CERTIFICATE OF INSURANCE

This is Your Certificate of Insurance (Certificate) while You are insured. It briefly explains the rights and benefits that are determined by the Master Policy (Policy). The Policy is a legal contract between the Policyholder and Us. The Policyholder is shown on the Schedule of Benefits.

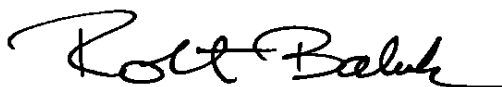

The Policy alone constitutes the agreement under which payments are made. We will pay the benefits set forth in the Policy. Benefit payment is governed by all the terms, conditions and limitations of the Policy. The Policy may be amended at any time without Your consent or notice to You. Any such amendment will not affect a claim starting before the amendment takes effect.

The Policy has been issued and delivered to the Policyholder in the state of Texas. Except as otherwise stated in this Certificate, the Policy will be governed by the laws of the state where the Policy was issued. The Policy is held by the Policyholder. You may inspect it at any time during business hours at the office of the Policyholder.

This Certificate was issued on the basis that the information on Your enrollment form was correct and complete. If any information on the enrollment form was not correct, write to Us within ten days of receipt of this Certificate. An error or omission in Your enrollment form may result in loss of coverage as of its Effective Date.

Right to Examine: If You are not satisfied with this Certificate, return it to Our home office within twenty (20) days after the date You received it. This Certificate will then be canceled and any Premium paid will be refunded.

READ YOUR CERTIFICATE CAREFULLY.

CONDITIONS OF INSURANCE

ELIGIBILITY

Insured: You are eligible for coverage if You are a member of an eligible Class and complete a valid enrollment form. Eligible Classes are shown in the Master Application.

Dependent (*See Schedule of Benefit Page for Dependent Eligibility*): When a Dependent is a member of an eligible Class, such Dependent is eligible for coverage on the later of:

- The date You acquire the Dependent.

A Dependent is deemed to be acquired as follows:

Natural child: On the date of birth.

Adopted child: From the moment of placement with You for the purpose of adoption, as certified by the agency making the placement.

Stepchild: On the date of Your marriage to the child's parent.

EFFECTIVE DATES OF COVERAGE

Insured

Your Effective Date of coverage is shown in the Schedule of Benefits.

Dependent, except Dependents Acquired After the Effective Date: The Effective Date of coverage for a Dependent is shown in the Schedule of Benefits. In no event will Dependent coverage become effective prior to the date Your coverage becomes effective. If a Dependent is Totally Disabled on the date on which he would become insured, his effective date will be delayed until 12:01 a.m. of the day following the date the Total Disability ends.

Total Disability/Totally Disabled means, with respect to a covered Dependent, hospital confinement. Hospital Confinement means confinement in a Hospital for at least 18 consecutive hours for which a room and board charge is made.

A person who qualifies as a Dependent on the Effective Date whom You choose not to have insured under this Certificate as of that date may become insured at a later date subject to payment of the required premium and Our approval of any satisfactory proof of good health which We may require. Coverage would take effective on the first day of the calendar month coinciding with or next following Our receipt of premium and any satisfactory proof of good health which We may require.

Dependents Acquired After the Effective Date

Newborn Children: Your newborn child is automatically covered from the moment of birth until such child is 31 days old. However, You must notify Us in writing within 31 days of such birth and pay the required additional premium, if any, in order to have coverage for the newborn child continue beyond such 31 day period.

Adopted Child: Coverage for a child adopted by You is effective upon the earlier of the date of placement for the purpose of adoption or the date of the entry of an order granting You custody of the child for purposes of adoption. Coverage will continue unless the placement is disrupted prior to legal adoption and the child is removed from placement. However, You must notify Us in writing within 31 days of such adoption and pay the required additional premium, if any, in order to have coverage for the adopted child continue beyond such 31 day period.

