no more than 12 months from the date of termination. It is Your responsibility to notify Us, and to provide, when requested by Us, written documentation of such disability.

CLAIM PROVISIONS

Notice of Claim

Written or authorized electronic/telephonic notice must be given to Us or Our authorized representative within 90 days after a Covered Person's loss or as soon as reasonably possible thereafter. Notice can be given at Our Home Office in New York, New York, such other place as We may designate for the purpose, or to Our authorized representative. Notice should include the Policyholder's name and policy number and the Covered Person's name and address.

If claim forms are not sent within 15 days after We receive notice, the proof requirements will be met by the claimant upon submitting, within the time fixed in this Certificate for filing proof of loss, written or authorized electronic proof of the nature and extent of the loss for which claim is made.

Proof of Loss

Written or authorized electronic proof of loss satisfactory to Us must be given to Us at Our Home Office or to Our authorized representative, within 90 days of the loss for which claim is made. Failure to furnish proof within the time required will not invalidate or reduce a claim if it is shown that such notice was given as soon as reasonably possible. In any case, written or authorized electronic proof must be given not more than one year after the time it is otherwise required, except if proof is not given solely due to the lack of legal capacity.

Time of Payment of Claims

We will pay benefits due under this Certificate for any loss immediately upon receipt of due written or authorized electronic proof of such loss. Any balance remaining unpaid at the termination of liability will be paid immediately upon receipt of proof satisfactory to Us, unless otherwise stated in this Certificate. If the claim is not paid within 30 days of receipt of acceptable proof of loss, interest will accrue at rate of 9% per annum from the 30th day until the date of payment. We will not pay interest amounting to less than one dollar. Any interest payments will be made within 30 days of the date the claim is paid.

Payment of Claims

All benefits will be paid in United States currency. All proceeds payable under the Policy, unless otherwise stated, will be payable to the Covered Person. If the Covered Person dies before all payments due have been made, all remaining amounts payable will be paid to the Covered Person's estate or beneficiary.

If any payee is a minor or is not competent to give a valid release for the payment, the payment will be made to the legal guardian of the payee's property. If the payee has no legal guardian for His property, a payment not exceeding \$1,000 may be made at Our option to any relative by blood or connection by marriage of the payee who has submitted reliable documentary evidence and, in Our opinion, has assumed the custody and support of the minor or responsibility for the incompetent person's affairs. Any payment We make in good faith fully discharges Our liability to the extent of the payment made.

If the Covered Person provides Us with a written release to do so, we may, at Our option, pay benefits directly to the institution or person rendering treatment or services covered under the Policy.

Physical Examination

We, at Our own expense, have the right and opportunity to examine a Covered Person when and as often as We may reasonably require while a claim is pending.

Legal Actions

No action at law or in equity will be brought to recover benefits under the Policy less than 60 days after satisfactory proof of loss has been furnished as required by the Policy. No such action will be brought more than three years after the time such written proof of loss must be furnished.

Recovery of Overpayment

If benefits are overpaid, We have the right to recover the amount overpaid by either of the following methods.

1. A request for lump sum payment of the overpaid amount.
2. A reduction of any amounts payable under the Policy.

If there is an overpayment due when the Covered Person dies, We may recover the overpayment from the Covered Person's estate.

ADMINISTRATIVE PROVISIONS

Grace Period

A Policy Grace Period of 31 days will be granted for payment of required premiums due after the first premium, unless:

1. the Policyholder has given Us advance written notice of intent to discontinue coverage in accordance with the terms of the Policy; or

3. written notice of Our intention not to renew is delivered to the Policyholder at least 31 days before the premium is due.

The Policy and Certificates under the Policy will be in force during the Policy Grace Period. We will provide notifications of premiums due or premium changes, by mail to the most current address in our files, to the Policyholder.

Premium Payment

The total premium paid by the Policyholder is the sum of premiums for all Covered Persons including any amounts submitted toward the cost of the coverage by Covered Persons. The initial premium is due on the Policy Effective Date and each succeeding premium is due on the next succeeding Premium Due Date, as shown in the *Schedule of Benefits*, unless the Policyholder and We agree to another mode of premium payment. Premiums are paid at Our Home Office or to Our authorized representative.

We may require satisfactory proof of age before paying any claim.

Incontestability

In the absence of fraud, all statements You have made to obtain insurance under the Policy are considered representations and not warranties. No statement will be used to deny or reduce benefits or be used as a defense to a claim, unless a copy of the instrument containing the statement is, or has been, furnished to the claimant.

