2. the date the individual first becomes a member of an eligible Class;
3. the date the individual completes the Waiting Period shown in the *Schedule of Benefits*, if applicable.

Primary Covered Person Effective Date

Your effective date of coverage under the Policy will be determined as follows:

1. If You Enroll for coverage when the Policyholder applies for coverage, Your coverage will be effective on the Policy Effective Date.
2. If You become eligible after the Policy Effective Date and Enroll during an Initial Enrollment Period, Your coverage will be effective the first of the month following the later of the end of any applicable Waiting Period, Initial Enrollment Period and receipt of the Enrollment Form by Us.

Newborn Coverage from Birth

If Your coverage includes a Child or Children and if a Child is born to You or Your Spouse while coverage under the Policy is in force, the newborn Child will become covered by the Policy from the moment of birth. No notification of birth is required.

Adopted Child(ren) Effective Date

Coverage for an adopted Child(ren) or Child(ren) placed for adoption will be effective from:

1. the date of birth if the petition for adoption is filled within 31 days of the birth;
2. the date of placement for the purpose of adoption if a petition for adoption is filled within 31 days of placement of the Child;

4. from the date on which the act of voluntary surrender becomes irrevocable.

The effective date of Spouse and Children's coverage under the Policy, a newborn Child, an adopted Child, or a Child placed for adoption depends on when You Enroll the Spouse and Children. The applicable premium must be paid. The effective dates are as follows:

1. If the Spouse and Children are eligible for coverage when the Policyholder applies for coverage, the coverage for the dependent will become effective on the Policy Effective Date if You Enroll the Spouse or Children for coverage at that time;

5. If the Child qualifies for any other reason and first meets the definition of Child after Your effective date of coverage, coverage will become effective as of the first day of the month next following the date on which We receive Your Enrollment Form.

Termination of a Member's Coverage

A Member's insurance under the Policy will automatically terminate on the earliest of the following dates:

5. any premium due date, if premium remains unpaid by the end of the Grace Period; and
6. the date the Policyholder no longer meets participation requirements.

Termination of coverage will not affect a claim for a loss that occurred while coverage was in force under the Policy. However, in no instance will benefits extend beyond the earliest of:

1. the date benefits payable reach any applicable Daily Benefit Amount or other benefit limit shown in the *Schedule of Benefits*; and
2. the date benefits payable reach any applicable Maximum Number of Daily Benefits, Lump Sum Benefit Amount, Maximum Number of Payments or Coverage Year Maximum shown in the *Schedule of Benefits*.

Spouse and Child Termination

If the Primary Covered Person's Spouse or Child is a Covered Person, His coverage will end:

1. with respect to a covered Spouse on the date He is Divorced from the Primary Covered Person; or

5. with respect to a covered Child, on the Policy anniversary following the date the Child no longer qualifies as a Child, as defined in this Certificate, unless continued under the Incapacitated Child Continuation provision.

Continuation of Coverage for Service in the Uniformed Services

If the Primary Covered Person's coverage would otherwise terminate due to a leave of employment to perform service in the uniformed services, the Primary Covered Person is entitled to continue coverage for the Primary Covered Person and their Covered Dependents.

A Covered Dependent who is subsequently called to services in the uniformed services will continue to be considered a Covered Dependent under the Policy without any lapses in coverage, provided that all required contributions are made.

We will notify the Covered Person of their right to continue coverage at the time We are notified of the Covered Person's leave to perform service in the uniformed services. The Covered Person should obtain an election form from the Policyholder or employer and, once election is made, forward all monthly Premiums to the Policyholder for payment to Us. Continuation must be elected prior to termination of coverage under the Policy.

Continuation of coverage will end on the earliest of the following dates:

1. The date the Covered Person returns from active service in the uniformed services, is reemployed and is Actively-At-Work, and is reinstated for the coverage provided by the policy and this certificate;
2. The end of the grace period following the date any required premium has not been paid;

3. The date coverage ends because the Covered Person violates a material condition of the Policy;
4. The date coverage is or could be obtained under any other group health plan; or
5. The date this Certificate is cancelled or terminated.

Incapacitated Child Continuation

If, on the date a Child reaches age 26, He is an Incapacitated Child as defined below and His coverage will not terminate solely due to age. But the Primary Covered Person must give Us notice of the Child's incapacity within 60 days of His termination date. The Child's coverage will continue as long as the Child qualifies as an Incapacitated Child and the required premium is paid.

