Written or authorized electronic/telephonic notice must be given to Us or Our authorized representative within 90 days after a Covered Person's loss or as soon as reasonably possible thereafter. If written or authorized electronic/telephonic notice is not given in that time, the claim will not be invalidated or reduced if it is shown that notice was given as soon as was reasonably possible. Notice can be given at Our Home Office in New York, New York, such other place as We may designate for the purpose, or to Our authorized representative. Notice should include the Policyholder's name and policy number and the Covered Person's name and address.

Claim Forms

We will send forms to the claimant for filing proof of loss when We receive the notice of claim. If claim forms are not sent within 15 days after We receive notice, the proof requirements will be met by the claimant upon submitting, within the time fixed in this Certificate for filing proof of loss, written or authorized electronic proof of the nature and extent of the loss for which claim is made.

Proof of Loss

Written or authorized electronic proof of loss satisfactory to Us must be given to Us at Our Home Office or to Our authorized representative, within 90 days of the loss for which claim is made. Failure to furnish proof within the time required will not invalidate or reduce a claim if it is shown that such notice was given as soon as reasonably possible. In any case, written or authorized electronic proof must be given not more than one year after the time it is otherwise required, except if proof is not given solely due to the lack of legal capacity.

Time of Payment of Claims

We will pay benefits due under this Certificate for any loss immediately upon receipt of due written or authorized electronic proof of such loss. Any balance remaining unpaid at the termination of liability will be paid immediately upon receipt of proof satisfactory to Us, unless otherwise stated in this Certificate. If the payee has no legal guardian for His property, a payment not exceeding \$1,000 may be made at Our option to any relative by blood or connection by marriage of the payee who has submitted reliable documentary evidence and, in Our opinion, has assumed the custody and support of the minor or responsibility for the incompetent person's affairs. Any payment We make in good faith fully discharges Our liability to the extent of the payment made.

If the Covered Person provides Us with a written release to do so, we may, at Our option, pay benefits directly to the institution or person rendering treatment or services covered under the Policy.

Texas Department of Human Services: In the event that the Texas Department of Human Services is paying benefits on behalf of a Covered Person, We will pay benefits under the Policy for the Covered Person to the Texas Department of Human Services.

Recovery of Overpayment

If benefits are overpaid, We have the right to recover the amount overpaid by either of the following methods.

2. A reduction of any amounts payable under the Policy.

If there is an overpayment due when the Covered Person dies, We may recover the overpayment from the Covered Person's estate.

The premiums for the Policy will be based on the rates set forth in this Certificate, the plan and amounts of insurance in effect for Covered Persons and the premium mode selected. We will provide notifications of premiums due or premium change, by mail to the most current address in our files, to the Policyholder.

Premium Payment

The total premium paid by the Policyholder is the sum of premiums for all Covered Persons including any amounts contributed toward the cost of the coverage by Covered Persons. The initial premium is due on the Policy Effective Date and each succeeding premium is due on the next succeeding Premium Due Date, as shown in the *Schedule of Benefits*, unless the Policyholder and We agree to another mode of premium payment. Premiums are paid at Our Home Office or to Our authorized representative.

If any premium is not paid when due, the Policy will be cancelled as of the Premium Due Date of the unpaid premium, except as provided in the Grace Period provision.

We may require satisfactory proof of Age before paying any claim.

The rights and benefits under this Policy may not be assigned and any attempt to assign will be void.

This insurance may not be levied on, attached, garnished, or otherwise taken for a person's debts unless contrary to law.

In the absence of fraud, all statements You have made to obtain insurance under the Policy are considered representations and not warranties. No statement will be used to deny or reduce benefits or be used as a defense to a claim, unless a copy of the instrument containing the statement is, or has been, furnished to the claimant.

After two years from Your effective date of insurance, or from the effective date of increased benefits, no such statement will cause insurance or the increased benefits to be contested except for fraud or lack of eligibility for insurance.

In the event of death or incapacity, Your representative shall be given a copy.

Conformity with State Statutes

Any provision of the Policy and any Certificate, which, on its effective date, is in conflict with the statutes of the state in which the Policy or Certificate is delivered, is hereby amended to conform to the minimum requirements of those statutes.

Clerical Error

Clerical error, whether by the Policyholder or Us, will not void the insurance of any Covered Person if that insurance would otherwise have been in effect or extend the insurance of any Covered Person if that insurance would otherwise have ended or been reduced as provided in the Policy.

Workers' Compensation Insurance

The Policy is not in place of and does not affect any requirements for coverage under any Workers' Compensation law.

