CLAIM PROVISIONS

Notice of Claim

Written or authorized electronic/telephonic notice must be given to Us or Our authorized representative within 90 days after a Covered Person's loss or as soon as reasonably possible thereafter. If written or authorized electronic/telephonic notice is not given in that time, the claim will not be invalidated or reduced if it is shown that notice was given as soon as was reasonably possible. Notice can be given at Our Home Office in New York, New York, such other place as We may designate for the purpose, or to Our authorized representative. Notice should include the Policyholder's name and policy number and the Covered Person's name and address.

Claim Forms

We will send forms to the claimant for filing proof of loss when We receive the notice of claim. If claim forms are not sent within 15 days after We receive notice, the proof requirements will be met by the claimant upon submitting, within the time fixed in this Certificate for filing proof of loss, written or authorized electronic proof of the nature and extent of the loss for which claim is made.

Proof of Loss

Written or authorized electronic proof of loss satisfactory to Us must be given to Us at Our Home Office or to Our authorized representative, within 90 days of the loss for which claim is made. Failure to furnish proof within the time required will not invalidate or reduce a claim if it is shown that such notice was given as soon as reasonably possible. In any case, written or authorized electronic proof must be given not more than one year after the time it is otherwise required, except if proof is not given solely due to the lack of legal capacity.

Time of Payment of Claims

We will pay benefits due under this Certificate for any loss immediately upon receipt of due written or authorized electronic proof of such loss. Any balance remaining unpaid at the termination of liability will be paid immediately upon receipt of proof satisfactory to Us, unless otherwise stated in this Certificate.

Payment of Claims

All benefits will be paid in United States currency. All proceeds payable under the Policy, unless otherwise stated, will be payable to the Covered Person. If the Covered Person dies before all payments due have been made, all remaining amounts payable will be paid to the Covered Person's estate.

If any payee is a minor or is not competent to give a valid release for the payment, the payment will be made to the legal guardian of the payee's property. If the payee has no legal guardian for His property, a payment not exceeding \$1,000 may be made at Our option to any relative by blood or connection by marriage of the payee who has submitted reliable documentary evidence and, in Our opinion, has assumed the custody and support of the minor or responsibility for the incompetent person's affairs. Any payment We make in good faith fully discharges Our liability to the extent of the payment made.

If the Covered Person provides Us with a written release to do so, we may, at Our option, pay benefits directly to the institution or person rendering treatment or services covered under the Policy.

Physical Examination

We, at Our own expense, have the right and opportunity to examine a Covered Person when and as often as We may reasonably require while a claim is pending.

Legal Actions

No action at law or in equity will be brought to recover benefits under the Policy less than 60 days after satisfactory proof of loss has been furnished as required by the Policy. No such action will be brought more than 1 year after the time such written proof of loss must be furnished.

Recovery of Overpayment

If benefits are overpaid, We have the right to recover the amount overpaid by either of the following methods.

1. A request for lump sum payment of the overpaid amount.
2. A reduction of any amounts payable under the Policy.

If there is an overpayment due when the Covered Person dies, We may recover the overpayment from the Covered Person's estate.

ADMINISTRATIVE PROVISIONS

Grace Period

A Policy Grace Period of 31 days will be granted for payment of required premiums due after the first premium, unless:

1. the Policyholder has given Us advance written notice of intent to discontinue coverage in accordance with the terms of the Policy; or
2. We do not intend to renew the Policy beyond the period for which premium has been accepted; and
3. written notice of Our intention not to renew is delivered to the Policyholder at least 60 days before the premium is due.

The Policy and Certificates under the Policy will be in force during the Policy Grace Period. If the required premiums are not paid during the Policy Grace Period, insurance will end on the last day of the Grace Period. The Policyholder is liable to Us for any unpaid premium for the time the Policy was in force.

