This Extension of Benefits is applicable only to the extent the Covered Person is not covered under the Policy or any other health insurance policy.

SCOPE OF COVERAGE

Please see the Scope of Coverage section in a Covered Person's Schedule of Benefits. There a Covered Person will find which of the following types of Accident coverage apply to the Covered Person's benefit plan.

24-Hour-A-Day Accident Coverage: A Covered Person is covered for Injury which is incurred on a 24-hour per day basis.

ACCIDENTAL DEATH AND DISMEMBERMENT, LOSS OF SIGHT, SPEECH AND HEARING BENEFIT

If, within 365 days from the date of a covered Accident, Injury from such covered Accident results in a loss covered by this benefit, We will pay the benefit in the amount set opposite such loss, as shown on the Schedule

of Benefits. If a Covered Person sustains more than one such loss as the result of the covered Accident, We will pay only one amount, the largest to which a Covered Person is entitled.

Loss of hand or foot means loss by severance at or above the wrist or ankle joint. Loss of sight means the total, permanent loss of sight of the eye. The loss of sight must be irrecoverable by natural, surgical or artificial means. Loss of speech means total, permanent and irrecoverable loss of audible communication. Loss of hearing means total and permanent loss of hearing in both ears which cannot be corrected by any means. Loss of a thumb and index finger means complete severance through or above the metacarpophalangeal joints (the joints between the fingers and the hand). Severance means the complete separation and dismemberment of the part from the body.

ACCIDENT MEDICAL EXPENSE BENEFITS

After the Deductible has been satisfied We will pay benefits, as defined and limited below, for Covered Charges incurred by a Covered Person due to Injury caused by a covered Accident.

Covered Charges are payable only for an Injury:

- for which the first treatment or service is incurred within the Initial Treatment Period; and
- for which expense for all treatment or service is incurred within the Benefit Period.

Covered Charges are shown on the Schedule of Benefits.

COORDINATION OF BENEFITS PROVISION

I. Applicability

- A. The following provisions are applied to determine which insurance Plan pays benefits first when a Covered Person is covered by two or more plans. A Plan that pays first is called "primary". All other plans are called "secondary".
- B. If these provisions apply, the order of benefit determination rules should be looked at first. Those rules determine whether the benefits of This Plan are determined before or after those of another plan. The benefits of This Plan:
 1. Shall not be reduced when, under the order of benefit determination rules, This Plan determines its benefits before another plan; but
 2. May be reduced when, under the order of benefits determination rules, another plan determines its benefits first. The above reduction is described in Section IV "Effect on the Benefits of This Plan."

II. Definitions

- A. "Plan" is any of these which provides benefits or services for, or because of, medical or dental care or treatment:
 1. Group insurance or group-type coverage, whether insured or uninsured. This includes prepayment, group practice or individual practice coverage. It also includes coverage other than school accident-type coverage.
 2. Coverage under a governmental plan, or coverage required or provided by law. This does not include a state plan under Medicaid (Title XIX, Grants to States for Medical Assistance Programs, of the United States Social Security Act (42 U.S.C.A. 301, et seq.), as amended from time to time).

Each contract or other arrangement for coverage under (1) or (2) is a separate plan. Also, if an

arrangement has two parts and COB rules apply only to one of the two, each of the parts is a separate plan.

- B. "This Plan" is the part of the group contract that provides benefits for health care expenses.
- C. "Primary Plan/Secondary Plan:" The order of benefit determination rules state whether This Plan is a Primary Plan or Secondary Plan as to another plan covering the person.

When This Plan is a Primary Plan, its benefits are determined before those of the other plan and without considering the other plan's benefits.

When This Plan is a Secondary Plan, its benefits are determined after those of the other plan and may be reduced because of the other plan's benefits.

When there are more than two plans covering the person, This Plan may be a Primary Plan as to one or more other plans, and may be a Secondary Plan as to a different plan or plans.

- D. "Allowable Expense" means a necessary, reasonable and customary item of expense for health care; when the item of expense is covered at least in part by one or more plans covering the person for whom the claim is made.

The difference between the cost of a private hospital room and the cost of a semi-private hospital room is not considered an Allowable Expense under the above definition unless the patient's stay in a private hospital room is medically necessary either in terms of generally accepted medical practice, or as specifically defined in the plan.

When a plan provides benefits in the form of services, the reasonable cash value of each service rendered will be considered both an Allowable Expense and a benefit paid.

- E. "Claim Determination Period" means a calendar year. However, it does not include any part of a year during which a person has no coverage under This Plan, or any part of a year before the date this COB provision or a similar provision takes effect.

III. Order of Benefit Determination Rules

- A. General. When there is a basis for a claim under This Plan and another plan, This Plan is a Secondary Plan which has its benefits determined after those of the other plan, unless;
 - 1. The other plan has rules coordinating its benefits with those of This Plan; and
 - 2. Both those rules and This Plan's rules, in Subsection B below, require that This Plan's benefits be determined before those of the other plan.
- B. Rules. This Plan determines its order of benefits using the first of the following rules which applies:
 - 1. Non-Dependent/Dependent. The benefits of the plan which covers the person as an employee, member or subscriber (that is, other than as a dependent) are determined before those of the plan which covers the person as a dependent; However, if the person is a Medicare beneficiary, and, as a result of the provisions of Title XVIII of the Social Security Act and implementing regulations, Medicare is:
 - a. Secondary to the plan covering the person as a dependent; and
 - b. Primary to the plan covering the person as other than a dependent (e.g. a retired employee), then the order of benefits is reversed so that the plan covering the person as an employee, member, subscriber or retiree is secondary and the other plan is primary.
 - 2. Dependent Child/Parents not Separated or Divorced. Except as stated in subsection (B)(3) below, when This Plan and another plan cover the same child as a dependent of different person, called "parents":
 - a. The benefits of the plan of the parent whose birthday falls earlier in a year are determined before those of the plan of the parent whose birthday falls later in that Year; but

- b. If both parents have the same birthday, the benefits of the plan which covered the parents longer are determined before those of the plan which covered the other parent for a shorter period of time.

