## CERTIFICATE OF INSURANCE

This is Your Certificate of Insurance (Certificate) while You are insured. It briefly explains the rights and benefits that are determined by the Master policy (policy). The policy is a legal contract between the Policyholder and Us. The Policyholder is shown on the Schedule of Benefits.

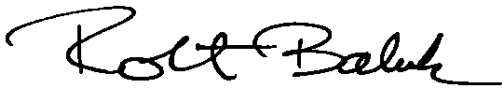

The policy alone constitutes the agreement under which payments are made. We will pay the benefits set forth in the policy. Benefit payment is governed by all the terms, conditions and limitations of the policy. The policy may be amended at any time without Your consent or notice to You. Any such amendment will not affect a claim starting before the amendment takes effect.

The policy has been issued and delivered to the Policyholder in the state of Texas. Except as otherwise stated in this Certificate, the policy will be governed by the laws of the state where the policy was issued. The policy is held by the Policyholder. You may inspect it at any time during business hours at the office of the Policyholder.

This Certificate was issued on the basis that the information on Your enrollment form was correct and complete. If any information on the enrollment form was not correct, write to Us within ten days of receipt of this Certificate. An error or omission in Your enrollment form may result in loss of coverage as of its Certificate Effective Date.

**Right to Examine:** If You are not satisfied with this Certificate, return it to Our home office within twenty (20) days after the date You received it. This Certificate will then be canceled and any Premium paid will be refunded.

## CONDITIONS OF INSURANCE

### ELIGIBILITY

**Insured:** You are eligible for coverage if You meet the definition of Covered Person and you are a member of an Eligible Class shown in the Schedule of Benefits.

**Dependent** (*See Schedule of Benefit Page for Dependent Eligibility*): When a Dependent is a member of an eligible Class, such Dependent is eligible for coverage on the later of:

- The date You become eligible for insurance; or
- The date You acquire the Dependent.

A Dependent is deemed to be acquired as follows:

Spouse: On the date of the marriage to You or the effective date of the partnership.

Natural child: On the date of birth.

Adopted child: From the moment of placement with You for the purpose of adoption, as certified by the agency making the placement.

Stepchild: On the date of Your marriage to or Your partnership with the child's parent.

### CERTIFICATE EFFECTIVE DATES OF COVERAGE

#### **Insured**

Your Certificate Effective Date of coverage is shown in the Schedule of Benefits.

**Dependent, except Dependents Acquired After the Certificate Effective Date:** The Certificate Effective Date of coverage for a Dependent is shown in the Schedule of Benefits. In no event will Dependent coverage become effective prior to the date Your coverage becomes effective. If a Dependent is Totally Disabled on the date on which he would become insured, his effective date will be delayed until 12:01 a.m. of the day following the date the Total Disability ends.

Total Disability/Totally Disabled means, with respect to a covered Dependent, hospital confinement. Hospital Confinement means confinement in a Hospital for at least 18 consecutive hours for which a room and board charge is made.

A person who qualifies as a Dependent on the Certificate Effective Date whom You choose not to have insured under this Certificate as of that date may become insured at a later date subject to payment of the required premium and Our approval of any satisfactory proof of good health which We may require. Coverage would take effective on the first day of the calendar month coinciding with or next following Our receipt of premium and any satisfactory proof of good health which We may require.

## Dependents Acquired After the Certificate Effective Date

**Newborn Children:** Your newborn child is automatically covered from the moment of birth until such child is 31 days old. However, You must notify Us in writing within 31 days of such birth and pay the required additional premium, if any, in order to have coverage for the newborn child continue beyond such 31 day period.

**Adopted Child:** Coverage for a child adopted by You is effective upon the earlier of the date of placement for the purpose of adoption or the date of the entry of an order granting You custody of the child for purposes of adoption. Coverage will continue unless the placement is disrupted prior to legal adoption and the child is removed from placement. However, You must notify Us in writing within 31 days of such adoption and pay the required additional premium, if any, in order to have coverage for the adopted child continue beyond such 31 day period.

**Other Than Newborn or Adopted Child:** A person who qualifies as a Dependent after the Certificate Effective Date of coverage may be insured under this Certificate. An enrollment for insurance must be sent to Us within 31 days after the person first qualifies as a Dependent, and the required premium must be paid. Coverage takes effect as of the date the person first qualifies as a Dependent.