Premiums

Premium rates are expressed in, and premiums are payable in, United States currency. The premiums for the Policy will be based on the rates set forth in this Certificate, the plan and amounts of insurance in effect for Covered Persons and the premium mode selected. We will provide notifications of premiums due or premium changes, by mail to the most current address in our files, to the Policyholder. We will notify the Policyholder in writing at least 45 days before any increase of 20% or more in the premium rates.

Premium Payment

The total premium paid by the Policyholder is the sum of premiums for all Covered Persons including any amounts contributed toward the cost of the coverage by Covered Persons. The initial premium is due on the Policy Effective Date and each succeeding premium is due on the next succeeding Premium Due Date, as shown in the *Schedule of Benefits*, unless the Policyholder and We agree to another mode of premium payment. Premiums are paid at Our Home Office or to Our authorized representative.

If any premium is not paid when due, the Policy will be cancelled as of the Premium Due Date of the unpaid premium, except as provided in the Grace Period provision.

GENERAL PROVISIONS

Entire Contract; Changes

The Policy, the Policyholder's Application, and any attached Riders or Amendments along with this Certificate make up the entire contract. A copy of the Primary Covered Person's Enrollment Form will also be attached.

No change in the Policy or this Certificate will be valid until approved by an officer of the Company. The change must be signed by an officer of the Company and attached to the Policy. No agent may change the Policy or waive any of its provisions.

Misstatement of Age

If premiums for a Covered Person are based on age and the Covered Person's age has been misstated, there will be a fair adjustment of premiums based on His true age. If the benefits for which the Covered Person is insured are based on age and the Covered Person's age has been misstated, there will be an adjustment of said benefit based on His true age. We may require satisfactory proof of age before paying any claim.

Assignment

The rights and benefits under this Policy may not be assigned and any attempt to assign will be void.

This insurance may not be levied on, attached, garnished, or otherwise taken for a person's debts unless contrary to law.

Incontestability

In the absence of fraud, all statements You have made to obtain insurance under the Policy are considered representations and not warranties. No statement will be used to deny or reduce benefits or be used as a defense to a claim, unless a copy of the instrument containing the statement is, or has been, furnished to the claimant.

After three years from Your effective date of insurance, or from the effective date of increased benefits, no such statement will cause insurance or the increased benefits to be contested except for fraud or lack of eligibility for insurance.

In the event of death or incapacity, Your representative shall be given a copy.

Conformity with State Statutes

Any provision of the Policy and any Certificate, which, on its effective date, is in conflict with the statutes of the state in which the Policy or Certificate is delivered, is hereby amended to conform to the minimum requirements of those statutes.

Clerical Error

Clerical error, whether by the Policyholder or Us, will not void the insurance of any Covered Person if that insurance would otherwise have been in effect or extend the insurance of any Covered Person if that insurance would otherwise have ended or been reduced as provided in the Policy.

Workers' Compensation Insurance

The Policy is not in place of and does not affect any requirements for coverage under any Workers' Compensation law.

CRITICAL ILLNESS BENEFITS

We will pay the benefits shown in the *Schedule of Benefits*, to a Covered Person who is diagnosed by a Physician with a Critical Illness in any of the Categories listed below, subject to all applicable conditions, exclusions and limitations, provided that:

1. the Critical Illness occurs and is diagnosed after the Covered Person's effective date of insurance; and
2. coverage for the Covered Person is in force under the Policy and this Certificate.

Benefits payable will equal the Amount of Insurance applicable to the Covered Person and shown in the *Schedule of Benefits*, multiplied by the percentage of the Benefit Amount applicable to the diagnosis of each Critical Illness shown in the *Schedule of Benefits*.

Covered Critical Illness Benefits will be paid subject to:

1. any benefit amount, benefit limit or benefit maximum applicable to the diagnosis of a Critical Illness shown in the *Schedule of Benefits*.

When a Critical Illness for which benefits are provided under the Policy and this Certificate is contributed to or caused by another Critical Illness, We will pay only one benefit. The benefit paid will be the larger of the two. If the benefits are equal, the Covered Person may choose the benefit to be paid.