However, if the other plan does not have the rule described in subsection (2)(a) immediately above, but instead has a rule based upon the gender of the parent, and if, as a result, the plans do not agree on the order of benefits, the rule in the other plan will determine the order of benefits.

3. Dependent Child/Separated or Divorced. If two or more plans cover a person as a dependent child of divorced or separated parents, benefits for the child are determined in this order:
 - a. First, the plan of the parent with custody of the child;
 - b. Then, the plan of the spouse of the parent with the custody of the child; and
 - c. Finally, the plan of the parent not having custody of the child.

However, if the specific terms of a court decree state that one of the parents is responsible for the health care expense of the child, and the entity obligated to pay or provide the benefits of the plan of that parent has actual knowledge of those terms, the benefits of that plan are determined first. The plan of the other parent shall be the Secondary Plan. This paragraph does not apply with respect to any Claim Determination Period or Plan year during which any benefits are actually paid or provided before the entity has that actual knowledge.

4. Dependent Child/Joint Custody. If the specific terms of a court decree state that the parents shall share joint custody, without stating that one of the parents is responsible for the health care expenses of the child, the plans covering the child shall follow the order of benefit determination rules outlined in Paragraph III subsection B(2) above.
5. Active/Inactive Employee. The benefits of a plan which covers a person as an employee who is neither laid off nor retired (or as that employee's dependent) are determined before those of a plan which covers that person as a laid off or retired employee (or as that employee's dependent). If the other plan does not have this rule, and if, as a result, the plans do not agree on the order of benefits, this Rule (4) is ignored.
6. Continuation coverage. If a person whose coverage is provided under a right of continuation pursuant to federal or state law also is covered under another plan, the following shall be the order of benefit determination:
 - a. First, the benefits of a plan covering the person as an employee, member or subscriber (or as that person's dependent);
 - b. Second, the benefits under the continuation coverage.

If the other plan does not contain the order of benefits determination described within this subsection, and if, as a result, the plans do not agree on the order of benefits, this requirement shall be ignored.

7. Longer/Shorter Length of Coverage. If none of the above rules determines the order of benefits, the benefits of the plan which covered an employee, member or subscriber longer are determined before those of the plan which covered that person for the shorter term.

IV. Effect on the Benefits of this Plan

- A. When This Section Applies. This Section IV applies when, in accordance with Section III "Order of Benefit Determination Rules," this Plan is a Secondary Plan as to one or more other plans. When this plan is secondary the plan liability is for the LESSER of The Balance of Billed Charges or What the plan would pay if primary. Such other plan or plans are referred to as "the other plans" in (B) immediately below.
- B. Reduction in this Plan's Benefits. The benefits of This Plan will be reduced when the sum of:
 1. The benefits that would be payable for the Allowable Expense under This Plan in the absence of this COB provision; and
 2. The benefits that would be payable for the Allowable Expenses under the other plans, in the absence of provisions with a purpose like that of this COB provision, whether or not claim is made; exceeds those Allowable Expenses in a Claim Determination Period. In that case, the benefits of This Plan will be reduced so that they and the benefits payable under the other plans do not total more than those Allowable Expenses.

When the benefits of This Plan are reduced as described above, each benefit is reduced in proportion. It is then charged against any applicable benefit limit of This Plan.

V. Right to Receive and Release Needed Information

Certain facts are needed to apply these COB rules. We have the right to decide which facts it needs. It may get needed facts from or give them to any other organization or person. We need not tell, or get the consent of, any person to do this. Each person claiming benefits under This Plan must give Us any facts it needs to pay the claim.

VI. Facility of Payment

A payment made under another plan may include an amount which should have been paid under This Plan. If it does, We may pay that amount to the organization which made that payment. That amount will then be treated as though it were a benefit paid under This Plan. We will not have to pay that amount again. The term "payment made" includes providing benefits in the form of services, in which case "payment made" means reasonable cash value of the benefits provided in the form of services.

VII. Right of Recovery

If the amount of the payments made by Us is more than it should have paid under this COB provision, it may recover the excess from one or more of:

- A. The persons it has paid or for whom it has paid;
- B. Insurance companies; or
- C. Other organizations.

The "amount of the payments made" includes the reasonable cash value of any benefits provided in the form of services.

CANCER LUMP SUM BENEFIT RIDER

This Rider is part of the Policy to which it is attached. It is issued in consideration of the application and payment of the required premium. It takes effect on the Effective Date shown above at 12:01 a.m. Standard Time where the Covered Person lives. If no date is shown above, it begins on the Policy's Effective Date.

TEN (10) DAY RIGHT TO RETURN THIS RIDER

If the Covered Person is not satisfied with this Rider, he or she may return it to Us within ten (10) days of its receipt. It may be returned to Us by mail or to the agent who sold it. We will then refund all premiums paid for this Rider and it will be void.

CANCER LUMP SUM BENEFIT DEFINITIONS

The following definitions and those applicable definitions contained in the Policy will apply wherever the terms are used in this Rider.

Benefit Eligibility Period for Pre-Existing Conditions means the period of time after the Effective Date of this Rider which must elapse before We will pay a benefit for a Pre-Existing Condition.