Other Than Newborn or Adopted Child: A person who qualifies as a Dependent after the Effective Date of coverage may be insured under this Certificate. An application for insurance must be sent to Us within 31 days after the person first qualifies as a Dependent, and the required premium must be paid. Coverage takes effect as of the date the person first qualifies as a Dependent.

If the application for insurance is received more than 31 days after the person first qualifies as a Dependent, coverage will be effective on the first day of the calendar month coinciding with or next following Our receipt of premium and approval of any satisfactory proof of good health which We may require.

TERMINATION

The insurance on any Covered Person shall automatically terminate on the earliest of:

- The date the Policy terminates;
- The date the Death Benefit is paid;
- The first day of the month after the date the Covered Person ceases to be a member of a class eligible for coverage;
- The end of the Term Period as stated in the Schedule of Benefits;
- The Date Certificate Ends as stated in the Schedule of Benefits;
- Any Premium due date at which time We terminate the Policy with 30 days written notice; or
- On the premium due date that falls on or next follows the date You attain the Termination Age stated in the Schedule of Benefits.

CONVERSION PRIVILEGE

Your Conversion Privilege

You may convert Your coverage to a different individual policy if:

- Your coverage terminates or is reduced, while the Policy is in force, and one of the following applies:
 - a) You are no longer in a class eligible for coverage; or
 - b) You change from one eligible class to another providing lower benefits.

The amount of life insurance may not exceed the amount terminated under the Policy.

- You have been continuously insured under the Policy for at least 5 years and Your coverage terminates because the Policy terminates, or the Policy is amended so as to terminate insurance for Your class.

The amount of insurance for this converted policy will be the lesser of:

- a) \$10,000; or
- b) The amount for which You were insured under the Policy.

You may not exercise this Conversion Privilege if Your coverage ends due to Your request to end Your coverage or membership in an eligible class.

To convert Your coverage You must:

Make written application to Us within 31 days after Your insurance ends; and

- Include the first premium payment with Your application. The premium will be based on the rates filed by Us for the policy to be issued. It will also be based on Your attained age and class of risk, and the amount of insurance.

When We receive Your written application and first premium payment, We will issue to You an individual life insurance policy. The issuance of the policy will be subject to the following conditions:

- No proof of insurability is needed;
- The individual policy will be on one of the forms, that We issue for conversion coverage; and
- The individual policy may not contain disability, accidental death and dismemberment or other supplementary benefits.

Any individual policy issued under this Conversion Privilege will be in lieu of all other benefits under this Certificate.

If You die within the 31-day conversion period, We will pay, upon receipt of proof of Your death, the amount of Your life insurance that You were entitled to convert. The claim will be paid under the Group Policy, even if the application or payment of the first premium for the individual policy has not been made.

If You have converted Your coverage to an individual policy, You will not have to surrender Your conversion policy if You become insured again under this Certificate. If You once again become ineligible for coverage under this Certificate, You will not be able to convert Your coverage a second time if Your original individual conversion policy is still in force.

We will notify You in writing of Your rights to convert Your coverage under this Certificate. If the notice is not received within 31 days after Your insurance terminates, the application period for conversion may be extended for an additional 60 days. In no event will the application period exceed 91 days following the date of Your termination.

Dependents Conversion Privilege

Your Dependent may convert his coverage to an individual policy if:

- Your Dependent's coverage terminates or reduced, while this Certificate is in force, and one of the following applies:
 - (a) You are no longer in an Eligible Class;
 - (b) You are no longer in a class eligible for Dependent coverage;
 - (c) You die; or
 - (d) He ceases to be a Dependent, as defined.

The amount of life insurance may not exceed the amount for which Your Dependent was insured under this Certificate.

- Your Dependent has been continuously insured under this Certificate for at least 5 years and his coverage terminates because this Certificate terminates, or this Certificate is amended so as to terminate insurance for his class.
- The amount of insurance for this insurance certificate will be the lesser of:
 - (a) \$10,000; or
 - (b) The amount for which Your Dependent was insured under this Certificate. The amount will be reduced by any amount for which Your Dependent is or becomes eligible under any group life insurance policy within 31 days of termination.