Covered Critical Illness Benefits

Category 1 – Cardiovascular-Related Critical Illnesses

Heart Attack Benefit

We will pay this benefit when We receive Proof of Loss with a Date of Diagnosis showing that a Covered Person is diagnosed with a Heart Attack that:

1. displays new EKG changes consistent with and supporting the diagnosis of a Heart Attack;
2. exhibits elevation of cardiac biomarkers / enzymes (such as Troponin and Creatine Kinase) above generally accepted laboratory levels of normal (in case of CPK, a CPK-MB measurement must be used); and
3. is confirmed by imaging studies such as thallium scans, MUGA scans or stress echocardiograms.

For the purposes of this benefit, the Date of Diagnosis means the date of ischemic death of an area of the heart muscle, as confirmed by criteria outlined above. The diagnosis must be made based on generally accepted principles of medicine.

We will not pay benefits for a Heart Attack that occurs during or within 48 hours after a cardiac or coronary artery procedure.

Stroke Benefit

We will pay this benefit when We receive Proof of Loss showing that a Covered Person is diagnosed with a Stroke based on all of the following criteria:

1. documented neurological impairment or deficits;
2. evidence of brain tissue damage shown by neuroimaging (CT, MRI, or PET Tomography or similar test); and
3. permanent neurological deficit measured three months or more after the event that results in a score of 2 or higher on the Modified Rankin Scale for stroke outcome.

Invasive Cancer Benefit

We will pay this benefit when We receive Proof of Loss, supported by a Pathological Diagnosis made more than 45 days after the Covered Person's effective date of insurance, showing that a Covered Person suffers from Invasive Cancer.

We will accept a Clinical Diagnosis in place of a Pathological Diagnosis and pay this benefit only if:

1. a Pathological Diagnosis cannot be made because it is medically inappropriate or life-threatening;
2. there is medical evidence to support the diagnosis; and
3. a Physician is treating the Covered Person for cancer.

Proof of Loss must include the Date of Diagnosis. For the purposes of this benefit, Date of Diagnosis means the later of the date of:

- a. a Pathological Diagnosis;
- b. a Clinical Diagnosis, if acceptable as indicated above; or
- c. the day the tissue specimen, culture and/or titer(s) are taken, upon which the Clinical or Pathologic Diagnosis of Invasive Cancer is made.

We will not pay benefits based on a Tentative Diagnosis of Invasive Cancer.

LIMITATIONS AND EXCLUSIONS

If coverage under this Certificate replaces a prior plan of critical illness insurance sponsored by the Policyholder and the Covered Person does not satisfy this Certificate's Pre-existing Condition Limitation, but can satisfy their prior plan's pre-existing condition limitation giving credit for all time insured under both policies, then We will pay the lesser of:

1. benefits under this Certificate without application of the pre-existing conditions limitation; or

Time of Payment of Claims

Benefits will be paid immediately upon receipt of written Proof of Loss.

Payment of Claims

All benefits will be paid in United States currency. All proceeds payable under the Policy, unless otherwise stated, will be payable to the Covered Person. If the Covered Person dies before all payments due have been made, all remaining amounts payable will be paid to the Covered Person's estate.

CLAIM PROVISIONS

Notice of Claim

Written or authorized electronic/telephonic notice must be given to Us or Our agent within 31 days after a Covered Accident occurs or the loss begins or as soon as reasonably possible, but in no case any longer than 15 months after the date of loss. If written or authorized electronic/telephonic notice is not given in that time, the claim will not be invalidated or reduced if it is shown that notice was given as soon as was reasonably possible. Notice can be given at Our Home Office in New York, New York, such other place as We may designate for the purpose, or to Our authorized agent. Notice should include the Policyholder's name and policy number and the Covered Person's name and address.

Claim Forms

We send forms for filing proof of loss when We receive the notice of claim. If claim forms are not sent within 15 days after We receive notice, the proof requirements will be met by submitting, within the time fixed in this Policy for filing proof of loss, written or authorized electronic proof of the nature and extent of the loss for which claim is made.

