The initial premium is due on the Policy Effective Date and each succeeding premium is due on the next succeeding Premium Due Date, as shown in the *Schedule of Benefits*, unless the Policyholder and We agree to another mode of premium payment. Premiums are paid at Our Home Office or to Our authorized representative.

If any premium is not paid when due, the Policy will be cancelled as of the Premium Due Date of the unpaid premium, except as provided in the Grace Period provision.

In the event of death or incapacity, Your representative shall be given a copy.

Conformity with State Statutes

Any provision of the Policy and any Certificate, which, on its effective date, is in conflict with the statutes of the state in which the Covered Person resides on such date, is hereby amended to conform to the minimum requirements of those statutes.

Written or authorized electronic/telephonic notice must be given to Us or Our agent within 31 days after a Covered Accident occurs or the loss begins or as soon as reasonably possible, but in no case any longer than 15 months after the date of loss. If written or authorized electronic/telephonic notice is not given in that time, the claim will not be invalidated or reduced if it is shown that notice was given as soon as was reasonably possible. Notice can be given at Our Home Office in New York, New York, such other place as We may designate for the purpose, or to Our authorized agent. Notice should include the Policyholder's name and policy number and the Covered Person's name and address. Within 30 days after receiving written notice of claim, if the notice contains sufficient information for Us to identify the specific coverage involved, an acknowledgement of the claim must be given as one of the following: (1) A statement made to the claimant or the claimant's legal representative advising that the claim is being investigated; or (2) Payment of the claim; or (3) A bona fide written offer of settlement; or (4) A written denial of the claim.

Claim Forms

We send forms for filing proof of loss when We receive the notice of claim. If claim forms are not sent within 15 days after We receive notice, the proof requirements will be met by submitting, within the time fixed in this Policy for filing proof of loss, written or authorized electronic proof of the nature and extent of the loss for which claim is made.

Claimant Cooperation Provision

Failure of a claimant to cooperate with Us in the administration of the claim may result in termination of the claim. Such cooperation includes, but is not limited to, providing any information or documents needed to determine whether benefits are payable or the actual benefit amount due.

Proof of Loss

Written or authorized electronic proof of loss satisfactory to Us must be given to Us at Our office, within 180 days of the loss for which claim is made. If: (a) benefits are payable as periodic payments; and (b) each payment is contingent upon continuing loss, then proof of loss must be submitted within 180 days after the termination of each period for which We are liable. If written or authorized electronic notice is not given within that time, no claim will be invalidated or reduced if it is shown that such notice was given as soon as reasonably possible. In any case, written or authorized electronic proof must be given not more than one year after the time it is otherwise required, except if proof is not given solely due to the lack of legal capacity.

Time of Payment of Claims

We will pay benefits due under this Policy for any loss, other than a loss for which this Policy provides any periodic payment, immediately upon receipt of due written or authorized electronic proof of such loss. Subject to due written or authorized electronic proof of loss, all accrued benefits for loss for which this Policy provides periodic payment will be paid monthly unless otherwise specified in the benefit descriptions. Any balance remaining unpaid at the termination of liability will be paid immediately upon receipt of proof satisfactory to Us, unless otherwise stated in this Policy.

Payment of Claims

All benefits will be paid in United States currency. Benefits for loss of life will be payable in accordance with the Beneficiary provision and these Claim Provisions. All other proceeds payable under this Policy, unless otherwise stated, will be payable to You or to Your estate. If the amount of any benefit payable is determined based on benefits payable under another Health Care Plan, We have the right to require You to provide information about that Plan and benefits paid or payable for the same claim before We pay benefits. We may, at Our option, pay any accident medical benefits directly to a health care provider that renders services to You, unless You request in writing when submitting the claim that such payment not be made to the provider.

If We are to pay benefits to the estate or to a person who is incapable of giving a valid release, We may pay \$1,000 to a relative by blood or marriage whom We believe is equitably entitled. Any payment made by Us in

good faith pursuant to this provision will fully discharge Us to the extent of such payment and release Us from all liability for that payment.

Beneficiary

The beneficiary is the person or persons You name or change on a form You execute and which is satisfactory to Us. This form may be in writing or by any electronic means agreed upon between Us and the Policyholder. Consent of the beneficiary is not required to affect any changes, unless the beneficiary has been designated as an irrevocable beneficiary, or to make any assignment of rights or benefits permitted by this Policy.

A beneficiary designation or change will become effective on the date You execute it. However, We will not be liable for any action taken or payment made before We record notice of the change at our Home Office.

If more than one person is named as beneficiary, the interests of each will be equal unless You have specified otherwise. The share of any beneficiary who does not survive You will pass equally to any surviving beneficiaries unless otherwise specified.

2. Child or Children;
3. parents;
4. siblings;

Notice Concerning Coverage Limitations and Exclusions under the North Carolina Life and Health Insurance Guaranty Association Act

Residents of this state who purchase life insurance, annuities or health insurance should know that the insurance companies and Health Maintenance Organizations (HMOs) licensed in this state to write these types of insurance are members of the North Carolina Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer or HMO becomes financially unable to meet its obligations. If this should happen, the guaranty association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the guaranty association is not unlimited, however. And as noted below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

The North Carolina Life and Health Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in North Carolina. You should not rely on coverage by the North Carolina Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance Companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy.

The state law that provides for this safety-net coverage is called the North Carolina Life and Health Insurance Guaranty Association Act. Following is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the guaranty association.

COVERAGE

Generally, individuals will be protected by the life and health insurance guaranty association if they live in this state and hold a life or health insurance contract, or an annuity, or if they are insured under a group insurance contract, issued by a member insurer or HMO. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are not protected by this Association if:

1. they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
2. the insurer was not authorized to do business in this state;

3. their policy was issued by a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or an insurance exchange;
4. they acquired rights to receive payments through a structured settlement factoring transaction.

The association also does not provide coverage for:

1. any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
2. any policy of reinsurance (unless an assumption certificate was issued);
3. interest rate yields that exceed the average rate specified in the law;
4. dividends;
5. experience or other credits given in connection with the administration of a policy by a group contractholder;
6. employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
7. unallocated annuity contracts (which give rights to group contractholders, not individuals), unless they fund a government lottery or a benefit plan of an employer, association or union, except that unallocated annuities issued to employee benefit plans protected by the Federal Pension Benefit Guaranty Corporation are not covered.
8. A policy or contract commonly known as Medicare Part C, Medicare Part D, Medicaid or any regulations issued pursuant thereto.

LIMITS ON AMOUNT OF COVERAGE

The act also limits the amount the association is obligated to pay out as follows:

- (1) The guaranty association cannot pay out more than the insurance company would owe under the policy or contract.
- (2) Except as provided in (3), (4) and (5) below, the guaranty association will pay a maximum of \$300,000 per individual, per insolvency, no matter the number of policies or types of policies issued by the insolvent company.
- (3) the guaranty association will pay a maximum of \$500,000 with respect to a health benefit plan.
- (4) The guaranty association will pay a maximum of \$1,000,000 with respect to the payee of a structured settlement annuity.
- (5) The guaranty association will pay a maximum of \$5,000,000 to any one unallocated annuity contract holder.
