Written or authorized electronic/telephonic notice must be given to Us or Our authorized representative within 90 days after a Covered Person's loss or as soon as reasonably possible thereafter. If written or authorized electronic/telephonic notice is not given in that time, the claim will not be invalidated or reduced if it is shown that notice was given as soon as was reasonably possible. Notice can be given at Our Home Office in New York, New York, such other place as We may designate for the purpose, or to Our authorized representative. Notice should include the Policyholder's name and policy number and the Covered Person's name and address.

Claim Forms

We will send forms to the claimant for filing proof of loss when We receive the notice of claim. If claim forms are not sent within 15 days after We receive notice, the proof requirements will be met by the claimant upon submitting, within the time fixed in this Certificate for filing proof of loss, written or authorized electronic proof of the nature and extent of the loss for which claim is made.

Proof of Loss

Written or authorized electronic proof of loss satisfactory to Us must be given to Us at Our Home Office or to Our authorized representative, within 90 days of the loss for which claim is made. Failure to furnish proof within the time required will not invalidate or reduce a claim if it is shown that such notice was given as soon as reasonably possible. In any case, written or authorized electronic proof must be given not more than one year after the time it is otherwise required, except if proof is not given solely due to the lack of legal capacity.

Time of Payment of Claims

We will pay benefits due under this Certificate for any loss immediately upon receipt of due written or authorized electronic proof of such loss. Any balance remaining unpaid at the termination of liability will be paid immediately upon receipt of proof satisfactory to Us, unless otherwise stated in this Certificate.

If the payee has no legal guardian for His property, a payment not exceeding \$1,000 may be made at Our option to any relative by blood or connection by marriage of the payee who has submitted reliable documentary evidence and, in Our opinion, has assumed the custody and support of the minor or responsibility for the incompetent person's affairs. Any payment We make in good faith fully discharges Our liability to the extent of the payment made.

If the Covered Person provides Us with a written release to do so, we may, at Our option, pay benefits directly to the institution or person rendering treatment or services covered under the Policy.

Physical Examination and Autopsy

We, at Our own expense, have the right and opportunity to examine a Covered Person when and as often as We may reasonably require while a claim is pending and to make an autopsy in case of death where it is not forbidden by law.

2. A reduction of any amounts payable under the Policy.

If there is an overpayment due when the Covered Person dies, We may recover the overpayment from the Covered Person's estate.

Premium Payment

The total premium paid by the Policyholder is the sum of premiums for all Covered Persons including any amounts contributed toward the cost of the coverage by Covered Persons. The initial premium is due on the Policy Effective Date and each succeeding premium is due on the next succeeding Premium Due Date, as shown in the *Schedule of Benefits*, unless the Policyholder and We agree to another mode of premium payment. Premiums are paid at Our Home Office or to Our authorized representative.

If any premium is not paid when due, the Policy will be cancelled as of the Premium Due Date of the unpaid premium, except as provided in the Grace Period provision.

The Policy, the Policyholder's Application, and any attached Riders or Amendments along with this Certificate make up the entire contract. A copy of the Primary Covered Person's Enrollment Form will also be attached.

If premiums for a Covered Person are based on age and the Covered Person's age has been misstated, there will be a fair adjustment of premiums based on His true age. If the benefits for which the Covered Person is insured are based on age and the Covered Person's age has been misstated, there will be an adjustment of said benefit based on His true age. We may require satisfactory proof of age before paying any claim.

Assignment

The rights and benefits under this Policy may not be assigned and any attempt to assign will be void.

This insurance may not be levied on, attached, garnished, or otherwise taken for a person's debts unless contrary to law.

Incontestability

In the absence of fraud, all statements You have made to obtain insurance under the Policy are considered representations and not warranties. No statement will be used to deny or reduce benefits or be used as a defense to a claim, unless a copy of the instrument containing the statement is, or has been, furnished to the claimant.

After three years from Your effective date of insurance, or from the effective date of increased benefits, no such statement will cause insurance or the increased benefits to be contested except for fraud or lack of eligibility for insurance.

In the event of death or incapacity, Your representative shall be given a copy.