To convert his Life Insurance coverage Your Dependent must:

- Make written application to Us within:
 - (a) 60 days of the termination of his insurance due to Your death; or
 - (b) 31 days of the termination of his insurance in all other cases.
- Include the first premium payment with his application. The premium will be based on the rates filed by Us for the policy to be issued. It will also be based on his attained age and class of risk, and the amount of insurance.

When we receive Your Dependent's written application and first premium payment, We will issue to him an individual life insurance policy. The issuance of the policy will be subject to the following conditions:

- No proof of insurability is needed;
- The individual policy will be on one of the forms, that We issue for conversion coverage; and
- The individual policy may not contain disability, accidental death and dismemberment or other supplementary benefits.

Any individual policy issued under this Conversion Privilege will be in lieu of all other benefits under this Certificate.

If Your Dependent dies within the 31-day conversion period, We will pay, upon receipt of proof of Your Dependent's death, the amount of life insurance that Your Dependent was entitled to convert. The claim will be paid under the Group Policy, even if the application or payment of the first premium for the individual policy has not been made.

If Your Dependent has converted his coverage to an individual policy, he will not have to surrender such policy if he becomes insured again under this Certificate. If Your Dependent once again becomes ineligible for coverage under this Certificate, he will not be able to convert his coverage a second time if his original individual conversion policy is still in force.

We will notify Your Dependent in writing of his rights to convert his coverage under this Certificate. If the notice is not received within 31 days after insurance terminates, the application period for conversion may be extended for an additional 60 days. In no event will the application period exceed 91 days following the date of his termination.

PREMIUMS

Payment Of Premiums: Premium must be paid on or before the date they are due. We must agree upon the mode of Your payment.

Premiums: The Schedule of Benefits shows the Premium for this Certificate, if any, and any optional benefits attached on the Certificate Date. You may pay this Premium at Our Home Office or to Our authorized designee.

The First Premium is due on or before the Certificate Date. Each later Premium is due on or before the end of the period covered by the preceding Premium. The Premiums are payable until the end of the First Term Period, or until the Covered Person's death. The First Term Period is shown in the Schedule of Benefits.

(renewable term)

Renewal Privilege: This Certificate may be renewed until the earlier of the date the Group Policy ends or the end of the First Term Period and any later term period until the Date Certificate Ends. To renew, just send Us the applicable renewal Premium within 31 days after the end of the preceding term period and while coverage under the Policy is in force. The renewal Premium is shown in the Table of Renewable Term Premiums. The Date Certificate Ends is shown in the Schedule of Benefits.

(renewable term)

Grace Period: A grace period of 31 days will be allowed for each Premium payment after the first Premium payment. Coverage will stay in force during this time unless We, the Policyholder or You have given written notice of an earlier termination date. Coverage under this Certificate will terminate as of the date Premium was due if Premium has not been paid. All unpaid premium must be paid in order for coverage to continue. This includes the Premium due for the grace period. If any Covered Person dies within the Grace Period, any unpaid Premium will be deducted from the Death Benefit.

If cancellation is during the grace period, the pro rata Premium for that part of the grace period coverage was in force must be paid.

Reinstatement: If this Certificate lapses due to non payment of premiums, it may be reinstated, provided the Policy is in force and You are an Eligible Person. Reinstatement is subject to the following conditions:

- You must submit a written request and application within 5 years after the date of lapse.
- We must approve the application for reinstatement, and We may require proof of insurability acceptable to Us.
- You must pay all past due Premiums with interest compounded annually. The Certificate Reinstatement Interest Rate will not be more than the rate shown in the Schedule of Benefits.

Coverage under any reinstated Certificate will not begin until the monthly Certificate Anniversary date on or after the date We approve the application for reinstatement.

