The capitalized terms used herein are defined as follows:

"Accident" means a sudden, unforeseeable external event which:

- (1) Causes Injury to one or more Covered Persons; and
- (2) Occurs while coverage is in effect for the Covered Person.

"Certificate Holder" means a person to whom an insurance certificate has been issued evidencing coverage under the Policy.

"Child" means the Insured Person's natural Child, adopted Child (or Child placed in the Insured Person's home for purposes of adoption), foster Child, stepchild, or other Child for whom the Insured Person has legal guardianship (proof will be required). A Child must reside with the Insured Person in a parent-Child relationship and be eligible to be claimed as an exemption on the Insured Person's federal income tax return. NOTE: In the event the Insured Person shares physical custody of the Child with another parent, the requirement that the Child reside with the Insured Person will be waived.

"Civil Union Partner" means the parties to a civil union who are entitled to the same legal obligations, responsibilities, protections and benefits that are afforded to spouses. Throughout the Policy, a party to a civil union shall be included in any definition or use of the terms such as spouse, family, dependent, next of kin, and other terms descriptive of spousal relationships. This includes the terms 'marriage' or 'married' or variations thereon. The term spouse or dependent includes civil union couples whenever used.

"Company" means United States Fire Insurance Company. Also hereinafter referred to as We, Us and Our.

- When pregnancy is terminated: (a) non-elective cesarean section; (b) ectopic pregnancy that is terminated; and (c) spontaneous termination of pregnancy during a period of gestation in which a viable birth is not possible.

Complications of Pregnancy will not include:

- False labor;
- Occasional spotting;
- Physician prescribed rest during the period of pregnancy;
- Morning sickness;
- Preeclampsia; and
- Similar conditions associated with the management of a difficult pregnancy, but which are not a separate Complication of Pregnancy.

Delivery by cesarean section is considered a complication of pregnancy if the cesarean section is non-elective.

A cesarean section will be considered non-elective if the fetus or mother is determined to be in distress and is in immediate danger of death, Sickness or Injury if a cesarean section is not performed. A cesarean section beyond one performed in any previous pregnancy will also be considered non-elective if vaginal delivery is medically inappropriate, or a vaginal delivery is attempted but discontinued due to immediate danger of death, Sickness or Injury to the Child or mother.

“Covered Accident” means an Accident that occurs while coverage is in force for a Covered Person and results in a Covered Loss for which benefits are payable.

“Covered Loss or Covered Losses” means an accidental death, dismemberment or other Injury or Sickness covered under the Policy and indicated on the Schedule of Benefits.

“Covered Person” means an Insured Person and Dependent eligible for coverage as identified in the Enrollment/Application who is a U.S citizen residing in the United States, or if not a U.S. citizen, resides permanently in the United States, for whom proper premium payment has been made when due, and who is therefore insured under the Policy.

“Dependent” means an Insured Person’s:

- 1) lawful spouse, if not legally separated or divorced, or Domestic Partner or Civil Union Partner.
- 2) unmarried Children under age 26.

The age limitations will not apply to an Insured Person’s unmarried Child who is incapable of self-support due to a mental or physical incapacity. Proof of such incapacity must be furnished to the Company immediately upon enrollment or within 31 days of the Child reaching the age limitation. Thereafter proof will be required whenever reasonably necessary, but not more often than once a year after the 2-year period following the age limitation.

“Domestic Partner” means an opposite or same sex partner who, for at least 6 consecutive months, has resided with the Insured Person and shared financial assets/obligations with the Insured Person. Both the Insured Person and the Domestic Partner must: (1) intend to be life partners; (2) be at least the age of consent in the state in which they reside; and (3) be mentally competent to contract. Neither the Insured Person nor the Domestic Partner can be related by blood to a degree of closeness that would prohibit a legal marriage, be married to anyone else, or have any other Domestic Partner. The Company requires proof of the Domestic Partner relationship in the form of a signed and completed Affidavit of Domestic Partnership.

“Enrollment Period” means the period agreed upon by the Policyholder and Us when an Eligible Person may enroll for coverage or an Insured may change benefit elections under the Policy.

- 6) Is not primarily a nursing care facility, rest home, convalescent home or similar establishment, or any separate ward, wing or section of a Hospital used as such; and
- 7) Is not a place for drug addicts, alcoholics or the aged.

