## CLAIM PROVISIONS

**Notice of Claim:** Written notice of claim must be given to the Company or its authorized representative within 60 days after a covered loss starts, or as soon thereafter as is reasonably possible. Notice should include information sufficient to identify the Covered Person.

**Claim Forms:** The Company, upon receipt of written notice of claim, will furnish to the claimant such forms as are usually furnished by it for filing Proofs of Loss. If such forms are not furnished within 15 days after the giving of such notice, the claimant shall be deemed to have complied with the requirements of the Policy as to Proof of Loss upon submitting, within the time fixed in the Policy for filing Proof of Loss, written proof covering the occurrence, the character, and the extent of the loss for which claim is made.

**Proof of Loss:** Written proof of loss for Hospital confinement must be given to the Company or its authorized representative within 60 days after release from the Hospital. Proof of any other covered loss must be given to the Company or its authorized representative not later than 90 days after the covered loss. If proof of loss is not given within the time specified, the claim will not be denied or reduced for that reason if that proof was given as soon as reasonably possible.

**Time of Payment of Claims:** Benefits will be paid immediately upon Our receipt of proper proof of loss unless the Policy provides for periodic payment. When the Policy provides for periodic payment, the benefits will accrue and will be paid monthly subject to proper proof of loss. Any balance remaining unpaid upon the termination of liability will be paid immediately upon receipt of due written proof.

**Payment of Claims:** Benefits payable under the Policy for Your loss of life will be paid to Your beneficiary on record with the Company. Benefits payable for losses sustained by Your Dependents are payable to You. Any other payable benefits remaining unpaid at the time of a Covered Person's death may, at Our option, be paid to a Covered Person's next of kin or to a Covered Person's estate. All other

benefits will be payable to a Covered Person or the medical services provider if We have received a valid assignment by the Covered Person.

If any indemnity of the Policy shall be payable to a Covered Person's estate or to a person who is a minor or otherwise not competent to give a valid release, the Company may pay such indemnity to his parent, guardian or other person actually supporting him. Any payment made by the Company in good faith pursuant to this provision shall fully discharge the Company to the extent of such payment.

Any unpaid Premium that is due may be deducted from a claim. We will accept or reject the claim within 15 days after receiving written proof of loss; however, if We are unable to accept or reject the claim within this period, We will notify the Covered Person of this within this period and provide the reasons for the delay. If Our acceptance or rejection of the claim cannot be made within 15 days after receiving proof of loss, We will then have up to 45 days after We notify the Covered Person of the reasons for the delay to accept or reject the claim. Any claim payment will be made not more than 60 days after receipt of a valid written proof of loss. Any claim payment made more than 60 days from the date due proof of loss is received will include interest. Interest will be at the rate of 18 percent per annum beginning on the 61<sup>st</sup> day. Payment of benefits will discharge Us from all liability to the Covered Person and the Covered Person's beneficiary.

Benefits will be paid to the Texas Department of Human Services for actual costs of medical expenses paid on behalf of a Covered Person by Texas Department of Human Services. Benefits so paid will, in no event, exceed benefits otherwise payable to the Covered Person.

**Change of Beneficiary:** You have the right to change the beneficiary and the consent of the beneficiary or beneficiaries shall not be requisite to any change in beneficiary.

**Physical Examination and Autopsy:** The Company, at its own expense, shall have the right and opportunity to examine a Covered Person as it may reasonably require while a claim is pending. The Company, at its own expense, may also have the right to make an autopsy in the case of death, where it is not prohibited by law.

**Legal Actions:** A legal action may not be brought to recover on the Policy within 60 days after written Proof of Loss has been given as required. No such action may be brought after 3 years from the time written proof was required to be given.

**Subrogation:** When benefits are paid to or for a Covered Person under the terms of the Policy, We shall be subrogated, unless otherwise prohibited by law, to a Covered Person's rights of recovery against any person who might be acknowledged liable or found legally liable by a Court of competent jurisdiction for the Injury that necessitated the hospitalization or the medical or surgical treatment for which benefits were paid. Such subrogation rights shall only be exercised after the Covered Person has been made whole and shall extend only to the recovery by the Company of the benefits it has paid for such hospitalization and treatment and the Company shall pay fees and costs associated with such recovery.