For the purposes of this provision, an Incapacitated Child means a Child of a Primary Covered Person or His Spouse who because of an intellectual or physical disability is incapable of earning His own living and primarily dependent on the Primary Covered Person for support and maintenance.

We may, from time to time, require proof of the Child's continued incapacity and dependency but not more frequently than annually after the two-year period following the attainment of the limiting age..

Extension of Benefits

If a Covered Person is in a Period of Confinement on the date the Policy terminates, coverage for the Hospital Indemnity Insurance Benefits shown in the *Schedule of Benefits* will remain in effect for that Covered Person for 90 days after the Policy's termination date.

CLAIM PROVISIONS

Notice of Claim

Written or authorized electronic/telephonic notice must be given to Us or Our authorized representative within 90 days after a Covered Person's loss or as soon as reasonably possible thereafter. If written or authorized electronic/telephonic notice is not given in that time, the claim will not be invalidated or reduced if it is shown that notice was given as soon as was reasonably possible. Notice can be given at Our Home Office in New York, New York, such other place as We may designate for the purpose, or to Our authorized representative. Notice should include the Policyholder's name and Policy number and the Covered Person's name and address.

Claim Forms

We will send forms to the claimant for filing proof of loss when We receive the notice of claim. If claim forms are not sent within 15 days after We receive notice, the proof requirements will be met by the claimant upon submitting, within the time fixed in this Certificate for filing proof of loss, written or authorized electronic proof of the nature and extent of the loss for which claim is made.

Proof of Loss

Written or authorized electronic proof of loss satisfactory to Us must be given to Us at Our Home Office or to Our authorized representative, within 90 days of the loss for which claim is made. Failure to furnish proof within the time required will invalidate or reduce a claim if it is shown that such notice was given as soon as reasonably possible. In any case, written or authorized electronic proof must be given not more than one year after the time it is otherwise required, except if proof is not given solely due to the lack of legal capacity.

Time of Payment of Claims

Benefits will be paid immediately upon receipt of written Proof of Loss.

Payment of Claims

All benefits will be paid in United States currency. All proceeds payable under the Policy, unless otherwise stated, will be payable to the Covered Person. If the Covered Person dies before all payments due have been made, all remaining amounts payable will be paid to the Covered Person's estate.

If any payee is a minor or is not competent to give a valid release for the payment, the payment will be made to the legal guardian of the payee's property. If the payee has no legal guardian for His property, a payment not exceeding \$1,000 may be made at Our option to any relative by blood or connection by marriage of the payee who has submitted reliable documentary evidence and, in Our opinion, has assumed the custody and support of the minor or responsibility for the incompetent person's affairs. Any payment We make in good faith fully discharges Our liability to the extent of the payment made.

If the Covered Person provides Us with a written release to do so, We may, at Our option, pay benefits directly to the institution or person rendering treatment or services covered under the Policy.

Physical Examination

We, at Our own expense, have the right and opportunity to examine a Covered Person when and as often as We may reasonably require while a claim is pending.

Legal Actions

No action at law or in equity will be brought to recover benefits under the Policy less than 60 days after satisfactory proof of loss has been furnished as required by the Policy. No such action will be brought more than one (1) year after the time such written proof of loss must be furnished.

Recovery of Overpayment

If benefits are overpaid, We have the right to recover the amount overpaid by either of the following methods.

1. A request for lump sum payment of the overpaid amount.
2. A reduction of any amounts payable under the Policy.

If there is an overpayment due when the Covered Person dies, We may recover the overpayment from the Covered Person's estate.

ADMINISTRATIVE PROVISIONS

Grace Period

A Policy Grace Period of 31 days will be granted for payment of required premiums due after the first premium, unless:

1. the Policyholder has given Us advance written notice of intent to discontinue coverage in accordance with the terms of the Policy; or
2. We do not intend to renew the Policy beyond the period for which premium has been accepted; and
3. written notice of Our intention not to renew is delivered to the Policyholder at least 60 days before the premium is due.