DEATH BENEFIT

We will pay a Death Benefit to the Beneficiary if a Covered Person dies while this Certificate is in force and before the Date Certificate Ends as shown in the Schedule of Benefits. Subject to the terms and provisions of this Certificate, the Death Benefit will be the amount of life insurance payable as shown on the Schedule of Benefits.

(renewable term)

SUICIDE EXCLUSION

If a Covered Person dies as the result of suicide or any attempt at suicide, while sane or insane within two years of his Effective Date of coverage, We will be liable only for an amount equal to the Premium paid.

With respect to an increase in the amount of insurance, We will consider the two year period to begin as of the effective date of such increase.

Our return of such Premium will be in lieu of all other benefits under this Certificate which may have been payable for that Covered Person.

ACCIDENTAL DEATH BENEFIT

If, within 90 days from the date of an Accident which occurs while coverage is in force, Injury from such Accident results in a loss covered by this benefit, We will pay the benefit in the amount set opposite such loss, as shown on the Schedule of Benefits. If more than one such loss is sustained as the result of one Accident, We will pay only one amount, the largest to which the Covered Person is entitled.

This benefit is subject to all the terms, conditions and exclusions of this Certificate.

Exclusions: No benefits are payable for any loss caused by:

- Suicide or intentionally self-inflicted Injury while sane or insane.
- War or any act of war, declared or undeclared.
- Travel, or flight in or descent from any kind of aircraft unless as a fare paying passenger on a regularly scheduled flight.
- As a passenger on an official flight of the Military Airlift Command of the United States or similar air transport services of other countries.
- Infections, except infections which occur simultaneously with or through a cut or wound sustained as the direct result of an Injury, independent of any other cause; and
- The non-accidental ingestion of a contaminated substance.
- Being under the influence of alcohol or any drug unless administered and taken as prescribed by a Doctor.
- Participation in an attempt to commit an assault or felony, or participation in a riot.
- Voluntary gas inhalation or poison voluntarily taken, administered or inhaled.
- Riding or driving as a professional in any kind of race for prize money or profit.

OWNER AND BENEFICIARY

Owner

You are the original Owner of this Certificate unless someone else is shown as Owner in the enrollment form. Ownership may be changed in accordance with the provisions captioned "Change in Owner or Beneficiary." During Your lifetime, the Owner may exercise every right this Certificate gives or We allow. If the Owner dies during Your lifetime, You will become the Owner. All changes are subject to the rights of any assignee of record, and to any endorsement on this Certificate limiting such rights.

Beneficiary

The Beneficiary is as named in the application unless changed as provided for in this Certificate. If the Beneficiary dies before You, the interest of that Beneficiary will pass to You, unless contingent Beneficiary(ies) have been named and survive. If no Beneficiary(ies) survive You, all interest of the Beneficiary(ies) will pass to You. We may rely on affidavits or other evidence in identifying the persons in any class named as Beneficiary. Any payment We make in good faith based on an affidavit or other evidence shall satisfy to that extent what We owe on this Certificate.

Change in Owner or Beneficiary: Unless this Certificate provides otherwise, while You are living, You or the Beneficiary(ies), or both, may be changed by filing with Us a signed written request for such change. If the designation to be changed is irrevocable, You must also provide the written consent of the current Beneficiary. The change will not take effect until recorded by Us at Our Home Office. Once recorded, the change will be effective as of the date the request was signed and will have no effect on any payment made by Us before recording it.

PAYMENT OF CLAIMS

To Whom Benefits Are Payable:

Dependent Death Benefits will be paid in a lump sum to You. If You should die before receiving the insurance proceeds, We will pay them to Your estate.

If a Beneficiary dies simultaneously with You, or within 10 days of Your death, Benefits will be paid as if You survived Your Beneficiary.