Cancer means a disease manifested by the presence of a malignancy characterized by the uncontrolled growth and abnormal spread of malignant cells and the invasion of body tissue by such malignant cells. Cancer includes Hodgkin's disease and leukemia. This definition excludes such cancers as:

1. Pre-malignant tumors or polyps;
2. Skin Cancer, except malignant melanoma; and
3. Cancer In Situ.

Cancer will not be a covered condition when advice or treatment is received within the Waiting Period, if any, or prior to the Effective Date, and such advice or treatment leads to the Diagnosis of Cancer. If tissue is extracted during the Waiting Period, if any, or prior to the Effective Date, and results in a Diagnosis of Cancer, this will not be a covered condition. If Cancer is Diagnosed and/or treated within the Waiting Period, or if medical advice is given within the Waiting Period which leads to the subsequent Diagnosis of Cancer after the Waiting Period, the Covered Person has the option to cancel the Rider and receive a refund of all premiums paid on this Rider. For the purposes of this Rider, the date of Diagnosis will be considered to be the earlier of the date of clinical Diagnosis or the date the specimen used to diagnose Cancer is taken.

Diagnosis/Diagnosed means the first time in which the earliest of the following occurs:

1. Cancer is initially Diagnosed by a pathologist. A pathological diagnosis must be based on a microscopic examination of fixed tissue or preparations from the hemic system (either during life or postmortem). The Doctor or Pathologist establishing the pathological diagnosis shall base his/her judgment solely on the malignancy after a study of the histocytologic architecture or suspect tumor, tissue or specimen.
2. Cancer is initially Diagnosed by clinical or non-pathological diagnosis, if diagnosis from tissue cannot be made, or where the patient has been advised by a Doctor that a diagnosis of Cancer

can be determined by clinical means. A clinical or non-pathological diagnosis of Cancer will only be accepted as an initial Diagnosis when it is not medically possible to attempt a pathological diagnosis. Proof that it is not medically possible to attempt a pathological diagnosis must be satisfactory to Us. We reserve the right to request additional information, an additional Doctor's or Pathologist's statement and/or examination by a Doctor or Pathologist of Our choice at Our expense.

Doctor, for the purposes of this Rider, means any licensed practitioner of the healing arts acting within the scope of his or her license in treating an injury or illness. It doesn't include the Covered Person or a Family Member.

Documented Medical Evidence includes but is not limited to appropriate radiology, diagnostic testing, laboratory testing, or physical examination by an Oncologist.

Oncologist means a Doctor, other than the Covered Person or Family Member, specializing in the diagnosis and treatment of Cancer.

Pathologist means a licensed Doctor, other than the Covered Person or a Family Member:

1. Specializing in the interpretation and diagnosis of changes caused by disease in tissue; and
2. Certified by the American Board of Pathology to practice Pathologic Anatomy; or
3. Certified by the Osteopathic Board of Pathology.

Pre-Existing Condition: A Pre-Existing Condition is a condition for which: (a) Medical advice or treatment was recommended by, or received from a Doctor, within the Pre-Existing Period shown above; or (b) symptoms existed which would cause an ordinarily prudent person to seek diagnosis, care or treatment within the Pre-Existing Period before the Effective Date of the Covered Person's coverage. Treatment includes being prescribed or taking prescription drugs or medicines. The Pre-Existing Period is shown in the Schedule of Benefits.

Positive Diagnosis (of Cancer) means a medical diagnosis of Cancer by a Doctor of Pathology. Diagnosis must be based on a microscopic examination of fixed tissue or preparations from the hemic system (either during life or postmortem.) We will accept a clinical diagnosis of Cancer when it is not medically possible to attempt a pathological diagnosis, or where the patient has been advised by a Doctor that a diagnosis of Cancer can be performed by clinical means. We reserve the right to request additional information, an additional Doctor's statement and/or examination by a Doctor of Our choice at Our expense.

Cancer will not be a covered condition when advice or treatment is received prior to the Effective Date, and such advice or treatment results in a Positive Diagnosis of Cancer. If tissue is extracted prior to the Effective Date, and results in a Positive Diagnosis of Cancer, this will not be a covered condition. The date of Positive Diagnosis is the earlier of the date of clinical Diagnosis or the date the specimen used to diagnose Cancer is taken.

Waiting Period means the number of days, if any, after this Rider's Effective Date before We will pay benefits for loss due to Cancer. If the Initial Diagnosis of Cancer is made during the Rider Waiting Period, the Covered Person has the option to cancel this Rider and receive a refund of all premiums paid.

BENEFIT PROVISIONS

Subject to all terms, conditions, definitions, limitations, exclusions, Waiting Period and other provisions of this Policy, benefits under this Policy are payable as follows:

Cancer Lump Sum Benefit: We will pay the Cancer Lump Sum Benefit if the Covered Person is Diagnosed with Cancer after this Rider's Effective Date of coverage and while this Rider is in force, subject to the Waiting Period, if any. The Cancer Lump Sum Benefit is shown in the Schedule of Benefits.

Benefits under this provision are limited to one (1) First Diagnosis Lump Sum Benefit payment per Covered Person's lifetime.

ELIGIBILITY FOR BENEFITS

CANCER DIAGNOSIS: In order for a benefit to become payable under the Policy, a Positive Diagnosis of Cancer must be performed in one of the following methods:

1. **Pathological Diagnosis:** A Diagnosis by a Pathologist from the results of a microscopic study of fixed tissue or blood samples.
2. **Clinical Diagnosis:** A clinical diagnosis based on the study of symptoms. We will accept a clinical diagnosis only when:
 - a. A pathological diagnosis is detrimental to the patient's health, or where the patient has been advised by a Doctor that a diagnosis of Cancer can be determined by clinical means;
 - b. There is medical evidence to support the diagnosis; and
 - c. A Doctor is treating the patient for Cancer.
3. **Other Diagnosis:** Pathologic interpretation of the histology of skin lesions will be accepted from dermatologists certified by the American Board of Dermatopathology. For lung Cancer, We will accept a cytology report in lieu of a pathology report.