After two years from Your effective date of insurance, or from the effective date of increased benefits, no such statement will cause insurance or the increased benefits to be contested except for fraud or lack of eligibility for insurance.

In the event of death or incapacity, Your representative shall be given a copy.

Conformity with State Statutes

Any provision of the Policy and any Certificate, which, on its effective date, is in conflict with the statutes of the state in which the Insured resides on such date, is hereby amended to conform to the minimum requirements of those statutes.

Clerical error, whether by the Policyholder or Us, will not void the insurance of any Covered Person if that insurance would otherwise have been in effect or extend the insurance of any Covered Person if that insurance would otherwise have ended or been reduced as provided in the Policy.

**NOTICE OF
PROTECTION PROVIDED BY
ILLINOIS LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION**

This notice provides a **brief summary** description of the Illinois Life and Health Insurance Guaranty Association (the Association) and the protection it provides for policyholders. This safety net was created under Illinois law that determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your member life, annuity or health insurance company becomes financially unable to meet its obligations and is placed into Receivership by the Insurance Department of the state in which the company is domiciled. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Illinois law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association per insolvency are:

- Life Insurance
 - \$300,000 in death benefits
 - \$100,000 in cash surrender or withdrawal values
 - Health Insurance
 - \$500,000 in hospital, medical and surgical insurance benefits*
 - \$300,000 in disability insurance benefits
 - \$300,000 in long-term care insurance benefits
 - \$100,000 in other types of health insurance benefits
 - Annuities
 - \$250,000 in withdrawal and cash values
- * The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$300,000, except special rules apply to hospital, medical and surgical insurance benefits for which the maximum amount of protection is \$500,000.

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also residency requirements and other limitations under Illinois law.

To learn more about these protections, as well as protections relating to group contracts or retirement plans, please visit the Association's website at www.ilhiga.org or contact:

IMPORTANT NOTICE REGARDING THE OFFICE OF FOREIGN ASSETS CONTROL

Your rights as a policyholder and payments to you, any insured or claimant, for loss under the policy may be affected by the administration and enforcement of U.S. economic embargoes and trade sanctions by the OFFICE OF FOREIGN ASSETS CONTROL (“OFAC”).

WHAT IS OFAC?

OFAC is an office of the Department of the Treasury and acts under the presidential national emergency powers, as well as authority granted by specific legislation, to impose controls on transactions and freeze foreign assets under U.S. jurisdiction. OFAC administers and enforces economic embargoes and trade sanctions primarily against:

- Targeted foreign countries and their agents
- Terrorism sponsoring agencies and organizations
- International narcotics traffickers

PROHIBITED ACTIVITY

- OFAC enforces certain embargoes and sanctions against certain designated countries. No U.S. business or persons may enter into certain transactions in or connected to such designated “sanctioned” countries.
- OFAC maintains a directory known as the “Specially Designated Nationals and Blocked Persons” (“SDNBP”) list. No U.S. business or person may transact business with any person or entity named on the SDNBP list.

Additional and more in-depth information on OFAC is available at the following website:

<https://www.treasury.gov/about/organizational-structure/offices/Pages/Office-of-Foreign-Assets-Control.aspx>.

OBLIGATIONS PLACED ON US BY OFAC

If we determine that you, any insured or claimant are on the SDNBP list or are connected to a sanctioned country as described in the regulations enforced by OFAC, we must block or “freeze” property and payment of any funds transfers or transactions and report all blocks to OFAC within ten (10) business days.

POTENTIAL ACTIONS BY US

1. We may immediately cancel your coverage effective on the day that we determine that we have transacted business with an individual or entity associated with your policy on the SDNBP list or connected to a sanctioned country as described in the regulations enforced by OFAC.
2. If we cancel your coverage, you will not receive a return premium unless approved by OFAC. All funds will be placed in an interest bearing blocked account established on the books of a U.S. financial institution.
3. We will not pay a claim, accept premium or exchange monies or assets of any kind to or with individuals, entities or companies (including a bank) on the SDNBP list or connected to a sanctioned country as described in the regulations enforced by OFAC. And, we will not defend or provide any other benefits under your policy to individuals, entities or companies on the SDNBP list or connected to a sanctioned country as described in the regulations enforced by OFAC.

YOUR RIGHTS AS A POLICYHOLDER

If funds are blocked or frozen by us in conjunction with the OFFICE OF FOREIGN ASSETS CONTROL, you may complete an “APPLICATION FOR THE RELEASE OF BLOCKED FUNDS” and apply for a specific license to request their release. Forms are available for download at the OFAC website. See <https://www.treasury.gov/resource-center/sanctions/Documents/license.pdf>.