Claimant Cooperation Provision

Failure of a claimant to cooperate with Us in the administration of the claim may result in termination of the claim. Such cooperation includes, but is not limited to, providing any information or documents needed to determine whether benefits are payable or the actual benefit amount due.

Proof of Loss

Written or authorized electronic proof of loss satisfactory to Us must be given to Us at Our office, within 90 days of the loss for which claim is made. If: (a) benefits are payable as periodic payments; and (b) each payment is contingent upon continuing loss, then proof of loss must be submitted within 90 days after the termination of each period for which We are liable. If written or authorized electronic notice is not given within that time, no claim will be invalidated or reduced if it is shown that such notice was given as soon as reasonably possible. In any case, written or authorized electronic proof must be given not more than one year after the time it is otherwise required, except if proof is not given solely due to the lack of legal capacity.

Time of Payment of Claims

We will pay benefits due under this Policy for any loss, other than a loss for which this Policy provides any periodic payment, immediately, but not more than 30 days (60 days for accidental death) from the date upon receipt of due written or authorized electronic proof of such loss, unless just and reasonable grounds, such as would put a reasonable and prudent businessman on his guard, exist. Subject to due written or authorized electronic proof of loss, all accrued benefits for loss for which this Policy provides periodic payment will be paid monthly unless otherwise specified in the benefit descriptions. Any balance remaining unpaid at the termination of liability will be paid immediately upon receipt of proof satisfactory to Us, unless otherwise stated in this Policy.

If We fail to pay a claim for loss other than accidental death within 30 days, We shall pay double the amount due under the terms of this Policy during the period of delay, together with attorney's fees to be determined by the court. Any court of competent jurisdiction in the parish where the Covered Person lives or has his domicile, excepting a justice of the peace court, shall have jurisdiction to try such cases.

If We fail to pay a claim for loss for accidental death within 60 days without just cause, the amount due shall bear interest at the rate of six percent per annum from date of receipt of due proof of death until paid.

Payment of Claims

All benefits will be paid in United States currency. Benefits for loss of life will be payable in accordance with the Beneficiary provision and these Claim Provisions. All other proceeds payable under this Policy, unless otherwise stated, will be payable to You or to Your estate. If any payee of benefits is a minor or otherwise legally incompetent, we will pay benefits to the person designated as his legal guardian or conservator.

If the amount of any benefit payable is determined based on benefits payable under another Health Care Plan, We have the right to require You to provide information about that Plan and benefits paid or payable for the same claim before We pay benefits. We may, at Our option, pay any accident medical benefits directly to a health care provider that renders services to You, unless You request in writing when submitting the claim that such payment not be made to the provider.

If We are to pay benefits to the estate or to a person who is incapable of giving a valid release, We may pay \$1,000 to a relative by blood or marriage whom We believe is equitably entitled. Any payment made by Us in good faith pursuant to this provision will fully discharge Us to the extent of such payment and release Us from all liability for that payment.

Beneficiary

The beneficiary is the person or persons You name or change on a form You execute and which is satisfactory to Us. This form may be in writing or by any electronic means agreed upon between Us and the Policyholder. Consent of the beneficiary is not required to affect any changes, unless the beneficiary has been designated as an irrevocable beneficiary, or to make any assignment of rights or benefits permitted by this Policy.

A beneficiary designation or change will become effective on the date You execute it. However, We will not be liable for any action taken or payment made before We record notice of the change at our Home Office.

If more than one person is named as beneficiary, the interests of each will be equal unless You have specified otherwise. The share of any beneficiary who does not survive You will pass equally to any surviving beneficiaries unless otherwise specified.