PRE-EXISTING CONDITION LIMITATION

A Pre-Existing Condition is not eligible for benefits unless the Diagnosis occurs after this Rider Effective Date and the Waiting Period, if any, has expired. We will not pay benefits for a Pre-Existing Condition that is Diagnosed within the Pre-Existing Period stated in the Schedule of Benefits.

A Pre-Existing Condition is not covered unless the loss begins after the Benefit Eligibility Period for Pre-Existing Conditions has elapsed as stated in the Schedule of Benefits.

EXCLUSIONS

We will not pay benefits for:

1. A Positive Diagnosis of Cancer before the Effective Date of the Covered Person's coverage under the Policy;
2. Any loss due to injury, disease or incapacity, unless related to or attributable to Cancer as defined;
3. Any Cancer when advice or treatment is received during the Waiting Period or prior to the Effective Date, and such advice or treatment results in a Positive Diagnosis of Cancer. If tissue is extracted during the Waiting Period or prior to the Effective Date, and results in a Positive Diagnosis of Cancer, this will not be a covered condition. For the purposes of this Rider, the date of a Positive Diagnosis of Cancer will be considered to be the earlier of the date of clinical diagnosis or the date the specimen used to diagnose Cancer is taken. If a Positive Diagnosis of Cancer is made and/or Cancer is treated within the Waiting Period, OR if medical advice is given within the Waiting Period which leads to the subsequent Positive Diagnosis of Cancer

after the Waiting Period, the Insured has the option to cancel the Policy and receive a refund of all premiums paid on this Rider.

2. The date the Covered Person asks Us, in writing, to cancel this Rider;
3. The date the Covered Person attains age 65;
4. The date the Policy lapses for non-payment of premium; or
5. The date We have paid all benefits available under this Rider.

RENEWAL AND PREMIUM

This Rider is renewed when the Policy to which it is attached is renewed.

We can change the premium for this Rider if We change it for all riders like this one in the Covered Person's state on a class basis. Before any change in premium becomes effective, We will provide the Covered Person with advance written notice in the time stated in the Policy.

DEFINITIONS

The following definitions and those applicable definitions contained in the Policy will apply wherever the terms are used in the Rider.

Doctor, for the purposes of this Rider, means any licensed practitioner of the healing arts acting within the scope of his or her license in treating an injury or illness. It doesn't include the Covered Person, or a member of the Covered Person's Immediate Family.

Heart Attack means a myocardial infarction (irreversible injury and death of a portion of the heart muscle as a result of obstruction of one or more of the coronary arteries.) Diagnosis of a Heart Attack must be supported by three (3) or more of the following:

**SUMMARY OF THE LOUISIANA LIFE AND HEALTH
INSURANCE GUARANTY ASSOCIATION LAW AND
NOTICE CONCERNING COVERAGE
LIMITATIONS AND EXCLUSIONS**

Residents of Louisiana who purchase life insurance, annuities, or health insurance should know that the insurance companies licensed in this state to write these types of insurance are required by law to be members of the Louisiana Life and Health Insurance Guaranty Association (LLHIGA). The purpose of LLHIGA is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this happens, LLHIGA will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state, and in some cases, to keep coverage in force. However, the valuable extra protection provided by these insurers through LLHIGA is limited. As noted in the disclaimer below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

Disclaimer

The Louisiana Life and Health Insurance Guaranty Association provides coverage of claims under some types of policies if the insurer becomes impaired or insolvent. *COVERAGE MAY NOT BE AVAILABLE FOR YOUR POLICY.* Even if coverage is provided, there are significant limits and exclusions. Coverage is generally conditioned upon residence in this state. Other conditions may also preclude coverage.

Insurance companies and insurance agents are prohibited by law from using the existence of the association or its coverage to sell you an insurance policy.

You should not rely on the availability of coverage under the Louisiana Life and Health Insurance Guaranty Association when selecting an insurer.

The Louisiana Life and Health Insurance Guaranty Association or the Department of Insurance will respond to any questions you may have which are not answered by this document.

The state law that provides for this safety-net coverage is called the Louisiana Life and Health Insurance Guaranty Association Law (the law), and is set forth at R.S. 22:2081 et

seq. The following is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change any person's rights or obligations under the law or the rights or obligations of LLHIGA

COVERAGE

Generally, individuals will be protected by the Life and Health Insurance Guaranty Association if they live in this state and hold a direct non-group life, health, or annuity policy or contract, a certificate under a direct group policy or contract for a supplemental contract to any of these, or an unallocated annuity contract, issued by an insurer authorized to conduct business in Louisiana. The beneficiaries, payees or assignees of insured persons may also be protected as well even if they live in another state unless they are afforded coverage by the guaranty association of another state, or other circumstances described under the law are applicable.

EXCLUSIONS FROM COVERAGE

A person who holds a direct non-group life, health, or annuity policy or contract, a certificate under a direct group policy or contract for a supplemental contract to any of these, or an unallocated annuity contract is not protected by LLHIGA if:

1. He is eligible for protection under the laws of another state (This may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state.);
2. The insurer was not authorized to do business in this state;
3. His policy was issued by a profit or nonprofit hospital or medical service organization, an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, an insurance exchange, an organization that issues charitable gift annuities as is defined in R.S. 22:952(A)(3), or any entity similar to any of these.