Conformity with State Statutes

Any provision of the Policy and any Certificate, which, on its effective date, is in conflict with the statutes of the state in which the Policy or Certificate is delivered, is hereby amended to conform to the minimum requirements of those statutes.

Clerical Error

Clerical error, whether by the Policyholder or Us, will not void the insurance of any Covered Person if that insurance would otherwise have been in effect or extend the insurance of any Covered Person if that insurance would otherwise have ended or been reduced as provided in the Policy.

Workers' Compensation Insurance

The Policy is not in place of and does not affect any requirements for coverage under any Workers' Compensation law.

CRITICAL ILLNESS BENEFITS

We will pay the benefits shown in the *Schedule of Benefits*, to a Covered Person who is diagnosed by a Physician with a Critical Illness in any of the Categories listed below, subject to all applicable conditions, exclusions and limitations, provided that:

Covered Critical Illness Benefits will be paid subject to:

1. any age reductions to the Amount of Insurance applicable to the Covered Person as shown in the *Schedule of Benefits*.

1. displays new EKG changes consistent with and supporting the diagnosis of a Heart Attack;
2. exhibits elevation of cardiac biomarkers / enzymes (such as Troponin and Creatine Kinase) above generally accepted laboratory levels of normal (in case of CPK, a CPK-MB measurement must be used); and

If coverage under this Certificate replaces a prior plan of critical illness insurance sponsored by the Policyholder and the Covered Person does not satisfy this Certificate's Pre-existing Condition Limitation, but can satisfy their prior plan's pre-existing condition limitation giving credit for all time insured under both policies, then We will pay the lesser of:

CLAIM PROVISIONS

Notice of Claim

Written or authorized electronic/telephonic notice must be given to Us or Our agent within 31 days after a Covered Accident occurs or the loss begins or as soon as reasonably possible, but in no case any longer than 15 months after the date of loss. If written or authorized electronic/telephonic notice is not given in that time, the claim will not be invalidated or reduced if it is shown that notice was given as soon as was reasonably possible. Notice can be given at Our Home Office in New York, New York, such other place as We may designate for the purpose, or to Our authorized agent. Notice should include the Policyholder's name and policy number and the Covered Person's name and address.

Claim Forms

We send forms for filing proof of loss when We receive the notice of claim. If claim forms are not sent within 15 days after We receive notice, the proof requirements will be met by submitting, within the time fixed in this Policy for filing proof of loss, written or authorized electronic proof of the nature and extent of the loss for which claim is made.

Claimant Cooperation Provision

Failure of a claimant to cooperate with Us in the administration of the claim may result in termination of the claim. Such cooperation includes, but is not limited to, providing any information or documents needed to determine whether benefits are payable or the actual benefit amount due.

Proof of Loss

Written or authorized electronic proof of loss satisfactory to Us must be given to Us at Our office, within 90 days of the loss for which claim is made. If: (a) benefits are payable as periodic payments; and (b) each payment is contingent upon continuing loss, then proof of loss must be submitted within 90 days after the termination of each period for which We are liable. If written or authorized electronic notice is not given within that time, no claim will be invalidated or reduced if it is shown that such notice was given as soon as reasonably possible. In any case, written or authorized electronic proof must be given not more than one year after the time it is otherwise required, except if proof is not given solely due to the lack of legal capacity.

Time of Payment of Claims

We will pay benefits due under this Policy for any loss, other than a loss for which this Policy provides any periodic payment, immediately upon receipt of due written or authorized electronic proof of such loss. Subject to due written or authorized electronic proof of loss, all accrued benefits for loss for which this Policy provides periodic payment will be paid monthly unless otherwise specified in the benefit descriptions. Any balance remaining unpaid at the termination of liability will be paid immediately upon receipt of proof satisfactory to Us, unless otherwise stated in this Policy.

Payment of Claims

All benefits will be paid in United States currency. Benefits for loss of life will be payable in accordance with the Beneficiary provision and these Claim Provisions. All other proceeds payable under this Policy, unless otherwise stated, will be payable to You or to Your estate. If any payee of benefits is a minor or otherwise legally incompetent, we will pay benefits to the person designated as his legal guardian or conservator.