If there is no named beneficiary or surviving beneficiary, or if You die while benefits are payable to You, We may make direct payment to the first surviving class of the following classes of persons:

1. Spouse;
2. Child or Children;
3. parents;
4. siblings;
5. Your estate.

Conditional Claim Payment

If You incur expenses for Covered Injuries received in a Covered Accident and it is likely a third party may be liable, We will pay benefits if:

1. You first agree in writing to refund the lesser of:
 - a. the amount We actually paid for such expenses; and
 - b. the amount actually received from the third party regardless of whether the amount is for such expenses; and
2. the third party's liability is determined and satisfied whether by settlement, judgment, arbitration or otherwise. However, if the third party's liability is satisfied in an amount less than the benefits paid under this Policy, We will pay the difference.
3. We agree to pay our portion of the Covered Person's attorney's fee or other costs associated with a claim or lawsuit to the extent that We recover any portion of the benefits paid under this Policy pursuant to Our right of reimbursement.

Our right whether by subrogation or reimbursement is subordinate to the Covered Person's right to be fully compensated for his damages.

Physical Examination and Autopsy

We, at Our own expense, have the right and opportunity to examine You when and as often as We may reasonably require while a claim is pending and to make an autopsy in case of death where it is not forbidden by law.

Legal Actions

No action at law or in equity will be brought to recover benefits under this Policy less than 60 days after satisfactory proof of loss has been furnished as required by this Policy. No such action will be brought more than three years after the time such written proof of loss must be furnished.

Recovery of Overpayment

If benefits are overpaid, We have the right to recover the amount overpaid by either of the following methods.

1. A request for lump sum payment of the overpaid amount.
2. A reduction of any amounts payable under this Policy.

If there is an overpayment due when You die, We may recover the overpayment from Your estate.

Subrogation

To the extent that benefits are provided or paid under this Policy, We have the right to recover all payments, including future payments, which We have made, or will be obligated to pay in the future, to the Covered Person from anyone liable for the Covered Loss. If the Covered Person recovers from anyone liable for the Covered Loss, We will be reimbursed from such recovery to the extent of Our payments to the Covered Person, however Our right of subrogation is secondary

to the right of the Covered Person to be fully compensated for damages. The Covered Person agrees to assist Us in preserving Our rights against those responsible for such loss, including but not limited to, signing subrogation forms supplied by Us. We agree to pay our portion of the Covered Person's attorneys' fee or other costs associated with a claim or lawsuit to the extent that we recover any portion of the benefits paid under this Policy pursuant to our right of subrogation.

The assignee may exercise all rights and receive all benefits assigned only while the assignment remains in effect and insurance under Your Certificate remains in force.

This insurance may not be levied on, attached, garnished, or otherwise taken for a person's debts unless contrary to law.

Incontestability Of Your Insurance

All statements You made are considered representations and not warranties. No statement will be used to deny or reduce benefits or be used as a defense to a claim, unless a copy of the instrument containing the statement is, or has been, furnished to the claimant.

After two years from Your effective date of insurance, or from the effective date of increased benefits, no such statement will cause insurance or the increased benefits to be contested except for fraud or lack of eligibility for insurance.

In the event of death or incapacity, the beneficiary or representative shall be given a copy.

30 Day Right To Examine Certificate

If You do not like the Certificate for any reason, it may be returned to Us within 30 days after receipt. We will return any premium that has been paid, and the Certificate will be void as if never issued.

Non-Duplication of Benefits When This Policy and Other Plans Are Excess

This provision applies if benefits under any other Health Care Plan are covered under this Policy, and coverage under this Policy and the other Plan are excess.

We pay a pro rata share of the total amount of Covered Expenses. In no case will the total benefits payable exceed 100% of the Covered Expenses.

Our pro rata share equals the total of benefits payable under this Policy multiplied by a fraction, of which the numerator is the benefits We pay and the denominator is the total of benefits payable by all Health Care Plans for the same Covered Accident.

 - c. any unplanned and unintended adverse consequences that may result during the treatment of a Covered Accident.
5. Any elective or routine treatment, surgery, health treatment, or examination, including any service, treatment or supplies that: (a) are deemed to be experimental or investigational; and (b) are not recognized and generally accepted medical practice in the United States.
6. Examination or prescriptions for, or purchase, repair or replacement of, eyeglasses, contact lenses, hearing aids, wheelchairs, braces, appliances, orthopedic braces, or orthotic devices.

