Written or authorized electronic/telephonic notice must be given to Us or Our authorized representative within 90 days after a Covered Person's loss or as soon as reasonably possible thereafter. If written or authorized electronic/telephonic notice is not given in that time, the claim will not be invalidated or reduced if it is shown that notice was given as soon as was reasonably possible. Notice can be given at Our Home Office in New York, New York, such other place as We may designate for the purpose, or to Our authorized representative. Notice should include the Policyholder's name and policy number and the Covered Person's name and address.

Claim Forms
We will send forms to the claimant for filing proof of loss when We receive the notice of claim. If claim forms are not sent within 15 days after We receive notice, the proof requirements will be met by the claimant upon submitting, within the time fixed in this Certificate for filing proof of loss, written or authorized electronic proof of the nature and extent of the loss for which claim is made.

Proof of Loss
Written or authorized electronic proof of loss must be given to Us at Our Home Office or to Our authorized representative, within 90 days of the loss for which claim is made. Failure to furnish proof within the time required will not invalidate or reduce a claim if it is shown that such notice was given as soon as reasonably possible. In any case, written or authorized electronic proof must be given not more than one year after the time it is otherwise required, except if proof is not given solely due to the lack of legal capacity.

Time of Payment of Claims
We will pay benefits due under this Certificate for any loss immediately and in no event, later than 30 days after receipt of due written or authorized electronic proof of such loss. Any balance remaining unpaid at the termination of liability will be paid immediately upon receipt of proof satisfactory to Us, unless otherwise stated in this Certificate.

Payment of Claims
All benefits will be paid in United States currency. All proceeds payable under the Policy, unless otherwise stated, will be payable to the Covered Person. If the Covered Person dies before all payments due have been made, all remaining amounts payable will be paid to the Covered Person's estate.

If any payee is a minor or is not competent to give a valid release for the payment, the payment will be made to the legal guardian of the payee's property. If the payee has no legal guardian for His property, a payment not exceeding $1,000 may be made at Our option to any relative by blood or connection by marriage of the payee who has submitted reliable documentary evidence and, in Our opinion, has assumed the custody and support of the minor or responsibility for the incompetent person's affairs.

If the Covered Person provides Us with a written release to do so, we may, at Our option, pay benefits directly to the institution or person rendering treatment or services covered under the Policy.

Physical Examination
We, at Our own expense, have the right and opportunity to examine a Covered Person when and as often as We may reasonably require while a claim is pending.

Legal Actions
No action at law or in equity will be brought to recover benefits under the Policy less than 60 days after satisfactory proof of loss has been furnished as required by the Policy. No such action will be brought more than three years after the time such written proof of loss must be furnished.

Recovery of Overpayment
If benefits are overpaid, We have the right to recover the amount overpaid by either of the following methods.
1. A request for lump sum payment of the overpaid amount.
2. A reduction of any amounts payable under the Policy.

If there is an overpayment due when the Covered Person dies, We may recover the overpayment from the Covered Person's estate.

We will provide notifications of premiums due or premium changes, by mail to the most current address in our files, to the Policyholder.

Premium Payment
The total premium paid by the Policyholder is the sum of premiums for all Covered Persons including any amounts contributed toward the cost of the coverage by Covered Persons. The initial premium is due on the Policy Effective Date and each succeeding premium is due on the next succeeding Premium Due Date, as shown in the *Schedule of Benefits*, unless the Policyholder and We agree to another mode of premium payment. Premiums are paid at Our Home Office or to Our authorized representative.

If any premium is not paid when due, the Policy will be cancelled as of the Premium Due Date of the unpaid premium, except as provided in the Grace Period provision.

Misstatement of Age
If premiums for a Covered Person are based on age and the Covered Person's age has been misstated, there will be a fair adjustment of premiums based on His true age. We may require satisfactory proof of age before paying any claim.

Assignment
The rights and benefits under this Policy may not be assigned and any attempt to assign will be void.

This insurance may not be levied on, attached, garnished, or otherwise taken for a person's debts unless contrary to law.

Incontestability
All statements You have made to obtain insurance under the Policy are considered representations and not warranties. No statement will be used to deny benefits, unless a copy of the instrument containing the statement is, or has been, furnished to the claimant.

After two years from Your effective date of insurance, no such statement will cause the insurance to be contested except for nonpayment of premiums.

In the event of death or incapacity, Your representative shall be given a copy.

Conformity with State Statutes
Any provision of the Policy and any Certificate, which, on its effective date, is in conflict with the statutes of the state in which the Policy or Certificate is delivered, is hereby amended to conform to the minimum requirements of those statutes.

Clerical Error
Clerical error, whether by the Policyholder or Us, will not void the insurance of any Covered Person if that insurance would otherwise have been in effect or extend the insurance of any Covered Person if that insurance would otherwise have ended or been reduced as provided in the Policy.

Workers' Compensation Insurance
The Policy is not in place of and does not affect any requirements for coverage under any Workers' Compensation law.