Hospital also includes tax-supported institutions, which are not required to maintain surgical facilities. We will not deny a claim for services solely because the Hospital lacks major surgical facilities and is primarily of a rehabilitative nature, if such rehabilitation is specifically for the treatment of a physical disability, and the Hospital is accredited by any one of the following:

- 1) the Joint Commission of Accreditation of Hospitals; or
- 2) the American Osteopathic Association; or
- 3) the Commission on the Accreditation of Rehabilitative Facilities.

In addition, We will not deny a claim for a Skilled Nursing Facility if it meets the definition of such a facility and is a Covered Benefit under the Policy.

All injuries sustained in any one Accident, including all related conditions and recurrent symptoms of these Injuries, are considered a single Injury.

"Insured Person" means an member of the Policyholder who is eligible, who enrolls for coverage and for whom the required premium is paid making insurance in effect for that person under the Policy. A Dependent covered under the Policy is not an Insured Person.

- 1) marriage;
- 2) divorce, annulment or legal separation from a Spouse, Domestic Partner or Civil Union Partner;

- 4) change in a Dependent child's eligibility;
- 5) death of a Spouse, Domestic Partner or Civil Union Partner;
- 6) a change in the benefit plan or employment status of the Insured Person's Spouse, Domestic Partner or Civil Union Partner that affects either person's eligibility for benefits.

"Medical Emergency" means a Sickness or Injury for which the Covered Person seeks immediate medical treatment at the nearest available facility. The condition must be one which manifests itself by acute symptoms which are sufficiently severe (including severe pain) that without immediate medical care a prudent lay person possessing an average knowledge of health and medicine would reasonably expect that failure to receive immediate medical attention would cause:

- His life or health would be in serious jeopardy, or, with respect to a pregnant woman, serious jeopardy to the health of the woman or her unborn Child;
- Serious disfigurement of the Covered Person;
- His bodily functions would be seriously impaired; or
- A body organ or part would be seriously damaged.

When specifically applied to Hospital confinement, it means that the diagnosis or treatment of symptoms or a condition cannot be safely provided on an outpatient basis.

A treatment, drug, device, procedure, supply or service shall not be considered as Medically Necessary if it:

- Is Experimental/Investigational or for research purposes;
- Is provided for education purposes or the convenience of the Covered Person, the Covered Person's family, Physician, Hospital or any other provider;
- Exceeds in scope, duration, or intensity that level of care that is needed to provide safe, adequate and appropriate diagnosis or treatment and where ongoing treatment is merely for maintenance or preventive care;
- Could have been omitted without adversely affecting the person's condition or the quality of medical care;
- Involves the use of a medical device, drug or substance not formally approved by the United States Food and Drug Administration;
- Involves a service, supply or drug not considered reasonable and necessary by the Healthcare Financing Administration Medicare Coverage Issues Manual; or

Premium due dates are the first of every month unless

otherwise stated in the Policy. Premium payment made in advance or for more than a one month period will not affect any provisions of the Policy with regard to change. The Company has the right to rely upon the accuracy of the Policyholder's calculations and to require the Policyholder to furnish a census from time to time but not more than twice in a 12-month period. If, at any time, it is determined that additional premium or a premium credit is due, the Policyholder will pay the additional premium or apply the premium credit at the next premium due date.

Grace Period:

A Grace Period of 31 days is granted for each premium due after the first premium due date. Coverage will stay in force during this period provided the Policyholder pays all the premiums due by the last day of the Grace Period, unless notice has been sent, in accordance with the TERMINATION provision, of the intent to terminate coverage under the Policy. Coverage will end if the premium is not paid by the end of the Grace Period.

Notice should include the Policyholder's name and number and a Covered Person's name and address.

If written notice is not received within 30 days, the claim may be reduced or invalidated. However, the claim will not be reduced or invalidated if:

- 1) it can be shown that it was not possible within reason to submit notice within the 30 day period; and
- 2) it is further shown that notice was given as soon as possible.

CLAIM FORMS:

When We receive the notice of claim, We will send forms for filing proof of loss. If claim forms are not provided within 15 days after receipt of such notice, the Proof of Loss requirements stated below will be deemed to have been met by submitting, within the time required under PROOF OF LOSS, written proof of the nature and extent of the loss.

PROOF OF LOSS:

Written proof of loss must be furnished to Us in the case of a claim for Covered Loss for which the Policy provides periodic payment contingent upon continuing loss within 90 days after the end of the period for which We are liable. Written proof that the loss continues must be furnished to us at intervals required by Us.

In case of claim for any other Covered Loss, proof must be furnished within 90 days after the date of such loss.

