Other Health Care Plan Benefits

1. after the Covered Person satisfies any Deductible; and
2. only when they are in excess of amounts payable by any other Health Care Plan whether or not claim has been made for benefits it provides.

2. the other Health Care Plan is an HMO, PPO or similar arrangement; and
3. the Covered Person does not use the facilities or services of the HMO, PPO or similar arrangement.

General Limitations and Exclusions Applicable to Accident Medical Expense Benefits

Non-Duplication of Benefits When The Policy and Other Plans Are Excess

This provision applies if benefits under any other Health Care Plan are covered under the Policy, and coverage under the Policy and the other Plan are excess.

We pay a pro rata share of the total amount of Covered Expenses. In no case will the total benefits payable exceed 100% of the Covered Expenses.

Our pro rata share equals the total of benefits payable under the Policy multiplied by a fraction, of which the numerator is the benefits We pay and the denominator is the total of benefits payable by all Health Care Plans for the same Covered Accident.

Excluded Expenses

The following will not be considered Covered Expenses unless coverage is specifically provided.

1. Any service, treatment or supply that is not considered Appropriate Treatment as defined in the Policy.
2. Expenses Incurred after the end of the Benefit Period, even if Incurred for continuing services or treatment of a Covered Injury.
3. Whole blood, concentrated red blood cells or blood storage except expenses by a Hospital for processing or administration of blood.
4. cosmetic surgery or care, or treatment solely for cosmetic purposes, or complications therefrom. This exclusion does not apply to:
 - a. cosmetic surgery resulting from a Covered Accident, if initial treatment of the Covered Person is begun within 12 months of the date of the Covered Accident;
 - b. reconstruction incidental to or following surgery resulting from a Covered Accident;
 - c. any unplanned and unintended adverse consequences that may result during the treatment of a Covered Accident.
5. Any elective or routine treatment, surgery, health treatment, or examination, including any service, treatment or supplies that: (a) are deemed to be experimental or investigational; and (b) are not recognized and generally accepted medical practice in the United States.
6. Examination or prescriptions for, or purchase, repair or replacement of, eyeglasses, contact lenses, hearing aids, wheelchairs, braces, appliances, orthopedic braces, or orthotic devices.
7. Treatment in any Veteran's Administration, Federal, or state facility, unless there is a legal obligation to pay.
8. Services or treatment provided by persons who do not normally charge for their services, unless there is a legal obligation to pay.
9. Rest cures or custodial care.
10. Repair or replacement of existing dentures, partial dentures, braces or bridgework.
11. Personal services such as television and telephone or transportation.
12. Expenses payable by any automobile insurance policy without regard to fault.
13. Treatment or service provided by a private duty nurse.
14. Repair or replacement of existing artificial limbs, eyes and larynx.
15. Treatment of hernia of any kind.

Other Exclusions that apply to this benefit are in the *General Exclusions* Section.

CLAIM PROVISIONS

Notice of Claim

Written or authorized electronic/telephonic notice must be given to Us or Our agent within 31 days after a Covered Accident occurs or the loss begins or as soon as reasonably possible, but in no case any longer than 15 months after the date of loss. If written or authorized electronic/telephonic notice is not given in that time, the claim will not be invalidated or reduced if it is shown that notice was given as soon as was reasonably possible. Notice can be given at Our Home Office in New York, New York, such other place as We may designate for the purpose, or to Our authorized agent. Notice should include the Policyholder's name and policy number and the Covered Person's name and address.

Claim Forms

We send forms for filing proof of loss when We receive the notice of claim. If claim forms are not sent within 15 days after We receive notice, the proof requirements will be met by submitting, within the time fixed in the Policy for filing proof of loss, written or authorized electronic proof of the nature and extent of the loss for which claim is made.

Claimant Cooperation Provision

Failure of a claimant to cooperate with Us in the administration of the claim may result in termination of the claim. Such cooperation includes, but is not limited to, providing any information or documents needed to determine whether benefits are payable or the actual benefit amount due.