If the enrollment for insurance is received more than 31 days after the person first qualifies as a Dependent, coverage will be effective on the first day of the calendar month coinciding with or next following Our receipt of premium and approval of any satisfactory proof of good health which We may require.

## TERMINATION

The insurance on any Covered Person shall automatically terminate on the earliest of:

- The date the policy terminates;
- The date the Death Benefit is paid;
- The first day of the month after the date the Covered Person ceases to be a member of a class eligible for coverage;
- The Date Certificate Ends as stated in the Schedule of Benefits;
- Any Premium due date at which time We terminate the policy with 30 days written notice; or
- On the premium due date that falls on or next follows the date You attain the Termination Age stated in the Schedule of Benefits.

## CONVERSION PRIVILEGE

### Your Conversion Privilege

You may convert Your coverage to an individual policy if:

- Your coverage terminates or is reduced, while the policy is in force, and one of the following applies:
  - a) You are no longer in a class eligible for coverage; or
  - b) You change from one eligible class to another providing lower benefits.

The amount of life insurance may not exceed the amount terminated under the policy.

- You have been continuously insured under the group policy or the group policy it replaces, if any, for a total of at least 5 years and Your coverage terminates because the group policy terminates, or the group policy is amended so as to terminate insurance for Your class.

The amount of insurance for this converted policy will be the lesser of:

- a) \$10,000; or
- b) The amount for which You were insured under the policy.

You may not exercise this Conversion Privilege if Your coverage ends due to Your request to end Your coverage or membership in an eligible class.

To convert Your coverage You must:

Make written application to Us within 31 days after Your insurance ends; and

- Include the first premium payment with Your application. The premium will be based on the rates filed by Us for the policy to be issued. It will also be based on Your attained age and class of risk, and the amount of insurance.

When We receive Your written application and first premium payment, We will issue to You an individual life insurance policy. The issuance of the policy will be subject to the following conditions:

- No proof of insurability is needed;
- The individual policy will be on one of the forms, except term insurance, that We issue for conversion coverage; and
- The individual policy may not contain disability, accidental death and dismemberment or other supplementary benefits.

If You die within the 31-day conversion period, We will pay, upon receipt of proof of Your death, the amount of Your life insurance that You were entitled to convert. The claim will be paid under the group policy, even if the application or payment of the first premium for the individual policy has not been made.

If You have converted Your coverage to an individual policy, You will not have to surrender Your conversion policy if You become insured again under this Certificate.

We will notify You in writing of Your rights to convert Your coverage under this Certificate. If the notice is not received within 31 days after Your insurance terminates, the application period for conversion may be extended for an additional 60 days. In no event will the application period exceed 91 days following the date of Your termination.

### **Dependents Conversion Privilege**

Your Dependent may convert his coverage to an individual policy if:

- Your Dependent's coverage terminates or reduced, while this Certificate is in force, and one of the following applies:
  - (a) You are no longer in an Eligible Class;
  - (b) You are no longer in a class eligible for Dependent coverage;
  - (c) You die; or
  - (d) He ceases to be a Dependent, as defined.

The amount of life insurance may not exceed the amount for which Your Dependent was insured under this Certificate.

- Your Dependent has been continuously insured under the group policy or the group policy it replaces, if any, for a total of at least 5 years and his coverage terminates because the group policy terminates, or the group policy is amended so as to terminate insurance for his class.
- The amount of insurance for this insurance certificate will be the lesser of:
  - (a) \$10,000; or
  - (b) The amount for which Your Dependent was insured under this Certificate. The amount will be reduced by any amount for which Your Dependent is or becomes eligible under any group life insurance policy within 31 days of termination.

To convert his Life Insurance coverage Your Dependent must:

- Make written application to Us within:
  - (a) 60 days of the termination of his insurance due to Your death; or
  - (b) 31 days of the termination of his insurance in all other cases.
- Include the first premium payment with his application. The premium will be based on the rates filed by Us for the policy to be issued. It will also be based on his attained age and class of risk, and the amount of insurance.

When we receive Your Dependent's written application and first premium payment, We will issue to him an individual life insurance policy. The issuance of the policy will be subject to the following conditions:

- No proof of insurability is needed;
- The individual policy will be on one of the forms, except term insurance, that We issue for conversion coverage; and
- The individual policy may not contain disability, accidental death and dismemberment or other supplementary benefits.