If the amount of any benefit payable is determined based on benefits payable under another Health Care Plan, We have the right to require You to provide information about that Plan and benefits paid or payable for the same claim before We pay benefits. We may, at Our option, pay any accident medical benefits directly to a health care provider that renders services to You, unless You request in writing when submitting the claim that such payment not be made to the provider.

If We are to pay benefits to the estate or to a person who is incapable of giving a valid release, We may pay \$1,000 to a relative by blood or marriage whom We believe is equitably entitled. Any payment made by Us in good faith pursuant to this provision will fully discharge Us to the extent of such payment and release Us from all liability for that payment.

Beneficiary

The beneficiary is the person or persons You name or change on a form You execute and which is satisfactory to Us. This form may be in writing or by any electronic means agreed upon between Us and the Policyholder. Consent of the beneficiary is not required to affect any changes, unless the beneficiary has been designated as an irrevocable beneficiary, or to make any assignment of rights or benefits permitted by this Policy.

A beneficiary designation or change will become effective on the date You execute it. However, We will not be liable for any action taken or payment made before We record notice of the change at our Home Office.

If more than one person is named as beneficiary, the interests of each will be equal unless You have specified otherwise. The share of any beneficiary who does not survive You will pass equally to any surviving beneficiaries unless otherwise specified.

If there is no named beneficiary or surviving beneficiary, or if You die while benefits are payable to You, We may make direct payment to the first surviving class of the following classes of persons:

1. Spouse;
2. Child or Children;
3. parents;
4. siblings;
5. Your estate.

Conditional Claim Payment

If You incur expenses for Covered Injuries received in a Covered Accident and it is likely a third party may be liable, We will pay benefits if:

1. You first agree in writing to refund the lesser of:
 - a. the amount We actually paid for such expenses; and
 - b. the amount actually received from the third party regardless of whether the amount is for such expenses; and
2. the third party's liability is determined and satisfied whether by settlement, judgment, arbitration or otherwise. However, if the third party's liability is satisfied in an amount less than the benefits paid under this Policy, We will pay the difference.

Physical Examination and Autopsy

We, at Our own expense, have the right and opportunity to examine You when and as often as We may reasonably require while a claim is pending and to make an autopsy in case of death where it is not forbidden by law.

Legal Actions

No action at law or in equity will be brought to recover benefits under this Policy less than 60 days after satisfactory proof of loss has been furnished as required by this Policy. No such action will be brought more than three years after the time such written proof of loss must be furnished.

Recovery of Overpayment

If benefits are overpaid, We have the right to recover the amount overpaid by either of the following methods.

1. A request for lump sum payment of the overpaid amount.
2. A reduction of any amounts payable under this Policy.

If there is an overpayment due when You die, We may recover the overpayment from Your estate.

Subrogation

We have the right to recover all payments, including future payments, which We have made, or will be obligated to pay in the future, to You from anyone liable for the Covered Loss. If You recover from anyone liable for the Covered Loss, We will be reimbursed first from such recovery to the extent of Our payments to You. You agree to assist Us in preserving Our rights against those responsible for such loss, including but not limited to, signing subrogation forms supplied by Us.

ADMINISTRATIVE PROVISIONS

Premiums

Premium rates are expressed in, and premiums are payable in, United States currency. Any premiums You are required to contribute will be based on the rates set forth in the *Premium Rate Table*, the plan and amounts of insurance in effect You and the premium mode shown in the *Schedule of Benefits*.

No agent has authority to change this Certificate or the Policy under which it is issued, or to waive any of its provisions.

Misstatement of Age

If the You or Policyholder has misstated the ages of Covered Persons, all amounts payable under this Certificate will be such as the premium paid would have purchased had the ages been correctly stated.

Assignment

We will be bound by an assignment of Your insurance only when the original assignment or a certified copy of the assignment, signed by You and any irrevocable beneficiary, is filed with Us. The assignee may exercise all rights and receive all benefits assigned only while the assignment remains in effect and insurance under Your Certificate remains in force.