If You name more than one Beneficiary and do not specify the amounts, percentage shares, or order of payment of the Beneficiaries, any proceeds that become payable under this Certificate will be divided equally among all Beneficiaries. The share of any Beneficiary who has died before You will go equally to the surviving Beneficiaries, unless Your Beneficiary designation states otherwise.

If a Beneficiary is a minor or is not legally competent, We may, at Our option, pay up to \$2,000 to the person or entity that has in Our opinion assumed custody and main support of such person. We will do this until the Beneficiary's legal guardian makes a formal claim.

At Our option, We may pay a part of the Death Benefit to any person who has incurred funeral or other expenses on Your behalf incident to Your last sickness and death. The maximum amount of such payment is limited to \$250.

Any payment made by Us in good faith, will fully discharge Our liability to the extent of such payment.

No Valid Beneficiary Designation In Effect At The Time Of Your Death: Your death proceeds will be paid to Your estate if:

- You die without naming a Beneficiary; or
- All of Your Beneficiaries have died before You.

If payment would otherwise be payable to Your estate due to the above, We have the right to pay all or a part of the benefit to the first of the following classes of surviving relatives: Your spouse; Your children; Your parents; or Your siblings.

Any payment made by Us in good faith, will fully discharge Our liability to the extent of such payment.

SINGLE LUMP SUM PAYMENT.

Single Lump Sum Payment: We will pay the Death Benefit in a single lump sum payment, unless otherwise agreed. We will pay the benefits at Our Home Office. This Certificate must be turned in to Us when We pay the benefit.

Interest on Single Lump Sum Payment: We will add interest to Our single lump sum payment. Interest will begin to accrue twenty (20) days from the date of receipt of due proof of the Covered Person's death. The interest rate will be calculated at the same rate paid on deposits with Us.

GENERAL PROVISIONS

Entire Contract; Changes: The Policy, including this Certificate, endorsements and the attached papers, if any, constitutes the entire contract of insurance. No change in the Policy shall be valid until approved by an executive officer of the Company and unless such approval is noted on or attached to the Policy. No agent has authority to change the Policy or waive any of its provisions.

Failure by Us to enforce any Policy provision shall not waive, modify or render such provision unenforceable at any other time; at any given time; or under any given set of circumstances, whether the circumstances are or are not the same.

Incontestability: All statements made in an enrollment form by You are representations and not warranties. No statement shall be used to contest this Certificate, the validity of coverage or reduce benefits, unless it is in writing, signed by You, and a copy of such statement is furnished to You.

After a Covered Person's coverage has been in force for 2 years under this Certificate, no statement of that Covered Person shall be used to void his insurance or to deny or reduce a claim for loss incurred after the 2 year period, except non-payment of premium.

Any reinstatement for which We require an application showing insurability will be incontestable after this Certificate has been in force during the Insured's lifetime for 2 years from the effective date of the reinstatement. Any contest of a reinstatement will be based on statements made in the application for the reinstatement.

Proof of Death: Any Death Benefit payable will be paid within 60 days after We receive due proof of the Covered Person's death, and if We fail to do so without just cause, the amount due shall bear interest at the rate of 8 percent per annum from the date of receipt of due proof of death by Us until paid. Such proof must be sent to Our Home Office in Glenview, Illinois. Claim forms will be made available to the Beneficiary upon request.

Misstatement of Age: If the age of any Covered Person has been misstated, there shall be an equitable adjustment of Premium. If the amount of insurance for the Covered Person, in accordance with the terms of this Certificate, would be affected by the misstatement of age, the amount of insurance shall be adjusted to the amount to which the Covered Person would have been entitled at his correct age and the adjustment in Premiums shall be based on the adjusted amount of insurance. The Policyholder or You will be required to pay any additional Premium.

Assignment: You may assign Your rights under this Certificate. The assignment must be in writing and filed at Our Home Office. The assignment will not take effect until filed and acknowledged by Us. The assignment will be effective as of the date the request was filed and will have no effect on any payment made by Us before the assignment was filed.