LLHIGA also does not provide coverage for:

1. Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
2. Any policy of reinsurance (unless an assumption certificate was issued);
3. Interest rate or crediting rate yields, or similar factors employed in calculating changes in value, that exceed an average rate;
4. Dividends, premium refunds, or similar fees or allowances described under the Law;
5. Credits given in connection with the administration of a policy by a group contract holder;
6. Employers', associations' or similar entities' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them) or uninsured;
7. Unallocated annuity contracts (which give rights to group contract holders, not individuals), except unallocated annuity contracts and defined contribution

government plans qualified under section 403(b) of the United States Internal Revenue Code (26 U.S.C. §403(b));

8. An obligation that does not arise under the express written terms of the policy or contract issued by the insurer to the policy owner or contract owner, including but not limited to, claims described under the law;
9. A policy or contract providing any hospital, medical, prescription drug or other health care benefits pursuant to “Medicare Part C coverage” or “Medicare Part D coverage” and any regulations issued pursuant to those parts;
10. Interest or other changes in value to be determined by the use of an index or other external references but which have not been credited to the policy or contract or as to which the policy or contract owner’s rights are subject to forfeiture, as of the date the member insurer becomes an impaired or insolvent insurer, whichever is earlier.

LIMITS ON AMOUNTS OF COVERAGE

The Louisiana Life and Health Insurance Guaranty Association Law also limits the amount that LLHIGA is obligated to pay out. The benefits for which LLHIGA may become liable shall in no event exceed the lesser of the following:

1. LLHIGA cannot pay more than what the insurance company would owe under a policy or contract if it were not an impaired or an insolvent insurer.
2. For any one insured life, regardless of the number of policies or contracts there are with the same company, LLHIGA will pay a maximum of \$300,000 in life insurance death benefits, but not more than \$100,000 in net cash surrender and net cash withdrawal values for life insurance.
3. For any one insured life, regardless of the number of policies or contracts there are with the same company, LLHIGA will pay a maximum of \$500,000 in health insurance benefits, and LLHIGA will pay a maximum of \$250,000 in present value of annuities, including net cash surrender and net cash withdrawal values.

In no event, regardless of the number of policies and contracts there were with the same company, and no matter how many different types of coverages, LLHIGA shall not be liable to expend more than \$500,000 in the aggregate with respect to any one individual.

EFFECTIVE DATES OF COVERAGE

Insured

Your Effective Date of coverage is shown in the Schedule of Benefits.

Dependent, except Dependents Acquired After the Effective Date: The Effective Date of coverage for a Dependent is shown in the Schedule of Benefits. In no event will Dependent coverage become effective prior to the date Your coverage becomes effective. If a Dependent is Totally Disabled on the date on which he would become insured, his effective date will be delayed until 12:01 a.m. of the day following the date the Total Disability ends.

Total Disability/Totally Disabled means, with respect to a covered Dependent, hospital confinement. Hospital Confinement means confinement in a Hospital for at least 18 consecutive hours for which a room and board charge is made.

A person who qualifies as a Dependent on the Effective Date whom You choose not to have insured under this Certificate as of that date may become insured at a later date subject to payment of the required premium and Our approval of any satisfactory proof of good health which We may require. Coverage would take effective on the first day of the calendar month coinciding with or next following Our receipt of premium and any satisfactory proof of good health which We may require.

Newborn Children: Your newborn child is automatically covered from the moment of birth until such child is 31 days old. Adopted Child: Coverage for a child adopted by You is effective upon the earlier of the date of placement for the purpose of adoption or the date of the entry of an order granting You custody of the child for purposes of adoption. Coverage will continue unless the placement is disrupted prior to legal adoption and the child is removed from placement. However, You must notify Us in writing within 31 days of such adoption and pay the required additional premium, if any, in order to have coverage for the adopted child continue beyond such 31 day period.

Other Than Newborn or Adopted Child: A person who qualifies as a Dependent after the Effective Date of coverage may be insured under this Certificate. An application for insurance must be sent to Us within 31 days after the person first qualifies as a Dependent, and the required premium must be paid. Coverage takes effect as of the date the person first qualifies as a Dependent.

If the application for insurance is received more than 31 days after the person first qualifies as a Dependent, coverage will be effective on the first day of the calendar month coinciding with or next following Our receipt of premium and approval of any satisfactory proof of good health which We may require.

TERMINATION

The insurance on any Covered Person shall automatically terminate on the earliest of:

- The date the Policy terminates;
- The date the Death Benefit is paid;
- The first day of the month after the date the Covered Person ceases to be a member of a class eligible for coverage;
- The end of the Term Period as stated in the Schedule of Benefits;
- The Date Certificate Ends as stated in the Schedule of Benefits;
- Any Premium due date at which time We terminate the Policy with 30 days written notice; or
- On the premium due date that falls on or next follows the date You attain the Termination Age stated in the Schedule of Benefits.

CONVERSION PRIVILEGE

Your Conversion Privilege

You may convert Your coverage to a different individual policy if:

- Your coverage terminates or is reduced, while the Policy is in force, and one of the following applies:
 - a) You are no longer in a class eligible for coverage; or
 - b) You change from one eligible class to another providing lower benefits.

The amount of life insurance may not exceed the amount terminated under the Policy.

- You have been continuously insured under the Policy for at least 5 years and Your coverage terminates because the Policy terminates, or the Policy is amended so as to terminate insurance for Your class.

The amount of insurance for this converted policy will be the lesser of:

- a) \$10,000; or
- b) The amount for which You were insured under the Policy.

You may not exercise this Conversion Privilege if Your coverage ends due to Your request to end Your coverage or membership in an eligible class.

To convert Your coverage You must:

Make written application to Us within 31 days after Your insurance ends; and

- Include the first premium payment with Your application. The premium will be based on the rates filed by Us for the policy to be issued. It will also be based on Your attained age and class of risk, and the amount of insurance.

When We receive Your written application and first premium payment, We will issue to You an individual life insurance policy. The issuance of the policy will be subject to the following conditions:

- No proof of insurability is needed;
- The individual policy will be on one of the forms, that We issue for conversion coverage; and
- The individual policy may not contain disability, accidental death and dismemberment or other supplementary benefits.

Any individual policy issued under this Conversion Privilege will be in lieu of all other benefits under this Certificate.