General Limitations and Exclusions Applicable to Accident Medical Expense Benefits

Non-Duplication of Benefits When The Policy and Other Plans Are Excess

This provision applies if benefits under any other Health Care Plan are covered under the Policy, and coverage under the Policy and the other Plan are excess.

We pay a pro rata share of the total amount of Covered Expenses. In no case will the total benefits payable exceed 100% of the Covered Expenses.

Our pro rata share equals the total of benefits payable under the Policy multiplied by a fraction, of which the numerator is the benefits We pay and the denominator is the total of benefits payable by all Health Care Plans for the same Covered Accident.

Excluded Expenses

The following will not be considered Covered Expenses unless coverage is specifically provided.

- 1. Any service, treatment or supply that is not considered Appropriate Treatment as defined in the Policy.
- 2. Expenses Incurred after the end of the Benefit Period, even if Incurred for continuing services or treatment of a Covered Injury.
- 3. Whole blood, concentrated red blood cells or blood storage except expenses by a Hospital for processing or administration of blood.
- 4. cosmetic surgery or care, or treatment solely for cosmetic purposes, or complications therefrom. This exclusion does not apply to:
 - a cosmetic surgery resulting from a Covered Accident, if initial treatment of the Covered Person is begun within 12 months of the date of the Covered Accident;
 - b reconstruction incidental to or following surgery resulting from a Covered Accident;

- c. any unplanned and unintended adverse consequences that may result during the treatment of a Covered Accident.
5. Any elective or routine treatment, surgery, health treatment, or examination, including any service, treatment or supplies that: (a) are deemed to be experimental or investigational; and (b) are not recognized and generally accepted medical practice in the United States.
 6. Examination or prescriptions for, or purchase, repair or replacement of, eyeglasses, contact lenses, hearing aids, wheelchairs, braces, appliances, orthopedic braces, or orthotic devices.
 7. Treatment in any Veteran's Administration, Federal, or state facility, unless there is a legal obligation to pay.
 8. Services or treatment provided by persons who do not normally charge for their services, unless there is a legal obligation to pay.
 9. Rest cures or custodial care.
 10. Repair or replacement of existing dentures, partial dentures, braces or bridgework.

 14. Repair or replacement of existing artificial limbs, eyes and larynx.

CLAIM PROVISIONS

Notice of Claim

Written or authorized electronic/telephonic notice must be given to Us or Our agent within 31 days after a Covered Accident occurs or the loss begins or as soon as reasonably possible, but in no case any longer than 15 months after the date of loss. If written or authorized electronic/telephonic notice is not given in that time, the claim will not be invalidated or reduced if it is shown that notice was given as soon as was reasonably possible. Notice can be given at Our Home Office in New York, New York, such other place as We may designate for the purpose, or to Our authorized agent. Notice should include the Policyholder's name and policy number and the Covered Person's name and address.

Claim Forms

We send forms for filing proof of loss when We receive the notice of claim. If claim forms are not sent within 15 days after We receive notice, the proof requirements will be met by submitting, within the time fixed in the Policy for filing proof of loss, written or authorized electronic proof of the nature and extent of the loss for which claim is made.

Claimant Cooperation Provision

Failure of a claimant to cooperate with Us in the administration of the claim may result in termination of the claim. Such cooperation includes, but is not limited to, providing any information or documents needed to determine whether benefits are payable or the actual benefit amount due.

Proof of Loss

Written or authorized electronic proof of loss satisfactory to Us must be given to Us at Our office, within 90 days of the loss for which claim is made. If written or authorized electronic notice is not given within that time, no claim will be invalidated or reduced if it is shown that such notice was given as soon as reasonably possible. In any case, written or authorized electronic proof must be given not more than one year after the time it is otherwise required, except if proof is not given solely due to the lack of legal capacity.

Time of Payment of Claims

We will pay benefits due under the Policy for any loss immediately but in no event later than 60 days after receipt of due written or authorized electronic proof of such loss. Any balance remaining unpaid at the termination of liability will be paid immediately upon receipt of proof satisfactory to Us, unless otherwise stated in the Policy.

Payment of Claims

All benefits will be paid in United States currency. Benefits for loss of life will be payable in accordance with the Beneficiary provision and these Claim Provisions. All other proceeds payable under the Policy, unless otherwise stated, will be payable to the Covered Person or to his estate. If any payee of benefits is a minor or otherwise legally incompetent, we will pay benefits to the person designated as his legal guardian or conservator.

If the amount of any benefit payable is determined based on benefits payable under another Health Care Plan, We have the right to require the Covered Person to provide information about that Plan and benefits paid or payable for the same claim before We pay benefits. We may, at Our option, pay any accident medical benefits directly to a health care provider that renders services to the Covered Person, unless the Covered Person requests in writing when submitting the claim that such payment not be made to the provider.