If Your Dependent dies within the 31-day conversion period, We will pay, upon receipt of proof of Your Dependent's death, the amount of life insurance that Your Dependent was entitled to convert. The claim will be paid under the group policy, even if the application or payment of the first premium for the individual policy has not been made.

If Your Dependent has converted his coverage to an individual policy, he will not have to surrender such policy if he becomes insured again under this Certificate.

We will notify Your Dependent in writing of his rights to convert his coverage under this Certificate. If the notice is not received within 31 days after insurance terminates, the application period for conversion may be extended for an additional 60 days. In no event will the application period exceed 91 days following the date of his termination.

## DEATH BENEFIT

We will pay a Death Benefit to the Beneficiary if a Covered Person dies while this Certificate is in force and before the Date Certificate Ends as shown in the Schedule of Benefits. Subject to the terms and provisions of this Certificate, the Death Benefit will be the amount of life insurance payable as shown on the Schedule of Benefits.

## SUICIDE EXCLUSION

If a Covered Person dies as the result of suicide or any attempt at suicide, while sane or insane within two years of his Certificate Effective Date of coverage, We will be liable only for an amount equal to the Premium paid.

With respect to an increase in the amount of insurance, We will consider the two year period to begin as of the effective date of such increase.

Our return of such Premium will be in lieu of all other benefits under this Certificate which may have been payable for that Covered Person.

## ACCIDENTAL DEATH BENEFIT

If, within 90 days from the date of an Accident which occurs while coverage is in force, Injury from such Accident results in a loss covered by this benefit, We will pay the benefit in the amount set opposite such loss, as shown on the Schedule of Benefits. If more than one such loss is sustained as the result of one Accident, We will pay only one amount, the largest to which the Covered Person is entitled.

This benefit is subject to all the terms, conditions and exclusions of this Certificate.

**Exclusions:** No benefits are payable for any loss caused by:

- Suicide or intentionally self-inflicted Injury while sane or insane during the first two years of coverage.
- War or any act of war, declared or undeclared for:
  - Military - under the following conditions:
    - (1) As a result of war or act of war, if the cause of death occurs while the insured is serving in the military, naval or air forces of any country, combination of countries or international organization, provided such death occurs while in such forces or within six months after termination of service in such forces; or
    - (2) As a result of the special hazards incident to service in the military, naval or air forces of any country, combination of countries or international organization, if the cause of death occurs while the insured is serving in such forces and is outside the Home Area, provided such death occurs outside the Home Area or within six months after the insured's return to the Home Area or area in such forces or within six months after the termination of service in such forces, whichever is earlier.
  - Non-combatant - under the following conditions:
    - (1) As a result of war or an act of war while the insured is serving in any civilian non-combatant unit serving with such forces, provided such death occurs while in such units or within six months after termination of service in such units, whichever is earlier.
    - (2) As a result of the special hazards incident to service in any civilian non-combatant unit serving with such forces, if the cause of death occurs while the insured is serving in such units and is outside the Home Area, provided such death occurs outside the Home Area or within six months after the insured's return to the Home Area in such units or within six months after the termination of service in such units, whichever is earlier.
  - Civilian - under the following conditions:
    - (1) As a result of war or an act of war, within two years from the date of issue of the Certificate, while the insured is not in such forces or units, if the cause of death occurs while the insured is outside the Home Area, provided such death occurs outside the Home Area or within six months after the insured's return to the Home Area.

## OWNER AND BENEFICIARY

### Owner

You are the original Owner of this Certificate unless someone else is shown as Owner in the enrollment form. Ownership may be changed in accordance with the provisions captioned "Change in Owner or Beneficiary." During Your lifetime, the Owner may exercise every right this Certificate gives or We allow. If the Owner dies during Your lifetime, You will become the Owner. All changes are subject to the rights of any assignee of record, and to any endorsement on this Certificate limiting such rights.

### Beneficiary

The Beneficiary is as named in the enrollment form unless changed as provided for in this Certificate. If the Beneficiary dies before You, the interest of that Beneficiary will pass to You, unless contingent Beneficiary(ies) have been named and survive. If no Beneficiary(ies) survive You, all interest of the Beneficiary(ies) will pass to You. We may rely on affidavits or other evidence in identifying the persons in any class named as Beneficiary. Any payment We make in good faith based on an affidavit or other evidence shall satisfy to that extent what We owe on this Certificate.