The Policy and Certificates under the Policy will be in force during the Grace Period. If the required premiums are not paid during the Policy Grace Period, insurance will end on the last day of the Grace Period. The Policyholder is liable to Us for any unpaid premium for the time the Policy was in force.

Premiums

Premium rates are expressed in, and premiums are payable in, United States currency. The premiums for the Policy will be based on the rates set forth in this Certificate, the plan and amounts of insurance in effect for Covered Persons and the premium mode selected. We will provide notifications of premiums due or premium changes, by mail to the most current address in Our files, to the Policyholder. . We will notify the Policyholder in writing at least 45 days before any increase of 20% or more in the premium rates.

Premium Payment

The total premium paid by the Policyholder is the sum of premiums for all Covered Persons including any amounts contributed toward the cost of the coverage by Covered Persons. The initial premium is due on the Policy Effective Date and each succeeding premium is due on the next succeeding Premium Due Date, as shown in the *Schedule of Benefits*, unless the Policyholder and We agree to another mode of premium payment. Premiums are paid at Our Home Office or to Our authorized representative.

If any premium is not paid when due, the Policy will be cancelled as of the Premium Due Date of the unpaid premium, except as provided in the Grace Period provision.

GENERAL PROVISIONS

Entire Contract; Changes

The Policy, the Policyholder's Application, and any attached Riders or Amendments along with this Certificate make up the entire contract. A copy of the Primary Covered Person's Enrollment Form will also be attached.

No change in the Policy or this Certificate will be valid until approved by an officer of the Company. The change must be signed by an officer of the Company and attached to the Policy. No agent may change the Policy or waive any of its provisions.

Misstatement of Age If premiums for a Covered Person are based on age and the Covered Person's age has been misstated, there will be a fair adjustment of premiums based on His true age. If the benefits for which the Covered Person is insured are based on age and the Covered Person's age has been misstated, there will be an adjustment of said benefits based on His true age. We may require satisfactory proof of age before paying any claim.

Assignment

You, or any Covered Person, may assign His rights, privileges and benefits under the Policy to the institution or person rendering services as allowed in the Payment of Claims provision. We will be bound by an assignment of the Covered Person's insurance under the Policy only when the original assignment or a certified copy of the assignment, signed by the Covered Person as assignor and any irrevocable beneficiary, is filed with Us. The assignee may exercise all rights and receive all benefits assigned only while the assignment remains in effect and insurance under the Policy for the assignor remains in force. The assignee takes only such rights as the assignor possessed and such rights are subject to state and federal laws and the terms of the Policy.

This insurance may not be levied on, attached, garnished, or otherwise taken for a person's debts unless contrary to law.

Incontestability

In the absence of fraud, all statements You have made to obtain insurance under the Policy are considered representations and not warranties. No statement will be used to deny or reduce benefits or be used as a defense to a claim, unless a copy of the instrument containing the statement is, or has been, furnished to the claimant.

After three years from Your effective date of insurance, or from the effective date of increased benefits, no such statement will cause insurance or the increased benefits to be contested except for fraud or lack of eligibility for insurance.

In the event of death or incapacity, Your representative shall be given a copy.

Conformity with State Statutes

Any provision of the Policy and any Certificate, which, on its effective date, is in conflict with the statutes of the state in which the Policy or Certificate is delivered, is hereby amended to conform to the minimum requirements of those statutes.

Clerical Error

Clerical error, whether by the Policyholder or Us, will not void the insurance of any Covered Person if that insurance would otherwise have been in effect or extend the insurance of any Covered Person if that insurance would otherwise have ended or been reduced as provided in the Policy.

Workers' Compensation Insurance

The Policy is not in place of and does not affect any requirements for coverage under any Workers' Compensation law.

**Summary of the Louisiana Life and Health
Insurance Guaranty Association Law and
Notice Concerning Coverage
Limitations and Exclusions**

Residents of Louisiana who purchase life insurance, annuities, or health insurance should know that the insurance companies licensed in this state to write these types of insurance are required by law to be members of the Louisiana Life and Health Insurance Guaranty Association (LLHIGA). The purpose of LLHIGA is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this happens, LLHIGA will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state, and in some cases, to keep coverage in force. However, the valuable extra protection provided by these insurers through LLHIGA is limited. As noted in the disclaimer below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

Disclaimer

The Louisiana Life and Health Insurance Guaranty Association provides coverage of claims under some types of policies if the insurer becomes impaired or insolvent. *COVERAGE MAY NOT BE AVAILABLE FOR YOUR POLICY.* Even if coverage is provided, there are significant limits and exclusions. Coverage is generally conditioned upon residence in this state. Other conditions may also preclude coverage.