If We are to pay benefits to the estate or to a person who is incapable of giving a valid release, We may pay \$1,000 to a relative by blood or marriage whom We believe is equitably entitled. Any payment made by Us in good faith pursuant to this provision will fully discharge Us to the extent of such payment and release Us from all liability for that payment.

Beneficiary

The beneficiary is the person or persons the Covered Person names or changes on a form executed by him and satisfactory to Us. This form may be in writing or by any electronic means agreed upon between Us and the Policyholder. Consent of the beneficiary is not required to affect any changes, unless the beneficiary has been designated as an irrevocable beneficiary, or to make any assignment of rights or benefits permitted by the Policy.

A beneficiary designation or change will become effective on the date the Covered Person executes it. However, We will not be liable for any action taken or payment made before We record notice of the change at our Home Office.

If more than one person is named as beneficiary, the interests of each will be equal unless the Covered Person has specified otherwise. The share of any beneficiary who does not survive the Covered Person will pass equally to any surviving beneficiaries unless otherwise specified.

If there is no named beneficiary or surviving beneficiary, or if the Covered Person dies while benefits are payable to him, We may make direct payment to the first surviving class of the following classes of persons:

1. Spouse or domestic partner;
2. Child or Children;
3. parents;
4. siblings;
5. estate of the Covered Person.

Conditional Claim Payment

If the Covered Person incurs expenses for Covered Injuries received in a Covered Accident and it is likely a third party may be liable, We will pay benefits if:

1. the Covered Person first agrees in writing to refund the lesser of:
 - a. the amount We actually paid for such expenses; and
 - b. the amount actually received from the third party regardless of whether the amount is for such expenses; and
2. the third party's liability is determined and satisfied whether by settlement, judgment, arbitration or otherwise. However, if the third party's liability is satisfied in an amount less than the benefits paid under the Policy, We will pay the difference.

Physical Examination and Autopsy

We, at Our own expense, have the right and opportunity to examine the Covered Person when and as often as We may reasonably require while a claim is pending and to make an autopsy in case of death where it is not forbidden by law.

Legal Actions

No action at law or in equity will be brought to recover benefits under the Policy less than 60 days after satisfactory proof of loss has been furnished as required by the Policy. No such action will be brought more than three years after the time such written proof of loss must be furnished.

Recovery of Overpayment

If benefits are overpaid, We have the right to recover the amount overpaid by either of the following methods.

1. A request for lump sum payment of the overpaid amount.
2. A reduction of any amounts payable under the Policy.

If there is an overpayment due when the Covered Person dies, We may recover the overpayment from the Covered Person's estate.

Subrogation

We have the right to recover all payments including future payments, which We have made, or will be obligated to pay in the future, to the Covered Person from anyone liable for the Covered Loss. If the Covered Person recovers from anyone liable for the Covered Loss, We will be reimbursed first from such recovery to the extent of Our payments to the Covered Person. The Covered Person agrees to assist Us in preserving Our rights against those responsible for such loss, including but not limited to, signing subrogation forms supplied by Us.

ADMINISTRATIVE PROVISIONS

Grace Period

A Policy Grace Period of 31 days will be granted for payment of required premiums due after the first premium, unless:

1. We do not intend to renew the Policy beyond the period for which premium has been accepted; and
2. written notice of Our intention not to renew is delivered to the Policyholder at least 45 days before the premium is due.

The Policy will be in force during the Policy Grace Period. If the required premiums are not paid during the Policy Grace Period, insurance will end on the last day of the Grace Period. The Policyholder is liable to Us for any unpaid premium for the time the Policy was in force.

Premiums

Premium rates are expressed in, and premiums are payable in, United States currency. The premiums for the Policy will be based on the rates set forth in the *Premium Rate Table*, the plan and amounts of insurance in effect for Covered Persons and the premium mode selected, as shown in the *Schedule of Benefits*.

IMPORTANT NOTICE REGARDING THE OFFICE OF FOREIGN ASSETS CONTROL

Your rights as a policyholder and payments to you, any insured or claimant, for loss under the policy may be affected by the administration and enforcement of U.S. economic embargoes and trade sanctions by the OFFICE OF FOREIGN ASSETS CONTROL (“OFAC”).

WHAT IS OFAC?