Proof of Loss

Written or authorized electronic proof of loss satisfactory to Us must be given to Us at Our office, within 90 days of the loss for which claim is made. If written or authorized electronic notice is not given within that time, no claim will be invalidated or reduced if it is shown that such notice was given as soon as reasonably possible. In any case, written or authorized electronic proof must be given not more than one year after the time it is otherwise required, except if proof is not given solely due to the lack of legal capacity.

Time of Payment of Claims

We will pay benefits due under the Policy for any loss, other than a loss for which the Policy provides any periodic payment, immediately, but not more than 60 days, upon receipt of due written or authorized electronic proof of such loss. Subject to due written or authorized electronic proof of loss, all accrued benefits for loss for which the Policy provides periodic payment will be paid monthly unless otherwise specified in the benefit descriptions. Any balance remaining unpaid at the termination of liability will be paid immediately upon receipt of proof satisfactory to Us, unless otherwise stated in the Policy.

Payment of Claims

All benefits will be paid in United States currency. Benefits for loss of life will be payable in accordance with the Beneficiary provision and these Claim Provisions. All other proceeds payable under the Policy, unless otherwise stated, will be payable to the Covered Person or to his estate. If any payee of benefits is a minor or otherwise legally incompetent, we will pay benefits to the person designated as his legal guardian or conservator.

If the amount of any benefit payable is determined based on benefits payable under another Health Care Plan, We have the right to require the Covered Person to provide information about that Plan and benefits paid or payable for the same claim before We pay benefits. We may, at Our option, pay any accident medical benefits directly to a health care provider that renders services to the Covered Person, unless the Covered Person requests in writing when submitting the claim that such payment not be made to the provider.

If We are to pay benefits to the estate or to a person who is incapable of giving a valid release, We may pay \$1,000 to a relative by blood or marriage whom We believe is equitably entitled. Any payment made by Us in good faith pursuant to this provision will fully discharge Us to the extent of such payment and release Us from all liability for that payment.

Beneficiary

The beneficiary is the person or persons the Covered Person names or changes on a form executed by him and satisfactory to Us. This form may be in writing or by any electronic means agreed upon between Us and the Policyholder. Consent of the beneficiary is not required to affect any changes, unless the beneficiary has been designated as an irrevocable beneficiary, or to make any assignment of rights or benefits permitted by the Policy.

A beneficiary designation or change will become effective on the date the Covered Person executes it. However, We will not be liable for any action taken or payment made before We record notice of the change at our Home Office.

If more than one person is named as beneficiary, the interests of each will be equal unless the Covered Person has specified otherwise. The share of any beneficiary who does not survive the Covered Person will pass equally to any surviving beneficiaries unless otherwise specified.

If there is no named beneficiary or surviving beneficiary, or if the Covered Person dies while benefits are payable to him, We may make direct payment to the first surviving class of the following classes of persons:

1. Spouse;
2. Child or Children;
3. parents;
4. siblings;
5. estate of the Covered Person.

Conditional Claim Payment

If the Covered Person incurs expenses for Covered Injuries received in a Covered Accident and it is likely a third party may be liable, We will pay benefits if:

1. the Covered Person first agrees in writing to refund the lesser of:
 - a. the amount We actually paid for such expenses; and
 - b. the amount actually received from the third party regardless of whether the amount is for such expenses; and
2. the third party's liability is determined and satisfied whether by settlement, judgment, arbitration or otherwise. However, if the third party's liability is satisfied in an amount less than the benefits paid under the Policy, We will pay the difference.

Physical Examination and Autopsy

We, at Our own expense, have the right and opportunity to examine the Covered Person when and as often as We may reasonably require while a claim is pending and to make an autopsy in case of death where it is not forbidden by law.

Legal Actions

No action at law or in equity will be brought to recover benefits under the Policy less than 60 days after satisfactory proof of loss has been furnished as required by the Policy. No such action will be brought more than three years after the time such written proof of loss must be furnished.

Recovery of Overpayment

If benefits are overpaid, We have the right to recover the amount overpaid by either of the following methods.

1. A request for lump sum payment of the overpaid amount.
2. A reduction of any amounts payable under the Policy.

If there is an overpayment due when the Covered Person dies, We may recover the overpayment from the Covered Person's estate.