**Change in Owner or Beneficiary:** Unless this Certificate provides otherwise, while You are living, You or the Beneficiary(ies), or both, may be changed by filing with Us a signed written request for such change. If the designation to be changed is irrevocable, You must also provide the written consent of the current Beneficiary. The change will not take effect until recorded by Us at Our Home Office. Once recorded, the change will be effective as of the date the request was signed and will have no effect on any payment made by Us before recording it.

## PAYMENT OF CLAIMS

### To Whom Benefits Are Payable:

If a Beneficiary dies simultaneously with You, or within 10 days of Your death, Benefits will be paid as if You survived Your Beneficiary.

If You name more than one Beneficiary and do not specify the amounts, percentage shares, or order of payment of the Beneficiaries, any proceeds that become payable under this Certificate will be divided equally among all Beneficiaries. The share of any Beneficiary who has died before You will go equally to the surviving Beneficiaries, unless Your Beneficiary designation states otherwise.

If a Beneficiary is a minor or is not legally competent, We may, at Our option, pay up to \$2,000 to the person or entity that has in Our opinion assumed custody and main support of such person. We will do this until the Beneficiary's legal guardian makes a formal claim.

At Our option, We may pay a part of the Death Benefit to any person who has incurred funeral or other expenses on Your behalf incident to Your last sickness and death. The maximum amount of such payment is limited to \$500.

Any payment made by Us in good faith, will fully discharge Our liability to the extent of such payment.

**No Valid Beneficiary Designation In Effect At The Time Of Your Death:** Your death proceeds will be paid to Your estate if:

- You die without naming a Beneficiary; or
- All of Your Beneficiaries have died before You.

If payment would otherwise be payable to Your estate due to the above, We have the right to pay all or a part of the benefit to the first of the following classes of surviving relatives: Your spouse; Your children; Your parents; or Your siblings.

Any payment made by Us in good faith, will fully discharge Our liability to the extent of such payment.

### SINGLE LUMP SUM PAYMENT.

**Single Lump Sum Payment:** We will pay the Death Benefit in a single lump sum payment, unless otherwise agreed. We will pay the benefits at Our Home Office. This Certificate must be turned in to Us when We pay the benefit.

**Interest on Single Lump Sum Payment:** We will add interest to Our single lump sum payment. We will compute the interest from the date of the Covered Person's death until the date of Our payment. The interest rate will be as required by law.

## GENERAL PROVISIONS

**Entire Contract; Changes:** The policy, including this Certificate, endorsements, the Policyholder's Application, the Covered Person's enrollment form, if any, and any attached papers, constitutes the entire contract of insurance. A copy of the Covered Person's enrollment form is attached to and made a part of this Certificate. No change in the policy shall be valid until approved by an executive officer of the Company and unless such approval is noted on or attached to the policy. No agent has authority to change the policy or waive any of its provisions.

Failure by Us to enforce any policy provision shall not waive, modify or render such provision unenforceable at any other time; at any given time; or under any given set of circumstances, whether the circumstances are or are not the same.

**Incontestability:** All statements made in an enrollment form by You are representations and not warranties. No statement shall be used to contest this Certificate, the validity of coverage or reduce benefits, unless it is in writing, signed by You, and a copy of such statement is furnished to You.

After a Covered Person's coverage has been in force for 2 years under this Certificate, no statement of that Covered Person shall be used to void his insurance or to deny or reduce a claim for loss incurred after the 2 year period, except non-payment of premium.

Any reinstatement for which We require an application showing insurability will be incontestable after this Certificate has been in force during the Insured's lifetime for 2 years from the Certificate Effective Date of the reinstatement. Any contest of a reinstatement will be based on statements made in the application for the reinstatement.

**Proof of Death:** Any Death Benefit payable will be paid within 60 days of Our receipt of due proof of the Covered Person's death. Such proof must be sent to Our Home Office in Glenview, Illinois. Claim forms will be made available to the Beneficiary upon request.