If You die within the 31-day conversion period, We will pay, upon receipt of proof of Your death, the amount of Your life insurance that You were entitled to convert. The claim will be paid under the Group Policy, even if the application or payment of the first premium for the individual policy has not been made.

If You have converted Your coverage to an individual policy, You will not have to surrender Your conversion policy if You become insured again under this Certificate. If You once again become ineligible for coverage under this Certificate, You will not be able to convert Your coverage a second time if Your original individual conversion policy is still in force.

We will notify You in writing of Your rights to convert Your coverage under this Certificate. If the notice is not received within 31 days after Your insurance terminates, the application period for conversion may be extended for an additional 60 days. In no event will the application period exceed 91 days following the date of Your termination.

Dependents Conversion Privilege

Your Dependent may convert his coverage to an individual policy if:

- Your Dependent's coverage terminates or reduced, while this Certificate is in force, and one of the following applies:
 - (a) You are no longer in an Eligible Class;
 - (b) You are no longer in a class eligible for Dependent coverage;
 - (c) You die; or
 - (d) He ceases to be a Dependent, as defined.

The amount of life insurance may not exceed the amount for which Your Dependent was insured under this Certificate.

- Your Dependent has been continuously insured under this Certificate for at least 5 years and his coverage terminates because this Certificate terminates, or this Certificate is amended so as to terminate insurance for his class.
- The amount of insurance for this insurance certificate will be the lesser of:
 - (a) \$10,000; or
 - (b) The amount for which Your Dependent was insured under this Certificate. The amount will be reduced by any amount for which Your Dependent is or becomes eligible under any group life insurance policy within 31 days of termination.

To convert his Life Insurance coverage Your Dependent must:

- Make written application to Us within:
 - (a) 60 days of the termination of his insurance due to Your death; or
 - (b) 31 days of the termination of his insurance in all other cases.
- Include the first premium payment with his application. The premium will be based on the rates filed by Us for the policy to be issued. It will also be based on his attained age and class of risk, and the amount of insurance.

When we receive Your Dependent's written application and first premium payment, We will issue to him an individual life insurance policy. The issuance of the policy will be subject to the following conditions:

- No proof of insurability is needed;
- The individual policy will be on one of the forms, that We issue for conversion coverage; and
- The individual policy may not contain disability, accidental death and dismemberment or other supplementary benefits.

Any individual policy issued under this Conversion Privilege will be in lieu of all other benefits under this Certificate.

If Your Dependent dies within the 31-day conversion period, We will pay, upon receipt of proof of Your Dependent's death, the amount of life insurance that Your Dependent was entitled to convert. The claim will be paid under the Group Policy, even if the application or payment of the first premium for the individual policy has not been made.

If Your Dependent has converted his coverage to an individual policy, he will not have to surrender such policy if he becomes insured again under this Certificate. If Your Dependent once again becomes ineligible for coverage under this Certificate, he will not be able to convert his coverage a second time if his original individual conversion policy is still in force.

We will notify Your Dependent in writing of his rights to convert his coverage under this Certificate. If the notice is not received within 31 days after insurance terminates, the application period for conversion may be extended for an additional 60 days. In no event will the application period exceed 91 days following the date of his termination.

PREMIUMS

Payment Of Premiums: Premium must be paid on or before the date they are due. We must agree upon the mode of Your payment.

Premiums: The Schedule of Benefits shows the Premium for this Certificate, if any, and any optional benefits attached on the Certificate Date. You may pay this Premium at Our Home Office or to Our authorized designee.

The First Premium is due on or before the Certificate Date. Each later Premium is due on or before the end of the period covered by the preceding Premium. The Premiums are payable until the end of the First Term Period, or until the Covered Person's death. The First Term Period is shown in the Schedule of Benefits.

(renewable term)

Renewal Privilege: This Certificate may be renewed until the earlier of the date the Group Policy ends or the end of the First Term Period and any later term period until the Date Certificate Ends. To renew, just send Us the applicable renewal Premium within 31 days after the end of the preceding term period and while coverage under the Policy is in force. The renewal Premium is shown in the Table of Renewable Term Premiums. The Date Certificate Ends is shown in the Schedule of Benefits.

(renewable term)

Grace Period: A grace period of 31 days will be allowed for each Premium payment after the first Premium payment. Coverage will stay in force during this time unless We, the Policyholder or You have given written notice of an earlier termination date. Coverage under this Certificate will terminate as of the date Premium was due if Premium has not been paid. All unpaid premium must be paid in order for coverage to continue. This includes the Premium due for the grace period. If any Covered Person dies within the Grace Period, any unpaid Premium will be deducted from the Death Benefit.

If cancellation is during the grace period, the pro rata Premium for that part of the grace period coverage was in force must be paid.

Reinstatement: If this Certificate lapses due to non payment of premiums, it may be reinstated, provided the Policy is in force and You are an Eligible Person. Reinstatement is subject to the following conditions:

- You must submit a written request and application within 5 years after the date of lapse.
- We must approve the application for reinstatement, and We may require proof of insurability acceptable to Us.
- You must pay all past due Premiums with interest compounded annually. The Certificate Reinstatement Interest Rate will not be more than the rate shown in the Schedule of Benefits.

Coverage under any reinstated Certificate will not begin until the monthly Certificate Anniversary date on or after the date We approve the application for reinstatement.

DEATH BENEFIT

We will pay a Death Benefit to the Beneficiary if a Covered Person dies while this Certificate is in force and before the Date Certificate Ends as shown in the Schedule of Benefits. Subject to the terms and provisions of this Certificate, the Death Benefit will be the amount of life insurance payable as shown on the Schedule of Benefits.

(renewable term)

SUICIDE EXCLUSION

If a Covered Person dies as the result of suicide or any attempt at suicide, while sane or insane within two years of his Effective Date of coverage, We will be liable only for an amount equal to the Premium paid.

