GENERAL PROVISIONS

Policyholder Grace Period

A Grace Period of 31 days (without interest charge) is granted for the payment of any Premium Due Date after the first. The Policy will continue in effect during this period unless the Policyholder has given written notice to Us that the insurance under the Policy is to be ended on the first day before the Grace Period would otherwise start. If the Premium is not paid by the end of the Grace Period all insurance under the Policy will end on the last day of the Grace Period, and the Policyholder will owe Us all Premiums then due and unpaid including the Premium for the Grace Period.

If the Policyholder gives Us written notice that insurance under the Policy is to be ended during the Grace Period, all insurance will end on the date We receive the written notice or the date specified, if later. The Policyholder will owe Us the pro-rata Premium for the time the insurance was in effect during the Grace Period.

Assignment

You may assign the Benefits of the Policy to the Provider rendering health care services. You may not assign the Policy in any other way or to any other person. We must be notified in Writing of the assignment. The assignment will not be effective until we receive the Written notice. We assume no responsibility for the validity of any assignment.

Changes to Policy

The Policy may be amended at any time by written agreement between the Policyholder and Us, without the consent of or notice to any other individual. Any amendment to the Policy must be in Writing and be attached to it. The amendment must bear the signature or a reproduction of the signature of Our President, a Vice President, or Secretary.

Incontestability

We will not use misrepresentations made by You in a written application to contest the validity of the insurance with respect to which such statement was made, after such insurance has been in force prior to the contest for a period of two years during Your lifetime, unless the misrepresentations are fraudulent. This section does not prevent Us from using at any time a defense based on:

1. non-payment of Premium; *or*
2. any other provision of the Policy; *or*
3. any other defense that is allowed by law.

If You apply to add additional Covered Persons, the incontestable period with respect to newly added Covered Persons is for two years from such Covered Person's effective date. If You apply for increased Benefits under the Policy, We will not use misrepresentations made by You in a written application for such increase to contest the validity of the increased insurance with respect to which such statement was made, after such increase has been in force prior to the contest for a period of two years from the effective date of the increase.

Errors

You must be properly insured under the Policy. An error or omission by the Policyholder or by Us will not cause You to become Insured. An error or omission by the Policyholder or by Us will not cancel insurance that should continue nor continue insurance that should end. The requirements of the Policy must be properly met for any change in the amount of Your insurance to take effect. We have the right to full recovery of any overpayments made. Such reimbursement will be required regardless of whether the overpayment occurred due to an error by Us, or by You, or Your representative or beneficiary, or the Policyholder.

Legal Actions

No legal action may be brought against Us to recover Policy Benefits until at least 60 days after the required written Notice of Loss is submitted to Us. No such action may be brought more than 6 years after the time written Proof of Loss is required by the Policy to be given.

Misrepresentation

Any statement You make in an application to become insured is a representation and not a warranty. No representation made by You in an application to become insured will be used to reduce or deny Your Claim or contest the validity of Your insurance unless:

1. Your insurance would not have been approved except for Your misrepresentation; *and*
2. Your misrepresentation is contained in a written instrument Signed by You; *and*

3. We give You or Your representative a copy of the written instrument that contains Your misrepresentation.

Misstatement of Age or Fact

If a Covered Person's age or any other fact was misstated, We will use the correct facts to determine whether he or she is insured and if so, for what amount and duration. We will adjust Premium rates to the Covered Person's correct age. We may make this change back to the date Coverage became effective based on the misstated information.

Notice to Policyholder

Written notice given by Us to an authorized representative of the Policyholder shall be deemed notice to all affected Covered Persons in the administration of the Policy, including termination of the Policy and termination of individual Coverage under the Policy.

Workers' Compensation Not Affected

The Policy does not replace or change any requirement for coverage under Workers' Compensation insurance.

**NOTICE OF PROTECTION PROVIDED BY
WYOMING LIFE AND HEALTH INSURANCE
GUARANTY ASSOCIATION**

This notice provides a **brief summary** of the Wyoming Life and Health Insurance Guaranty Association (“the Association”) and the protection it provides for policyholders. This safety net was created under Wyoming law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that a life, annuity or health insurance company licensed in the State of Wyoming becomes financially unable to meet its obligations and is taken over by its Insurance Department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Wyoming law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association are:

- Life Insurance
 - \$300,000 in death benefits
 - \$100,000 in cash surrender or withdrawal values
- Health Insurance
 - \$300,000 in hospital, medical and surgical insurance benefits or major medical insurance
 - \$300,000 in disability insurance benefits
 - \$300,000 in disability income benefits
 - \$300,000 in long-term care insurance benefits
 - \$100,000 in other types of health insurance benefits
- Annuities
 - \$250,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$500,000.