Insurance companies and insurance agents are prohibited by law from using the existence of the association or its coverage to sell you an insurance policy.

You should not rely on the availability of coverage under the Louisiana Life and Health Insurance Guaranty Association when selecting an insurer.

The Louisiana Life and Health Insurance Guaranty Association or the Department of Insurance will respond to any questions you may have which are not answered by this document.

The state law that provides for this safety-net coverage is called the Louisiana Life and Health Insurance Guaranty Association Law (the Law), and is set forth at R.S. 22:2081 *et seq.* The following is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change any person's rights or obligations under the law or the rights or obligations of LLHIGA.

COVERAGE

Generally, individuals will be protected by the Life and Health Insurance Guaranty Association if they live in this state and hold a covered life, health, or annuity policy, plan or contract issued by an insurer (including a health maintenance organization) authorized to conduct business in Louisiana. The beneficiaries, payees or assignees of insured persons may also be protected as well even if they live in another state unless they are afforded coverage by the guaranty association of another state, or other circumstances described under the Law are applicable.

EXCLUSIONS FROM COVERAGE

A person who holds a covered life, health, or annuity policy, plan or contract is not protected by LLHIGA if:

- (1) He is eligible for protection under the laws of another state (This may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state.);
- (2) The insurer was not authorized to do business in this state;
- (3) His policy was issued by a profit or nonprofit hospital or medical service organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, an insurance exchange, an organization that issues charitable gift annuities as is defined in R.S. 22:952(A)(3), or any entity similar to any of these.

LLHIGA also does not provide coverage for:

- (1) Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- (2) Any policy of reinsurance (unless an assumption certificate was issued);
- (3) Interest rate or crediting rate yields, or similar factors employed in calculating changes in value, that exceed an average rate;
- (4) Dividends, premium refunds, or similar fees or allowances described under the Law;
- (5) Credits given in connection with the administration of a policy by a group contract holder;
- (6) Employers', associations' or similar entities' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them) or uninsured;
- (7) Unallocated annuity contracts (which give rights to group contract holders, not individuals), except unallocated annuity contracts and defined contribution government plans qualified under section 403(b) of the United States Internal Revenue Code (26 U.S.C. §403(b));
- (8) An obligation that does not arise under the express written terms of the policy or contract issued by the insurer to the policy owner or contract owner, including but not limited to, claims described under the Law;
- (9) A policy or contract providing any hospital, medical, prescription drug or other health care benefits pursuant to "Medicare Part A Coverage", "Medicare Part B Coverage", "Medicare Part C Coverage", "Medicare Part D Coverage" or "Medicaid" and any regulations issued pursuant to those parts;
- (10) Interest or other changes in value to be determined by the use of an index or other external references but which have not been credited to the policy or contract or as to which the policy or contract owner's rights are subject to forfeiture, as of the date the member insurer becomes an impaired or insolvent insurer, whichever is earlier.

LIMITS ON AMOUNTS OF COVERAGE

The Louisiana Life and Health Insurance Guaranty Association Law also limits the amount that LLHIGA is obligated to pay out. The benefits for which LLHIGA may become liable shall in no event exceed the lesser of the following:

- (1) LLHIGA cannot pay more than what the insurance company would owe under a policy or contract if it were not an impaired or an insolvent insurer.
- (2) For any one insured life, regardless of the number of policies or contracts there are with the same company, LLHIGA will pay a maximum of \$300,000 in life insurance death benefits, but not more than \$100,000 in net cash surrender and net cash withdrawal values for life insurance.
- (3) For any one insured life, regardless of the number of policies or contracts there are with the same company, LLHIGA will pay a maximum of \$500,000 in health insurance benefits, and LLHIGA will pay a maximum of \$250,000 in present value of annuities, including net cash surrender and net cash withdrawal values.

In no event, regardless of the number of policies and contracts there were with the same company, and no matter how many different types of coverages, LLHIGA shall not be liable to expend more than \$500,000 in the aggregate with respect to any one individual.