Subrogation

We have the right to recover all payments including future payments, which We have made, or will be obligated to pay in the future, to the Covered Person from anyone liable for the Covered Loss. If the Covered Person recovers from anyone liable for the Covered Loss, We will be reimbursed first from such recovery to the extent of Our payments to the Covered Person. The Covered Person agrees to assist Us in preserving Our rights against those responsible for such loss, including but not limited to, signing subrogation forms supplied by Us.

ADMINISTRATIVE PROVISIONS

Grace Period

A Policy Grace Period of 31 days will be granted for payment of required premiums due after the first premium, unless:

1. We do not intend to renew the Policy beyond the period for which premium has been accepted; and
2. written notice of Our intention not to renew is delivered to the Policyholder at least 45 days before the premium is due.

The Policy will be in force during the Policy Grace Period. If the required premiums are not paid during the Policy Grace Period, insurance will end on the last day of the Grace Period. The Policyholder is liable to Us for any unpaid premium for the time the Policy was in force.

Premiums

Premium rates are expressed in, and premiums are payable in, United States currency. The premiums for the Policy will be based on the rates set forth in the *Premium Rate Table*, the plan and amounts of insurance in effect for Covered Persons and the premium mode selected, as shown in the *Schedule of Benefits*.

**SUMMARY
COVERAGE, LIMITATIONS and EXCLUSIONS UNDER
RHODE ISLAND LIFE AND HEALTH INSURANCE
GUARANTY ASSOCIATION ACT (“Act”)**

A resident of Rhode Island who purchases life insurance, annuities, long-term care, or accident and health insurance should know that an insurance company licensed in Rhode Island to write these types of insurance is a member of the Rhode Island Life and Health Insurance Guaranty Association (“Association”). The purpose of the Association is to assure that a policyholder will be protected within the statutory limits, if a member insurer becomes financially unable to meet its obligations. If this should happen, the Association will, within the statutory limits, pay the claims of insured persons who live in this state, and, in some cases, keep coverage in force. However, the protection provided through the Association is not unlimited. This protection is not a substitute for your care in selecting a company that is well managed and financially stable.

**LIFE AND HEALTH INSURANCE GUARANTY
ASSOCIATION DISCLAIMER**

The Rhode Island Life and Health Insurance Guaranty Association provides coverage of claims under some types of policies if the insurer becomes impaired or insolvent. COVERAGE MAY NOT BE AVAILABLE FOR YOUR POLICY. Even if coverage is provided, there are significant limits and exclusions. Coverage is always conditioned on residence in this state. Other conditions may also preclude coverage.

The Life and Health Insurance Guaranty Association will respond to any questions you may have which are not answered by this document. Your insurer and agent are prohibited by law from using the existence of the association or its coverage to sell you an insurance policy.

You should not rely on availability of coverage under the Life and Health Insurance Guaranty Association when selecting an insurer.

The full text of the state law that provides for this safety net coverage, Rhode Island Life and Health Insurance Guaranty Association Act, (“the Act”) can be found beginning at R.I. Gen. Laws section 27-34.3-3. A brief summary of the Act is provided below. This summary does not cover all provisions of the law, nor does it in any way change your rights or obligations or those of the Association under the Act.

COVERAGE

Generally, individuals will be protected by the Association if the individual lives in Rhode Island and: Holds a life or health insurance contract, long-term care contract or annuity contract; or is insured under a group insurance contract issued by a member insurer. The beneficiaries, payees, or assignees of insured persons are protected as well, even if they live elsewhere.

EXCLUSIONS FROM COVERAGE

The Association does NOT protect a person holding a policy if:

- the individual is eligible for protection under a similar law of another state;
- the insurer was not authorized to do business in this state;
- the policy is issued by an organization that is not a member of the Association;
- the policy was issued by a nonprofit hospital or medical service organization (such as, the “Blues”), an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments or by an insurance exchange

The Association does not provide coverage for:

- a policy or contract providing any hospital, medical, prescription drug or other health care benefits pursuant to Part C or Part D of Subchapter XVIII, Chapter 7 of Title 42 of the United States Code (commonly known as Medicare Part C & D) or any regulations issued pursuant thereto.