**Summary of the Louisiana Life and Health
Insurance Guaranty Association Law and
Notice Concerning Coverage
Limitations and Exclusions**

Residents of Louisiana who purchase life insurance, annuities, or health insurance should know that the insurance companies licensed in this state to write these types of insurance are required by law to be members of the Louisiana Life and Health Insurance Guaranty Association (LLHIGA). The purpose of LLHIGA is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this happens, LLHIGA will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state, and in some cases, to keep coverage in force. However, the valuable extra protection provided by these insurers through LLHIGA is limited. As noted in the disclaimer below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

Disclaimer

The Louisiana Life and Health Insurance Guaranty Association provides coverage of claims under some types of policies if the insurer becomes impaired or insolvent. *COVERAGE MAY NOT BE AVAILABLE FOR YOUR POLICY*. Even if coverage is provided, there are significant limits and exclusions. Coverage is generally conditioned upon residence in this state. Other conditions may also preclude coverage.

Insurance companies and insurance agents are prohibited by law from using the existence of the association or its coverage to sell you an insurance policy.

You should not rely on the availability of coverage under the Louisiana Life and Health Insurance Guaranty Association when selecting an insurer.

The Louisiana Life and Health Insurance Guaranty Association or the Department of Insurance will respond to any questions you may have which are not answered by this document.

The state law that provides for this safety-net coverage is called the Louisiana Life and Health Insurance Guaranty Association Law (the Law), and is set forth at R.S. 22:2081 *et seq.* The following is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change any person's rights or obligations under the law or the rights or obligations of LLHIGA.

COVERAGE

Generally, individuals will be protected by the Life and Health Insurance Guaranty Association if they live in this state and hold a covered life, health, or annuity policy, plan or contract issued by an insurer (including a health maintenance organization) authorized to conduct business in Louisiana. The beneficiaries, payees or assignees of insured persons may also be protected as well even if they live in another state unless they are afforded coverage by the guaranty association of another state, or other circumstances described under the Law are applicable.

EXCLUSIONS FROM COVERAGE

A person who holds a covered life, health, or annuity policy, plan or contract is not protected by LLHIGA if:

- (1) He is eligible for protection under the laws of another state (This may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state.);
- (2) The insurer was not authorized to do business in this state;
- (3) His policy was issued by a profit or nonprofit hospital or medical service organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, an insurance exchange, an organization that issues charitable gift annuities as is defined in R.S. 22:952(A)(3), or any entity similar to any of these.

LLHIGA also does not provide coverage for:

- (1) Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- (2) Any policy of reinsurance (unless an assumption certificate was issued);
- (3) Interest rate or crediting rate yields, or similar factors employed in calculating changes in value, that exceed an average rate;
- (4) Dividends, premium refunds, or similar fees or allowances described under the Law;
- (5) Credits given in connection with the administration of a policy by a group contract holder;
- (6) Employers', associations' or similar entities' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them) or uninsured;
- (7) Unallocated annuity contracts (which give rights to group contract holders, not individuals), except unallocated annuity contracts and defined contribution government plans qualified under section 403(b) of the United States Internal Revenue Code (26 U.S.C. §403(b));
- (8) An obligation that does not arise under the express written terms of the policy or contract issued by the insurer to the policy owner or contract owner, including but not limited to, claims described under the Law;
- (9) A policy or contract providing any hospital, medical, prescription drug or other health care benefits pursuant to "Medicare Part A Coverage", "Medicare Part B Coverage", "Medicare Part C Coverage", "Medicare Part D Coverage" or "Medicaid" and any regulations issued pursuant to those parts;
- (10) Interest or other changes in value to be determined by the use of an index or other external references but which have not been credited to the policy or contract or as to which the policy or contract owner's rights are subject to forfeiture, as of the date the member insurer becomes an impaired or insolvent insurer, whichever is earlier.