This insurance may not be levied on, attached, garnished, or otherwise taken for a person's debts unless contrary to law.

Incontestability Of Your Insurance

All statements You made are considered representations and not warranties. No statement will be used to deny or reduce benefits or be used as a defense to a claim, unless a copy of the instrument containing the statement is, or has been, furnished to the claimant.

After two years from Your effective date of insurance, or from the effective date of increased benefits, no such statement will cause insurance or the increased benefits to be contested except for fraud or lack of eligibility for insurance.

In the event of death or incapacity, the beneficiary or representative shall be given a copy.

30 Day Right To Examine Certificate

If You do not like the Certificate for any reason, it may be returned to Us within 30 days after receipt. We will return any premium that has been paid, and the Certificate will be void as if never issued.

The Policy under which this Certificate is issued will be available for inspection at the Policyholder's office during regular business hours.

**SUMMARY OF GENERAL PURPOSES, COVERAGE LIMITATIONS
AND CONSUMER PROTECTION**

General Purposes

Residents of the District of Columbia should know that licensed insurers who sell health insurance, life insurance, and annuities in the District of Columbia are members of the District of Columbia Life and Health Insurance Guaranty Association ("Guaranty Association").

The purpose of the Guaranty Association is to provide statutorily-determined benefits associated with covered policies and contracts in the unlikely event that a member insurer is unable to meet its financial obligations and is found by a court of law to be insolvent. When a member insurer is found by a court to be insolvent, the Guaranty Association will assess the other member insurers to satisfy the benefits associated with any outstanding covered claims of persons residing in the District of Columbia. However, the protection provided through the Guaranty Association is subjected to certain statutory limits explained under "Coverage Limitations" section, below. In some cases, the Guaranty Association may facilitate the reassignment of policies or contracts to other licensed insurance companies to keep the coverage in-force, with no change in contractual rights or benefits.

Coverage

The Guaranty Association, established pursuant to the Life and Health Guaranty Association Act of 1992 ("Act"), effective July 22, 1992 (D.C. Law 9-129; D.C. Official Code § 31-5401 *et seq.*), provides insolvency protection for certain types of insurance policies and contracts.

The insolvency protections provided by the Guaranty Association is generally conditioned on a person being 1) a resident of the District of Columbia and 2) the individual insured or owner under a health insurance, life insurance, or annuity contract issued by a member insurer, or insured under a group policy insurance contract issued by a member insurer. Beneficiaries, payees, or assignees of District insureds are also covered under the Act, even if they reside in another state.

Coverage Limitations

The Act also limits the amount the Guaranty Association is obligated to pay. The benefits for which the Guaranty Association may become liable shall be limited to the lesser of:

- The contractual obligations for which the insurer is liable or for which the insurer would have been liable if it were not an impaired or insolvent insurer; or
- With respect to any one life, regardless of the number of policies, contracts, or certificates:
 - \$300,000 in life insurance death benefits for any one life; including net cash surrender or net cash withdrawal values;
 - \$300,000 in the present value of annuity benefits, including net cash surrender or net cash withdrawal values;
 - \$300,000 in the present value of structured settlement annuity benefits, including net cash surrender or net cash withdrawal values;
 - \$300,000 for long-term care insurance benefits;
 - \$300,000 for disability insurance benefits;
 - \$500,000 for basic hospital, medical, and surgical insurance, or major medical insurance benefits;
 - \$100,000 for coverage not defined as disability insurance or basic hospital, medical and surgical insurance or major medical insurance or long term care insurance including any net cash surrender and net cash withdrawal values.

In no event is the Guaranty Association liable for more than \$300,000 in benefits with respect to any one life (\$500,000 in the event of basic hospital, medical and surgical insurance or major medical insurance).

Additionally, the Guaranty Association is not obligated to cover more than \$5,000,000 for multiple non-group policies of life insurance with one owner of regardless of the number of policies owned.