With respect to an increase in the amount of insurance, We will consider the two year period to begin as of the effective date of such increase.

Our return of such Premium will be in lieu of all other benefits under this Certificate which may have been payable for that Covered Person.

ACCIDENTAL DEATH BENEFIT

If, within 90 days from the date of an Accident which occurs while coverage is in force, Injury from such Accident results in a loss covered by this benefit, We will pay the benefit in the amount set opposite such loss, as shown on the Schedule of Benefits. If more than one such loss is sustained as the result of one Accident, We will pay only one amount, the largest to which the Covered Person is entitled.

This benefit is subject to all the terms, conditions and exclusions of this Certificate.

If no Beneficiary(ies) survive You, all interest of the Beneficiary(ies) will pass to You. We may rely on affidavits or other evidence in identifying the persons in any class named as Beneficiary. Any payment We make in good faith based on an affidavit or other evidence shall satisfy to that extent what We owe on this Certificate.

Change in Owner or Beneficiary: Unless this Certificate provides otherwise, while You are living, You or the Beneficiary(ies), or both, may be changed by filing with Us a signed written request for such change. If the designation to be changed is irrevocable, You must also provide the written consent of the current Beneficiary. The change will not take effect until recorded by Us at Our Home Office. Once recorded, the change will be effective as of the date the request was signed and will have no effect on any payment made by Us before recording it.

PAYMENT OF CLAIMS

To Whom Benefits Are Payable:

Dependent Death Benefits will be paid in a lump sum to You. If You should die before receiving the insurance proceeds, We will pay them to Your estate.

If a Beneficiary dies simultaneously with You, or within 10 days of Your death, Benefits will be paid as if You survived Your Beneficiary.

If You name more than one Beneficiary and do not specify the amounts, percentage shares, or order of payment of the Beneficiaries, any proceeds that become payable under this Certificate will be divided equally among all Beneficiaries. The share of any Beneficiary who has died before You will go equally to the surviving Beneficiaries, unless Your Beneficiary designation states otherwise.

If a Beneficiary is a minor or is not legally competent, We may, at Our option, pay up to \$2,000 to the person or entity that has in Our opinion assumed custody and main support of such person. We will do this until the Beneficiary's legal guardian makes a formal claim.

At Our option, We may pay a part of the Death Benefit to any person who has incurred funeral or other expenses on Your behalf incident to Your last sickness and death. The maximum amount of such payment is limited to \$250.

Any payment made by Us in good faith, will fully discharge Our liability to the extent of such payment.

No Valid Beneficiary Designation In Effect At The Time Of Your Death: Your death proceeds will be paid to Your estate if:

- You die without naming a Beneficiary; or
- All of Your Beneficiaries have died before You.

If payment would otherwise be payable to Your estate due to the above, We have the right to pay all or a part of the benefit to the first of the following classes of surviving relatives: Your spouse; Your children; Your parents; or Your siblings.

Any payment made by Us in good faith, will fully discharge Our liability to the extent of such payment.

SINGLE LUMP SUM PAYMENT.

Single Lump Sum Payment: We will pay the Death Benefit in a single lump sum payment, unless otherwise agreed. We will pay the benefits at Our Home Office. This Certificate must be turned in to Us when We pay the benefit.

Interest on Single Lump Sum Payment: We will add interest to Our single lump sum payment. Interest will begin to accrue twenty (20) days from the date of receipt of due proof of the Covered Person's death. The interest rate will be calculated at the same rate paid on deposits with Us.

GENERAL PROVISIONS

Entire Contract; Changes: The Policy, including this Certificate, endorsements and the attached papers, if any, constitutes the entire contract of insurance. No change in the Policy shall be valid until approved by an executive officer of the Company and unless such approval is noted on or attached to the Policy. No agent has authority to change the Policy or waive any of its provisions.

Failure by Us to enforce any Policy provision shall not waive, modify or render such provision unenforceable at any other time; at any given time; or under any given set of circumstances, whether the circumstances are or are not the same.

Incontestability: All statements made in an enrollment form by You are representations and not warranties. No statement shall be used to contest this Certificate, the validity of coverage or reduce benefits, unless it is in writing, signed by You, and a copy of such statement is furnished to You.

After a Covered Person's coverage has been in force for 2 years under this Certificate, no statement of that Covered Person shall be used to void his insurance or to deny or reduce a claim for loss incurred after the 2 year period, except non-payment of premium.

Any reinstatement for which We require an application showing insurability will be incontestable after this Certificate has been in force during the Insured's lifetime for 2 years from the effective date of the reinstatement. Any contest of a reinstatement will be based on statements made in the application for the reinstatement.

Proof of Death: Any Death Benefit payable will be paid within 60 days after We receive due proof of the Covered Person's death, and if We fail to do so without just cause, the amount due shall bear interest at the rate of 8 percent per annum from the date of receipt of due proof of death by Us until paid. Such proof must be sent to Our Home Office in Glenview, Illinois. Claim forms will be made available to the Beneficiary upon request.

Misstatement of Age: If the age of any Covered Person has been misstated, there shall be an equitable adjustment of Premium. If the amount of insurance for the Covered Person, in accordance with the terms of this Certificate, would be affected by the misstatement of age, the amount of insurance shall be adjusted to the amount to which the Covered Person would have been entitled at his correct age and the adjustment in Premiums shall be based on the adjusted amount of insurance. The Policyholder or You will be required to pay any additional Premium.

Assignment: You may assign Your rights under this Certificate. The assignment must be in writing and filed at Our Home Office. The assignment will not take effect until filed and acknowledged by Us. The assignment will be effective as of the date the request was filed and will have no effect on any payment made by Us before the assignment was filed.