If a claim or a portion of a claim for benefits requires additional investigation or is denied by Us, the claimant will be notified in writing no later than the 45th calendar day following Our receipt of due proof of death, that the claim is subject to additional investigation or denied, and the reason for the claim investigation or denial. The notice will not state the reason the claim is being investigated if We reasonably believe that the claim constitutes probable cause for fraud. Upon receipt of any document or information requested relating to a claim or portion of a claim under investigation, We will pay the benefits for which the claim is made or deny the claim no later than the 90th calendar day following the receipt of the document or information. Any payment of a claim not made in the time frames stated will be paid with interest equal to the average rate of return of the State of New Jersey Cash Management Fund for the preceding fiscal year, rounded to the nearest one-half percent.

**Misstatement of Age:** If the age of any Covered Person has been misstated, there shall be an equitable adjustment of Premium. If the amount of insurance for the Covered Person, in accordance with the terms of this Certificate, would be affected by the misstatement of age, the amount of insurance shall be adjusted to the amount to which the Covered Person would have been entitled at his correct age and the adjustment in Premiums shall be based on the adjusted amount of insurance. The Policyholder or You will be required to pay any additional Premium.

**Assignment:** You may assign Your rights under this Certificate. The assignment must be in writing and filed at Our Home Office. The assignment will not take effect until filed and acknowledged by Us. The assignment will be effective as of the date the request was filed and will have no effect on any payment made by Us before the assignment was filed.

Unless specifically provided otherwise, any such assignment will operate to revoke and remove the interest of all beneficiaries previously designated by You. It will also automatically operate to designate the assignee as Your beneficiary.

Any benefits which become payable to an assignee will be payable in a lump sum. Any claim made by an assignee will be subject to proof of the assignee's interest and the extent of the assignment.

We will assume no responsibility for the validity or sufficiency of any such assignment.

### **Non-Participating**

This Certificate is non-participating. It does not share in the Company's profits or surplus earnings.

## NOTICE

### NEW JERSEY LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT

Residents of New Jersey who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the New Jersey Life and Health Insurance Guaranty Association.

The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force.

The valuable extra protection provided by these insurers through the Guaranty Association is not unlimited, however. And, as noted below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

### DISCLAIMER

The New Jersey Life and Health Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in New Jersey. You should not rely on coverage by the New Jersey Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy.

The New Jersey Life and Health Insurance  
Guaranty Association  
One Gateway Center  
7th Floor  
Newark, NJ 07102

State of New Jersey  
Department of Insurance  
20 West State Street  
CN-325  
Trenton, NJ 08625

The state law that provides for this safety-net coverage is called the New Jersey Life and Health Insurance Guaranty Association Act, N.J.S.A. 17B:32A-1, et seq.(the "Act").

## **COVERAGE**

The following is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in anyway change anyone's rights or obligations under the act or the rights or obligations of the guaranty association.

Generally, individuals will be protected by the Life and Health Insurance Guaranty Association if they live in New Jersey and hold a life, health or long-term care insurance contract, annuity contract, or if they are insured under a group insurance contract, issued by a member insurer.

The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

## **EXCLUSIONS FROM COVERAGE**

However, persons holding such policies are not protected by this Association If:

- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- the insurer was not authorized to do business in this state;
- the policy is issued by an organization which is not a member of the New Jersey Life and Health Insurance Guaranty Association.
- The Association also does not provide coverage for:
  - any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
  - any policy of reinsurance (unless an assumption certificate was issued);
  - interest rate yields that exceed an average rate as more fully described in Section 3 of the Act;
  - dividends;
  - credits given in connection with the administration of a policy by a group contractholder;
  - employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them).

## **LIMITS ON AMOUNT OF COVERAGE**

The act also limits the amount the Association is obligated to pay out. The Association cannot pay more than what the insurance company would owe under a policy or contract.

With respect to any one insured individual, regardless of the number of policies or contracts, the Association will pay not more than \$500,000 in life insurance death benefits and present value annuity benefits, included net cash surrender and net cash withdrawal values. Within this overall limit, the Association will not pay more than \$100,000 in cash surrender values for life insurance, \$100,000 in cash surrender values for annuity benefits, \$500,000 in life insurance death benefits or \$500,000 in present value of annuities -- again no matter how many policies and contracts that were with the same company, and no matter how many different types of coverages.

The Association will not pay more than \$2,000,000 in benefits to any one contractholder under any one unallocated annuity contract.

There are no limits on the benefits the Association will pay with respect to any one group, blanket or individual accident and health insurance policy.