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements and other limitations under Wyoming law.

EXCLUSIONS FROM COVERAGE

Persons holding such policies are not protected by this Association if:

1. they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
2. the insurer was not authorized to do business in this state;
3. their policy was issued by a fraternal benefit society, a mandatory state pooling plan, a local mutual burial association, a mutual assessment company, or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.

The Association also does not provide coverage for:

1. any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
2. any policy of reinsurance (unless an assumption certificate was issued pursuant to the reinsurance policy or contract);
3. interest rate yields that exceed an average rate of interest earned on an equity indexed policy;
4. dividends;
5. credits given in connection with the administration of a policy by a group contractholder;
6. annuity contracts issued by a nonprofit insurance company exclusively for the benefit of nonprofit educational institutions and their employees;
7. unallocated annuity contracts (which give rights to group contractholders, not individuals);
8. any plan or program of an employer or association that provides life, health or annuity benefits to its employees or members to the extent the plan is self-funded or uninsured;
9. An obligation that does not arise under the express written terms of the policy or contract;
10. Any policy providing Medicare Part C and D coverage.

Insurance companies and agents are not allowed by Wyoming law to use the existence of the Association or its coverage to encourage you to purchase any form of insurance. When selecting an insurance company, you should not rely on Association coverage. If there is any inconsistency between this notice and Wyoming law, then Wyoming law will control.

NEW YORK, NY 10007

IMPORTANT NOTICE REGARDING THE OFFICE OF FOREIGN ASSETS CONTROL

Your rights as a policyholder and payments to you, any insured or claimant, for loss under the policy may be affected by the administration and enforcement of U.S. economic embargoes and trade sanctions by the OFFICE OF FOREIGN ASSETS CONTROL (“OFAC”).

WHAT IS OFAC?

OFAC is an office of the Department of the Treasury and acts under the presidential national emergency powers, as well as authority granted by specific legislation, to impose controls on transactions and freeze foreign assets under U.S. jurisdiction. OFAC administers and enforces economic embargoes and trade sanctions primarily against:

- Targeted foreign countries and their agents
- Terrorism sponsoring agencies and organizations
- International narcotics traffickers

PROHIBITED ACTIVITY

- OFAC enforces certain embargoes and sanctions against certain designated countries. No U.S. business or persons may enter into certain transactions in or connected to such designated “sanctioned” countries.
- OFAC maintains a directory known as the “Specially Designated Nationals and Blocked Persons” (“SDNBP”) list. No U.S. business or person may transact business with any person or entity named on the SDNBP list.

Additional and more in-depth information on OFAC is available at the following website:

<https://www.treasury.gov/about/organizational-structure/offices/Pages/Office-of-Foreign-Assets-Control.aspx>.

OBLIGATIONS PLACED ON US BY OFAC

If we determine that you, any insured or claimant are on the SDNBP list or are connected to a sanctioned country as described in the regulations enforced by OFAC, we must block or “freeze” property and payment of any funds transfers or transactions and report all blocks to OFAC within ten (10) business days.

POTENTIAL ACTIONS BY US

1. We may immediately cancel your coverage effective on the day that we determine that we have transacted business with an individual or entity associated with your policy on the SDNBP list or connected to a sanctioned country as described in the regulations enforced by OFAC.
2. If we cancel your coverage, you will not receive a return premium unless approved by OFAC. All funds will be placed in an interest bearing blocked account established on the books of a U.S. financial institution.
3. We will not pay a claim, accept premium or exchange monies or assets of any kind to or with individuals, entities or companies (including a bank) on the SDNBP list or connected to a sanctioned country as described in the regulations enforced by OFAC. And, we will not defend or provide any other benefits under your policy to individuals, entities or companies on the SDNBP list or connected to a sanctioned country as described in the regulations enforced by OFAC.

YOUR RIGHTS AS A POLICYHOLDER

If funds are blocked or frozen by us in conjunction with the OFFICE OF FOREIGN ASSETS CONTROL, you may complete an “APPLICATION FOR THE RELEASE OF BLOCKED FUNDS” and apply for a specific license to request their release. Forms are available for download at the OFAC website. See <https://www.treasury.gov/resource-center/sanctions/Documents/license.pdf>.