Unless specifically provided otherwise, any such assignment will operate to revoke and remove the interest of all beneficiaries previously designated by You. It will also automatically operate to designate the assignee as Your beneficiary.

Any benefits which become payable to an assignee will be payable in a lump sum. Any claim made by an assignee will be subject to proof of the assignee's interest and the extent of the assignment.

We will assume no responsibility for the validity or sufficiency of any such assignment.

Non-Participating

This Certificate is non-participating. It does not share in the Company's profits or surplus earnings.

Physical Examination and Autopsy: We, at Our own expense, shall have the right and opportunity to examine the Covered Person as it may reasonably require while a claim is pending. We, at Our own expense, may also have the right to make an autopsy in the case of death, where it is not prohibited by law.

**SUMMARY OF THE LOUISIANA LIFE AND HEALTH
INSURANCE GUARANTY ASSOCIATION LAW AND
NOTICE CONCERNING COVERAGE
LIMITATIONS AND EXCLUSIONS**

Residents of Louisiana who purchase life insurance, annuities, or health insurance should know that the insurance companies licensed in this state to write these types of insurance are required by law to be members of the Louisiana Life and Health Insurance Guaranty Association (LLHIGA). The purpose of LLHIGA is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this happens, LLHIGA will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state, and in some cases, to keep coverage in force. However, the valuable extra protection provided by these insurers through LLHIGA is limited. As noted in the disclaimer below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

Disclaimer

The Louisiana Life and Health Insurance Guaranty Association provides coverage of claims under some types of policies if the insurer becomes impaired or insolvent. *COVERAGE MAY NOT BE AVAILABLE FOR YOUR POLICY.* Even if coverage is provided, there are significant limits and exclusions. Coverage is generally conditioned upon residence in this state. Other conditions may also preclude coverage.

Insurance companies and insurance agents are prohibited by law from using the existence of the association or its coverage to sell you an insurance policy.

You should not rely on the availability of coverage under the Louisiana Life and Health Insurance Guaranty Association when selecting an insurer.

The Louisiana Life and Health Insurance Guaranty Association or the Department of Insurance will respond to any questions you may have which are not answered by this document.

The state law that provides for this safety-net coverage is called the Louisiana Life and Health Insurance Guaranty Association Law (the law), and is set forth at R.S. 22:2081 *et seq.* The following is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change any person's rights or obligations under the law or the rights or obligations of LLHIGA.

COVERAGE

Generally, individuals will be protected by the Life and Health Insurance Guaranty Association if they live in this state and hold a direct non-group life, health, or annuity policy or contract, a certificate under a direct group policy or contract for a supplemental contract to any of these, or an unallocated annuity contract, issued by an insurer authorized to conduct business in Louisiana. The beneficiaries, payees or assignees of insured persons may also be protected as well even if they live in another state unless they are afforded coverage by the guaranty association of another state, or other circumstances described under the law are applicable.

(over)

EXCLUSIONS FROM COVERAGE

A person who holds a direct non-group life, health, or annuity policy or contract, a certificate under a direct group policy or contract for a supplemental contract to any of these, or an unallocated annuity contract is not protected by LLHIGA if:

- (1) He is eligible for protection under the laws of another state (This may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state.);
- (2) The insurer was not authorized to do business in this state;
- (3) His policy was issued by a profit or nonprofit hospital or medical service organization, an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, an insurance exchange, an organization that issues charitable gift annuities as is defined in R.S. 22:952(A)(3), or any entity similar to any of these.

LLHIGA also does not provide coverage for:

- (1) Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- (2) Any policy of reinsurance (unless an assumption certificate was issued);
- (3) Interest rate or crediting rate yields, or similar factors employed in calculating changes in value, that exceed an average rate;
- (4) Dividends, premium refunds, or similar fees or allowances described under the Law;
- (5) Credits given in connection with the administration of a policy by a group contract holder;
- (6) Employers', associations' or similar entities' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them) or uninsured;
- (7) Unallocated annuity contracts (which give rights to group contract holders, not individuals), except unallocated annuity contracts and defined contribution government plans qualified under section 403(b) of the United States Internal Revenue Code (26 U.S.C. §403(b));
- (8) An obligation that does not arise under the express written terms of the policy or contract issued by the insurer to the policy owner or contract owner, including but not limited to, claims described under the law;
- (9) A policy or contract providing any hospital, medical, prescription drug or other health care benefits pursuant to "Medicare Part C coverage" or "Medicare Part D coverage" and any regulations issued pursuant to those parts;
- (10) Interest or other changes in value to be determined by the use of an index or other external references but which have not been credited to the policy or contract or as to which the policy or contract owner's rights are subject to forfeiture, as of the date the member insurer becomes an impaired or insolvent insurer, whichever is earlier.

LIMITS ON AMOUNTS OF COVERAGE

The Louisiana Life and Health Insurance Guaranty Association Law also limits the amount that LLHIGA is obligated to pay out. The benefits for which LLHIGA may become liable shall in no event exceed the lesser of the following:

- (1) LLHIGA cannot pay more than what the insurance company would owe under a policy or contract if it were not an impaired or an insolvent insurer.
- (2) For any one insured life, regardless of the number of policies or contracts there are with the same company, LLHIGA will pay a maximum of \$300,000 in life insurance death benefits, but not more than \$100,000 in net cash surrender and net cash withdrawal values for life insurance.
- (3) For any one insured life, regardless of the number of policies or contracts there are with the same company, LLHIGA will pay a maximum of \$500,000 in health insurance benefits, and LLHIGA will pay a maximum of \$250,000 in present value of annuities, including net cash surrender and net cash withdrawal values.

In no event, regardless of the number of policies and contracts there were with the same company, and no matter how many different types of coverages, LLHIGA shall not be liable to expend more than \$500,000 in the aggregate with respect to any one individual.