OFAC is an office of the Department of the Treasury and acts under the presidential national emergency powers, as well as authority granted by specific legislation, to impose controls on transactions and freeze foreign assets under U.S. jurisdiction. OFAC administers and enforces economic embargoes and trade sanctions primarily against:

- Targeted foreign countries and their agents
- Terrorism sponsoring agencies and organizations
- International narcotics traffickers

PROHIBITED ACTIVITY

- OFAC enforces certain embargoes and sanctions against certain designated countries. No U.S. business or persons may enter into certain transactions in or connected to such designated “sanctioned” countries.
- OFAC maintains a directory known as the “Specially Designated Nationals and Blocked Persons” (“SDNBP”) list. No U.S. business or person may transact business with any person or entity named on the SDNBP list.

Additional and more in-depth information on OFAC is available at the following website:

<https://www.treasury.gov/about/organizational-structure/offices/Pages/Office-of-Foreign-Assets-Control.aspx>.

OBLIGATIONS PLACED ON US BY OFAC

If we determine that you, any insured or claimant are on the SDNBP list or are connected to a sanctioned country as described in the regulations enforced by OFAC, we must block or “freeze” property and payment of any funds transfers or transactions and report all blocks to OFAC within ten (10) business days.

POTENTIAL ACTIONS BY US

1. We may immediately cancel your coverage effective on the day that we determine that we have transacted business with an individual or entity associated with your policy on the SDNBP list or connected to a sanctioned country as described in the regulations enforced by OFAC.
2. If we cancel your coverage, you will not receive a return premium unless approved by OFAC. All funds will be placed in an interest bearing blocked account established on the books of a U.S. financial institution.
3. We will not pay a claim, accept premium or exchange monies or assets of any kind to or with individuals, entities or companies (including a bank) on the SDNBP list or connected to a sanctioned country as described in the regulations enforced by OFAC. And, we will not defend or provide any other benefits under your policy to individuals, entities or companies on the SDNBP list or connected to a sanctioned country as described in the regulations enforced by OFAC.

YOUR RIGHTS AS A POLICYHOLDER

If funds are blocked or frozen by us in conjunction with the OFFICE OF FOREIGN ASSETS CONTROL, you may complete an “APPLICATION FOR THE RELEASE OF BLOCKED FUNDS” and apply for a specific license to request their release. Forms are available for download at the OFAC website. See <https://www.treasury.gov/resource-center/sanctions/Documents/license.pdf>.

SUMMARY OF COVERAGE AND LIMITATIONS AND EXCLUSIONS UNDER THE MICHIGAN LIFE & HEALTH INSURANCE GUARANTY ASSOCIATION

Introduction

Welcome to the Michigan Life & Health Insurance Guaranty Association (MLHIGA) web site. Michigan residents who purchase life insurance, annuities or health insurance should know that most insurance companies licensed in Michigan to write these types of insurance are members of the Michigan Life & Health Insurance Guaranty Association (MLHIGA). The purpose of this association is to assure that policyholders may be protected, **within limits**, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, MLHIGA will assess its other member insurance companies for the money to pay the covered claims of insured persons who live in Michigan and, in some cases, to keep coverage in force. If coverage is provided, it may be subject to limitations or exclusions and may require residency in Michigan. This protection is not a substitute for consumers' care in selecting companies that are well managed and financially stable.

Guaranty Association Act

The Michigan Life & Health Insurance Guaranty Association Act, Chapter 77 of the Insurance Code of 1956, MCL 500.7701 to 500.7780, details the specific coverage, exemptions and limitations provided to certain policyholders. The general information provided by this summary or the MLHIGA web site does not cover all provisions of the law, nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of MLHIGA. For a definitive statement of the law governing MLHIGA, you must refer to the MLHIGA Act itself. If there is any inconsistency between this summary or the MLHIGA web site and any applicable law, then such law will control.

Coverage

Generally, individuals will be protected by MLHIGA if they reside in Michigan and own a life, health or annuity contract issued by a member insurer licensed in Michigan or if they reside in Michigan and are insured under a group life or health insurance contract issued by a member insurer licensed in Michigan. For owners of unallocated annuity contracts, coverage will be provided if the contract is issued in connection with a specific plan whose sponsor has its principal place of business in Michigan or if the individual is a resident of Michigan and the contract is issued in connection with a government lottery. For payees (or beneficiaries of deceased payees) of structured settlement annuities, coverage will be provided only if the payee is a resident of Michigan. In limited situations, coverage might also be available to certain non-residents.

You may find out if your insurance company is licensed in Michigan by contacting the Department of Insurance and Financial Services at P.O. Box 30220, Lansing, Michigan 48909-7720, telephone number (517) 284-8800 or 877-999-6442. Please be aware, although licensed in Michigan, policies issued by the following entities are not covered by MLHIGA: a nonprofit health care corporation, a health maintenance organization, a fraternal benefit society, a nonprofit dental care corporation (e.g. Delta Dental), a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, an insurance exchange, or an organization limited to the issuance of charitable gift annuities.