# How you're protected if your life or health insurance company fails

The Texas Life and Health Insurance Guaranty Association protects you by paying your covered claims if your life or health insurance company is insolvent (can't pay its debts). **This notice summarizes your protections.**

The Association will pay your claims, with some exceptions required by law, if your company is licensed in Texas and a court has declared it insolvent. You must live in Texas when your company fails. If you don't live in Texas, you may still have some protections.

## For each insolvent company, the Association will pay a person's claims only up to these dollar limits set by law:

- **Accident, accident and health, or health insurance (including HMOs):**
  - Up to \$500,000 for health benefit plans, with some exceptions.
  - Up to \$300,000 for disability income benefits.
  - Up to \$300,000 for long-term care insurance benefits.
  - Up to \$200,000 for all other types of health insurance.
- **Life insurance:**
  - Up to \$100,000 in net cash surrender or withdrawal value.
  - Up to \$300,000 in death benefits.
- **Individual annuities:** Up to \$250,000 in the present value of benefits, including cash surrender and net cash withdrawal values.
- **Other policy types:** Limits for group policies, retirement plans and structured settlement annuities are in Chapter 463 of the Texas Insurance Code.
- **Individual aggregate limit:** Up to \$300,000 per person, regardless of the number of policies or contracts. A limit of \$500,000 may apply for people with health benefit plans.
- **Parts of some policies might not be protected:** For example, there is no protection for parts of a policy or contract that the insurance company doesn't guarantee, such as some additions to the value of variable life or annuity policies.

To learn more about the Association and your protections, contact:

**Note:** You're receiving this notice because Texas law requires your insurance company to send you a summary of your protections under the Texas Life and Health Insurance Guaranty Association Act (Insurance Code, Chapter 463). These protections apply to insolvencies that occur on or after September 1, 2019. **There may be other exceptions that aren't included in this notice.** When choosing an insurance company, you should not rely on the Association's coverage. Texas law prohibits companies and agents from using the Association as an inducement to buy insurance or HMO coverage.

Chapter 463 controls if there are differences between the law and this summary.

## NOTICE TO CONSUMERS AGE 65 AND OLDER

The State Board of Insurance requires that this Notice be given to you at the time you receive a policy.

State law gives you the right to review this policy and return it for a full premium refund if you are not satisfied. By law you have a minimum 10 days if you buy any individual accident and health insurance policy. The State Board of Insurance urges you to use this time to verify that this coverage is needed.

The Board is concerned that some consumers may buy unnecessary coverage or may replace their coverage needlessly. Buying too much coverage or replacing a policy may be a waste of your money.

1. PURCHASING MORE THAN ONE POLICY OF EACH OF THE FOLLOWING TYPES MAY BE UNNECESSARY AND COSTLY:
  - SPECIFIED DISEASE (CANCER, STROKE, ETC.)
  - HOSPITAL INDEMNITY
  - BASIC HOSPITAL EXPENSE OR BASIC MEDICAL/SURGICAL
  - EXPENSE (THESE POLICIES ARE TYPIFIED BY A SCHEDULED BENEFIT PER ILLNESS)
  - LONG-TERM CARE

THE TEXAS STATE BOARD OF INSURANCE CANNOT SAY WHETHER YOU SHOULD OR SHOULD NOT PURCHASE ANY OR ALL OF THESE POLICY TYPES. THE DECISION IS YOURS ALONE AND SHOULD BE DETERMINED BY YOUR NEEDS AND CIRCUMSTANCES.

2. IF YOU HAVE MORE THAN ONE POLICY IN ANY OF THE ABOVE CATEGORIES, THE STATE BOARD OF INSURANCE STRONGLY URGES YOU TO GET A SECOND OPINION FROM SOMEONE YOU TRUST AS TO WHETHER YOU NEED MORE THAN ONE OF THESE POLICIES.
3. IF YOU REPLACE EXISTING HEALTH INSURANCE POLICIES YOU MAY LOSE COVERAGE DURING A PERIOD OF TIME THAT NEW EXCLUSIONS, REDUCTIONS, LIMITATIONS, OR WAITING PERIODS MUST BE SERVED.