Exclusions Examples

Policy or contract holders are not protected by the Guaranty Association if:

- They are eligible for protection under the laws of another state (this may occur when the insolvent insurer was domiciled in a state whose guaranty association law protects insureds that live outside of that state);
- Their insurer was not authorized to do business in the District of Columbia; or
- Their policy was issued by a charitable organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company, an insurance exchange, a non-profit hospital or medical service organization, a health maintenance organization, or a risk retention group.

The Guaranty Association also does not cover:

- Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk;
- Any policy of reinsurance (unless an assumption certificate was issued);
- Any plan or program of an employer or association that provides life, health, or annuity benefits to its employees or members and is self-funded;
- Interest rate guarantees which exceed certain statutory limitations;
- Dividends, experience rating credits or fees for services in connection with a policy;
- Credits given in connection with the administration of a policy by a group contract holder; or
- Unallocated annuity contracts.

Official Code § 31-5416), insurers are required to provide notice to policy and contract holders of the existence of the Guaranty Association and the amounts of coverage provided under the Act. Your insurer and agent are prohibited by law from using the existence of the Guaranty Association and the protection it provides to market insurance products. You should not rely on the insolvency protection provided under the Act when selecting an insurer or insurance product. If you have obtained this document from an agent in connection with the purchase of a policy or contract, you should be aware that such delivery does not guarantee that the Guaranty Association would cover your policy or contract. Any determination of whether a policy or contract will be covered will be determined solely by the coverage provisions of the Act.

IMPORTANT NOTICE REGARDING THE OFFICE OF FOREIGN ASSETS CONTROL

Your rights as a policyholder and payments to you, any insured or claimant, for loss under the policy may be affected by the administration and enforcement of U.S. economic embargoes and trade sanctions by the OFFICE OF FOREIGN ASSETS CONTROL (“OFAC”).

WHAT IS OFAC?

OFAC is an office of the Department of the Treasury and acts under the presidential national emergency powers, as well as authority granted by specific legislation, to impose controls on transactions and freeze foreign assets under U.S. jurisdiction. OFAC administers and enforces economic embargoes and trade sanctions primarily against:

- Targeted foreign countries and their agents
- Terrorism sponsoring agencies and organizations
- International narcotics traffickers

PROHIBITED ACTIVITY

- OFAC enforces certain embargoes and sanctions against certain designated countries. No U.S. business or persons may enter into certain transactions in or connected to such designated “sanctioned” countries.
- OFAC maintains a directory known as the “Specially Designated Nationals and Blocked Persons” (“SDNBP”) list. No U.S. business or person may transact business with any person or entity named on the SDNBP list.

Additional and more in-depth information on OFAC is available at the following website:

<https://www.treasury.gov/about/organizational-structure/offices/Pages/Office-of-Foreign-Assets-Control.aspx>.

OBLIGATIONS PLACED ON US BY OFAC

If we determine that you, any insured or claimant are on the SDNBP list or are connected to a sanctioned country as described in the regulations enforced by OFAC, we must block or “freeze” property and payment of any funds transfers or transactions and report all blocks to OFAC within ten (10) business days.

POTENTIAL ACTIONS BY US

1. We may immediately cancel your coverage effective on the day that we determine that we have transacted business with an individual or entity associated with your policy on the SDNBP list or connected to a sanctioned country as described in the regulations enforced by OFAC.
2. If we cancel your coverage, you will not receive a return premium unless approved by OFAC. All funds will be placed in an interest bearing blocked account established on the books of a U.S. financial institution.
3. We will not pay a claim, accept premium or exchange monies or assets of any kind to or with individuals, entities or companies (including a bank) on the SDNBP list or connected to a sanctioned country as described in the regulations enforced by OFAC. And, we will not defend or provide any other benefits under your policy to individuals, entities or companies on the SDNBP list or connected to a sanctioned country as described in the regulations enforced by OFAC.

YOUR RIGHTS AS A POLICYHOLDER

If funds are blocked or frozen by us in conjunction with the OFFICE OF FOREIGN ASSETS CONTROL, you may complete an “APPLICATION FOR THE RELEASE OF BLOCKED FUNDS” and apply for a specific license to request their release. Forms are available for download at the OFAC website. See <https://www.treasury.gov/resource-center/sanctions/Documents/license.pdf>.