Protection can be provided in one of several different ways. For example, MLHIGA may provide coverage directly or a financially sound insurer may take over the troubled company's assets and policies and assume responsibilities for continuing coverage and paying covered claims. MLHIGA may also work with other state guaranty associations to develop an overall plan to provide protection for the failed insurer's policyholders. In any case, delays could be necessary to sort out the affairs of the financially troubled insurer.

Limits on Amount of Coverage

The MLHIGA Act limits the amount MLHIGA is obligated to cover for each insolvent company as follows:

- (1) MLHIGA cannot cover more than what the insurance company would owe under a policy or contract;
- (2) for any one life, regardless of the number of policies or contracts held with the same company, MLHIGA will cover a maximum of:
 - (a) \$300,000 in life insurance death benefits, but not more than \$100,000 in net cash surrender and net cash withdrawal values for life insurance;
 - (b) \$250,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal values;
 - (c) for health insurance:
 - (i) \$300,000 in disability income insurance benefits or long-term care benefits;
 - (ii) \$500,000 in basic hospital, medical, and surgical insurance benefits;
 - (iii) \$100,000 in all other health insurance benefits.
 - (d) In no event is the association obligated to cover more than an aggregate of \$300,000 in all benefits (other than basic hospital, medical, and surgical benefits) for any one life.

The limits mentioned above are applied per any “one life” per insolvent company.

As an example of this “one life” limitation, if you own three annuities with the same annuitant from the same insurance company, each worth \$100,000 and that company is declared insolvent and ordered liquidated, only \$250,000, **in total**, may be protected because that is the maximum amount protected under the MLHIGA Act for all annuities from a single insurer.

Note to benefit plan trustees or other holders of unallocated annuities (GICs, DACs, etc.) covered by the act: for unallocated annuities that fund **governmental retirement plans only** under sections 401(k), 403(b) or 457 of the Internal Revenue Code, the limit is \$250,000 in present value of annuity benefits per participating individual; for covered unallocated annuities that fund other plans, benefits are not available on an individual basis and a special limit of \$5,000,000 applies to the contract holder, regardless of the number of contracts held with the same company or number of persons covered by the plan. Coverage is dependent on plan sponsor having its principal place of business in Michigan. In all cases, of course, the contract limits also apply.

Exclusions from Coverage

Persons holding policies otherwise covered are **not** protected by MLHIGA if:

- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state); or
- the insurer was not authorized to do business in Michigan.

The Association also does **not** provide coverage for:

- any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed an average rate set by formula in the MLHIGA Act;
- dividends;
- obligations not arising from the express written terms of the policy or contract;
- insurer’s obligation to provide a book value accounting guaranty for defined contribution benefit plan participants by reference to a portfolio of assets owned by benefit plan;
- interest determined by external reference that has not been credited to the policy or is subject to forfeiture;
- employers' plans that are self-funded (that is, not fully insured by an insurance company, even if an insurance company administers them);

- unallocated annuity contracts, unless they fund a government lottery or a benefit plan of an employer, association or union, however, unallocated annuities issued to employee benefit plans protected by the federal Pension Benefit Guaranty Corporation are not covered. An unallocated annuity contract is an annuity contract or group annuity certificate which is not issued to and owned by an individual, except to the extent of an annuity benefit guaranteed to an individual by an insurer under the contract or certificate. The term shall also include, but not be limited to, guaranteed investment contracts and deposit administration contracts;
- policies issued by the following entities, even though licensed in Michigan: a nonprofit health care corporation, a health maintenance organization, a fraternal benefit society, a nonprofit dental care corporation (e.g. Delta Dental), a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, an insurance exchange, or an organization limited to the issuance of charitable gift annuities;
- a portion of a policy or contract to the extent that the assessments required by section 7709 of the MLHIGA Act for the policy or contract are preempted by federal or state law;
- a policy or contract providing any hospital, medical, prescription drug , or other health care benefits under Part C or Part D of Title XVIII of the Social Security Act, 42 USC 1395W-21 to 1395W-29 and 42 USC 1395W-101 to 1395W-152, or under regulations issued under Part C or Part D of Title XVIII of the Social Security Act, 42 USC 1395W-21 to 1395W-29 and 42 USC 1395W-101 to 1395W-152.
- MLHIGA **will not** provide duplicate coverage to **any** individual that is also covered by the laws of another state or another state's guaranty association.