Unless specifically provided otherwise, any such assignment will operate to revoke and remove the interest of all beneficiaries previously designated by You. It will also automatically operate to designate the assignee as Your beneficiary.

Any benefits which become payable to an assignee will be payable in a lump sum. Any claim made by an assignee will be subject to proof of the assignee's interest and the extent of the assignment.

We will assume no responsibility for the validity or sufficiency of any such assignment.

Non-Participating

This Certificate is non-participating. It does not share in the Company's profits or surplus earnings.

Physical Examination and Autopsy: We, at Our own expense, shall have the right and opportunity to examine the Covered Person as it may reasonably require while a claim is pending. We, at Our own expense, may also have the right to make an autopsy in the case of death, where it is not prohibited by law.

**SUMMARY OF THE LOUISIANA LIFE AND HEALTH
INSURANCE GUARANTY ASSOCIATION LAW AND
NOTICE CONCERNING COVERAGE
LIMITATIONS AND EXCLUSIONS**

Residents of Louisiana who purchase life insurance, annuities, or health insurance should know that the insurance companies licensed in this state to write these types of insurance are required by law to be members of the Louisiana Life and Health Insurance Guaranty Association (LLHIGA). The purpose of LLHIGA is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this happens, LLHIGA will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state, and in some cases, to keep coverage in force. However, the valuable extra protection provided by these insurers through LLHIGA is limited. As noted in the disclaimer below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

Disclaimer

The Louisiana Life and Health Insurance Guaranty Association provides coverage of claims under some types of policies if the insurer becomes impaired or insolvent. *COVERAGE MAY NOT BE AVAILABLE FOR YOUR POLICY.* Even if coverage is provided, there are significant limits and exclusions. Coverage is generally conditioned upon residence in this state. Other conditions may also preclude coverage.

Insurance companies and insurance agents are prohibited by law from using the existence of the association or its coverage to sell you an insurance policy.

You should not rely on the availability of coverage under the Louisiana Life and Health Insurance Guaranty Association when selecting an insurer.

The Louisiana Life and Health Insurance Guaranty Association or the Department of Insurance will respond to any questions you may have which are not answered by this document.

The state law that provides for this safety-net coverage is called the Louisiana Life and Health Insurance Guaranty Association Law (the law), and is set forth at R.S. 22:2081 *et seq.* The following is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change any person's rights or obligations under the law or the rights or obligations of LLHIGA.

COVERAGE

Generally, individuals will be protected by the Life and Health Insurance Guaranty Association if they live in this state and hold a direct non-group life, health, or annuity policy or contract, a certificate under a direct group policy or contract for a supplemental contract to any of these, or an unallocated annuity contract, issued by an insurer authorized to conduct business in Louisiana. The beneficiaries, payees or assignees of insured persons may also be protected as well even if they live in another state unless they are afforded coverage by the guaranty association of another state, or other circumstances described under the law are applicable.

(over)

EXCLUSIONS FROM COVERAGE

A person who holds a direct non-group life, health, or annuity policy or contract, a certificate under a direct group policy or contract for a supplemental contract to any of these, or an unallocated annuity contract is not protected by LLHIGA if:

- (1) He is eligible for protection under the laws of another state (This may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state.);
- (2) The insurer was not authorized to do business in this state;
- (3) His policy was issued by a profit or nonprofit hospital or medical service organization, an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, an insurance exchange, an organization that issues charitable gift annuities as is defined in R.S. 22:952(A)(3), or any entity similar to any of these.

LLHIGA also does not provide coverage for:

- (1) Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- (2) Any policy of reinsurance (unless an assumption certificate was issued);

- (3) For any one insured life, regardless of the number of policies or contracts there are with the same company, LLHIGA will pay a maximum of \$500,000 in health insurance benefits, and LLHIGA will pay a maximum of \$250,000 in present value of annuities, including net cash surrender and net cash withdrawal values.