LIMITATIONS ON COVERAGE

The Act limits the amount the Association is obligated to pay. The Association cannot pay more than what the insurer would have owed under a policy or contract. Also for any one insured life, no matter how many policies or contracts were in force with the same insurer, the Association will pay no more than:

- \$300,000 in life insurance death benefits and no more than \$100,000 in net cash surrender and net cash withdrawal values for life insurance;

- \$5,000,000 in unallocated annuity contract benefits, irrespective of the number of contracts with respect to the contract owner or plan sponsor whose plan owns, directly or in trust, one or more unallocated annuity contracts.

Note to benefit plan trustees or other holders of unallocated annuities (GICs, DACs, etc.) covered by the Act: for unallocated annuities that fund government retirement plans under sections 401, 403(b), or 457 of the Internal Revenue Code, the limit is \$250,000 in present value of annuity benefits including net cash surrender and net cash withdrawal per participating individual. In no event shall the Association be liable to spend more than \$300,000 in the aggregate per individual except hospital insurance up to \$500,000 per individual. For covered unallocated annuities that fund other plans, a special limit of \$5,000,000 applies to each contract holder, regardless of the number of contracts held with the same company or number of persons covered. IMPORTANT NOTICE REGARDING THE OFFICE OF FOREIGN ASSETS CONTROL

Your rights as a policyholder and payments to you, any insured or claimant, for loss under the policy may be affected by the administration and enforcement of U.S. economic embargoes and trade sanctions by the OFFICE OF FOREIGN ASSETS CONTROL (“OFAC”).

WHAT IS OFAC?

OFAC is an office of the Department of the Treasury and acts under the presidential national emergency powers, as well as authority granted by specific legislation, to impose controls on transactions and freeze foreign assets under U.S. jurisdiction. OFAC administers and enforces economic embargoes and trade sanctions primarily against:

- Targeted foreign countries and their agents
- Terrorism sponsoring agencies and organizations
- International narcotics traffickers

PROHIBITED ACTIVITY

- OFAC enforces certain embargoes and sanctions against certain designated countries. No U.S. business or persons may enter into certain transactions in or connected to such designated “sanctioned” countries.
- OFAC maintains a directory known as the “Specially Designated Nationals and Blocked Persons” (“SDNBP”) list. No U.S. business or person may transact business with any person or entity named on the SDNBP list.

Additional and more in-depth information on OFAC is available at the following website:

<https://www.treasury.gov/about/organizational-structure/offices/Pages/Office-of-Foreign-Assets-Control.aspx>.

OBLIGATIONS PLACED ON US BY OFAC

If we determine that you, any insured or claimant are on the SDNBP list or are connected to a sanctioned country as described in the regulations enforced by OFAC, we must block or “freeze” property and payment of any funds transfers or transactions and report all blocks to OFAC within ten (10) business days.

POTENTIAL ACTIONS BY US

1. We may immediately cancel your coverage effective on the day that we determine that we have transacted business with an individual or entity associated with your policy on the SDNBP list or connected to a sanctioned country as described in the regulations enforced by OFAC.
2. If we cancel your coverage, you will not receive a return premium unless approved by OFAC. All funds will be placed in an interest bearing blocked account established on the books of a U.S. financial institution.
3. We will not pay a claim, accept premium or exchange monies or assets of any kind to or with individuals, entities or companies (including a bank) on the SDNBP list or connected to a sanctioned country as described in the regulations enforced by OFAC. And, we will not defend or provide any other benefits under your policy to individuals, entities or companies on the SDNBP list or connected to a sanctioned country as described in the regulations enforced by OFAC.

YOUR RIGHTS AS A POLICYHOLDER

If funds are blocked or frozen by us in conjunction with the OFFICE OF FOREIGN ASSETS CONTROL, you may complete an “APPLICATION FOR THE RELEASE OF BLOCKED FUNDS” and apply for a specific license to request their release. Forms are available for download at the OFAC website. See <https://www.treasury.gov/resource-center/sanctions/Documents/license.pdf>.