CRITICAL ILLNESS BENEFITS

We will pay the benefits shown in the *Schedule of Benefits*, to a Covered Person who is diagnosed by a Physician with a Critical Illness in any of the Categories listed below, subject to all applicable conditions, exclusions and limitations, provided that:

Covered Critical Illness Benefits will be paid subject to:

1. any benefit amount, benefit limit or benefit maximum applicable to the diagnosis of a Critical Illness shown in the *Schedule of Benefits*.

1. displays new EKG changes consistent with and supporting the diagnosis of a Heart Attack;

If coverage under this Certificate replaces a prior plan of critical illness insurance sponsored by the Policyholder and the Covered Person does not satisfy this Certificate's Pre-existing Condition Limitation, but can satisfy their prior plan's pre-existing condition limitation giving credit for all time insured under both policies, then We will pay the lesser of:

NOTICE OF PROTECTION PROVIDED BY MISSOURI LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION

This notice provides a *brief summary* of the Missouri Life and Health Insurance Guaranty Association ("the Association") and the protection it provides for policyholders. This safety net was created under Missouri law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, annuity, or health insurance company becomes financially unable to meet its obligations and is taken over by its insurance department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Missouri law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association are as follows:

- Life Insurance
  - $300,000 in death benefits
  - $100,000 in cash surrender or withdrawal values

- Health Insurance
  - $500,000 in hospital, medical and surgical insurance benefits
  - $300,000 in disability insurance benefits
  - $300,000 in long-term care insurance benefits
  - $100,000 in other types of health insurance benefits

- Annuities
  - $250,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is as follows:

- $300,000 in aggregate for all types of coverage listed above, with the exception of basic hospital, medical, and surgical insurance or major medical insurance
- $500,000 in aggregate for basic hospital, medical, and surgical insurance or major medical insurance
- $5,000,000 to one policy owner of multiple non-group policies of life insurance, whether the policy owner is an individual, firm, corporation, or other person, and whether the persons insured are officers, managers, employees, or other persons

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements and other limitations under Missouri law.

To learn more about the above protections, as well as protections relating to group contracts or retirement plans, please visit the Association's website at www.mo-iga.org, or contact:

When selecting an insurance company, you should not rely on Association coverage. If there is any inconsistency between this notice and Missouri law, then Missouri law will control.

IMPORTANT NOTICE REGARDING THE OFFICE OF FOREIGN ASSETS CONTROL

Your rights as a policyholder and payments to you, any insured or claimant, for loss under the policy may be affected by the administration and enforcement of U.S. economic embargoes and trade sanctions by the OFFICE OF FOREIGN ASSETS CONTROL ("OFAC").

WHAT IS OFAC?

OFAC is an office of the Department of the Treasury and acts under the presidential national emergency powers, as well as authority granted by specific legislation, to impose controls on transactions and freeze foreign assets under U.S. jurisdiction. OFAC administers and enforces economic embargoes and trade sanctions primarily against:

- Targeted foreign countries and their agents
- Terrorism sponsoring agencies and organizations
- International narcotics traffickers

PROHIBITED ACTIVITY

- OFAC enforces certain embargoes and sanctions against certain designated countries. No U.S. business or persons may enter into certain transactions in or connected to such designated "sanctioned" countries.
- OFAC maintains a directory known as the "Specially Designated Nationals and Blocked Persons" ("SDNBP") list. No U.S. business or person may transact business with any person or entity named on the SDNBP list.

Additional and more in-depth information on OFAC is available at the following website: https://www.treasury.gov/about/organizational-structure/offices/Pages/Office-of-Foreign-Assets-Control.aspx.

OBLIGATIONS PLACED ON US BY OFAC

If we determine that you, any insured or claimant are on the SDNBP list or are connected to a sanctioned country as described in the regulations enforced by OFAC, we must block or "freeze" property and payment of any funds transfers or transactions and report all blocks to OFAC within ten (10) business days.

POTENTIAL ACTIONS BY US

1. We may immediately cancel your coverage effective on the day that we determine that we have transacted business with an individual or entity associated with your policy on the SDNBP list or connected to a sanctioned country as described in the regulations enforced by OFAC.
2. If we cancel your coverage, you will not receive a return premium unless approved by OFAC. All funds will be placed in an interest bearing blocked account established on the books of a U.S. financial institution.
3. We will not pay a claim, accept premium or exchange monies or assets of any kind to or with individuals, entities or companies (including a bank) on the SDNBP list or connected to a sanctioned country as described in the regulations enforced by OFAC. And, we will not defend or provide any other benefits under your policy to individuals, entities or companies on the SDNBP list or connected to a sanctioned country as described in the regulations enforced by OFAC.

YOUR RIGHTS AS A POLICYHOLDER

If funds are blocked or frozen by us in conjunction with the OFFICE OF FOREIGN ASSETS CONTROL, you may complete an "APPLICATION FOR THE RELEASE OF BLOCKED FUNDS" and apply for a specific license to request their release. Forms are available for download at the OFAC website. See https://www.treasury.gov/resource-center/sanctions/Documents/license.pdf.