LIMITS ON AMOUNTS OF COVERAGE

The Louisiana Life and Health Insurance Guaranty Association Law also limits the amount that LLHIGA is obligated to pay out. The benefits for which LLHIGA may become liable shall in no event exceed the lesser of the following:

- (1) LLHIGA cannot pay more than what the insurance company would owe under a policy or contract if it were not an impaired or an insolvent insurer.
- (2) For any one insured life, regardless of the number of policies or contracts there are with the same company, LLHIGA will pay a maximum of \$300,000 in life insurance death benefits, but not more than \$100,000 in net cash surrender and net cash withdrawal values for life insurance.
- (3) For any one insured life, regardless of the number of policies or contracts there are with the same company, LLHIGA will pay a maximum of \$500,000 in health insurance benefits, and LLHIGA will pay a maximum of \$250,000 in present value of annuities, including net cash surrender and net cash withdrawal values.

In no event, regardless of the number of policies and contracts there were with the same company, and no matter how many different types of coverages, LLHIGA shall not be liable to expend more than \$500,000 in the aggregate with respect to any one individual.

IMPORTANT NOTICE REGARDING THE OFFICE OF FOREIGN ASSETS CONTROL

Your rights as a policyholder and payments to you, any insured or claimant, for loss under the policy may be affected by the administration and enforcement of U.S. economic embargoes and trade sanctions by the OFFICE OF FOREIGN ASSETS CONTROL (“OFAC”).

WHAT IS OFAC?

OFAC is an office of the Department of the Treasury and acts under the presidential national emergency powers, as well as authority granted by specific legislation, to impose controls on transactions and freeze foreign assets under U.S. jurisdiction. OFAC administers and enforces economic embargoes and trade sanctions primarily against:

- Targeted foreign countries and their agents
- Terrorism sponsoring agencies and organizations
- International narcotics traffickers

PROHIBITED ACTIVITY

- OFAC enforces certain embargoes and sanctions against certain designated countries. No U.S. business or persons may enter into certain transactions in or connected to such designated “sanctioned” countries.
- OFAC maintains a directory known as the “Specially Designated Nationals and Blocked Persons” (“SDNBP”) list. No U.S. business or person may transact business with any person or entity named on the SDNBP list.

Additional and more in-depth information on OFAC is available at the following website:

<https://www.treasury.gov/about/organizational-structure/offices/Pages/Office-of-Foreign-Assets-Control.aspx>.

OBLIGATIONS PLACED ON US BY OFAC

If we determine that you, any insured or claimant are on the SDNBP list or are connected to a sanctioned country as described in the regulations enforced by OFAC, we must block or “freeze” property and payment of any funds transfers or transactions and report all blocks to OFAC within ten (10) business days.

POTENTIAL ACTIONS BY US

1. We may immediately cancel your coverage effective on the day that we determine that we have transacted business with an individual or entity associated with your policy on the SDNBP list or connected to a sanctioned country as described in the regulations enforced by OFAC.
2. If we cancel your coverage, you will not receive a return premium unless approved by OFAC. All funds will be placed in an interest bearing blocked account established on the books of a U.S. financial institution.
3. We will not pay a claim, accept premium or exchange monies or assets of any kind to or with individuals, entities or companies (including a bank) on the SDNBP list or connected to a sanctioned country as described in the regulations enforced by OFAC. And, we will not defend or provide any other benefits under your policy to individuals, entities or companies on the SDNBP list or connected to a sanctioned country as described in the regulations enforced by OFAC.

YOUR RIGHTS AS A POLICYHOLDER

If funds are blocked or frozen by us in conjunction with the OFFICE OF FOREIGN ASSETS CONTROL, you may complete an “APPLICATION FOR THE RELEASE OF BLOCKED FUNDS” and apply for a specific license to request their release. Forms are available for download at the OFAC website. See <https://www.treasury.gov/resource-center/sanctions/Documents/license.pdf>.