If the proof of loss is not submitted within 90 days, the claim may be reduced or invalidated. However, the claim will not be reduced or invalidated if:

- 1) it can be shown that it was not possible within reason to submit notice within the 90 day period; and
- 2) it is further shown that notice was given as soon as possible, and in no event, except in the absence of legal capacity, later than one year from the time proof is otherwise required.

TIME OF PAYMENT OF CLAIMS:

Benefits due under the Policy for a Covered Loss, other than a loss for which the Policy provides installments, will be paid immediately upon receipt of due written proof of such loss.

Subject to written proof of loss, all accrued benefits for a Covered Loss for which the Policy provides installments will be paid monthly; any balance remaining unpaid upon the termination of liability will be paid immediately upon receipt of a written proof of loss.

PAYMENT OF CLAIMS:

All benefits will be paid in United States currency. Loss of life benefits will be paid to the beneficiary as described in the Designation or Change of Beneficiary provision of the Policy.

All other benefits will be paid to the Covered Person suffering the loss. If the Covered Person dies before all payments due have been made, the amount still payable will be paid to his/her beneficiary as described in the Designation or Change of Beneficiary provision of the Policy.

If We are to pay benefits to the estate or to a person who is incapable of giving a valid release, We may pay up to \$1,000 to a relative by blood or marriage whom We believe is equitably entitled. This good faith payment satisfies Our legal duty to the extent of that payment.

Any other accrued benefits which are unpaid at a Covered Person's death may, at Our option, be paid either to his beneficiary or to his estate. All other benefits, unless specifically stated otherwise, will be paid to a Covered Person.

DESIGNATION OR CHANGE OF BENEFICIARY:

Each Covered Person may designate a beneficiary to whom loss of life benefits are payable. The designation shall be as follows in descending order:

- 1) Beneficiaries designated in writing by the Covered Person for the Policy on file with the Policyholder, if any, otherwise;
- 2) Beneficiaries as designated in writing for any group life insurance plan or its renewals in force for the Policyholder, if any, otherwise;
- 3) In equal shares to the members of the first surviving class of those that follow, if any:
 - a) a Covered Person's lawful spouse, if not legally separated or divorced, or Domestic Partner or Civil Union Partner;
 - b) a Covered Person's natural Child, adopted Child, foster Child, stepchild, or other Child for whom the Covered Person has or had legal guardianship (proof will be required); or
 - c) a Covered Person's parents, whether natural, step or adoptive; or
 - d) a Covered person's Sisters or Brothers, otherwise.
- 4) The estate of the Covered Person.

A Covered Person may change his/her beneficiary designation from time to time without the consent of the designated beneficiary by giving notice, in writing, to the Policyholder. When a request for designation or change is received by the Policyholder, it will take effect on the date of its execution, whether or not the Covered Person is living on the date it is received by the Policyholder. Any interest created by the request will be subject to any payment made or action taken before its receipt.

A Dependent's beneficiary is the Covered Person. If no beneficiary is living on the date of a Dependent's death, the beneficiary is the Covered Person's estate.

CONDITIONAL CLAIM PAYMENT:

If a Covered Person is due benefits under the Policy for a Covered Loss, and in Our opinion a third party may be liable, We will pay benefits if:

- (1) The Covered Person first agrees in writing to refund the lesser of:
 - (a) The amount of benefits We actually paid for such Covered Loss; or
 - (b) The amount actually received from the third party for such Covered Loss; and
- (2) The third party's liability is determined and satisfied whether by settlement, judgment, arbitration or otherwise.

However, prior to Our payment of benefits under the Policy, if the third party's liability is satisfied in an amount less than the benefits payable under the Policy, We will pay the difference.

PHYSICAL EXAMINATION AND AUTOPSY:

We have the right to have a Physician of Our choice examine the Covered Person as often as is reasonably necessary. This section applies when a claim is pending or while benefits are being paid. We also have the right to request an autopsy in the case of death, unless the law forbids it. We will pay the cost of the examination or autopsy. Autopsies are not permitted to be required in Massachusetts, Mississippi and South Carolina.

RECOVERY OF OVERPAYMENT:

If benefits are overpaid or paid in error, We have the right to recover the amount overpaid or paid in error by any of the following methods.

- 1) A request for lump sum payment of the amount overpaid or paid in error; or
- 2) Reduction of any proceeds payable under the Policy by the amount overpaid or paid in error.

RECOVERY OF BENEFITS:

We reserve the right to recover from a Covered Person any benefits We have paid to him for a Covered Loss which is covered under:

- (a) Workers' Compensation or similar statutory remedies available under law; or
- (b) Any employer's liability insurance.

It will be assumed that the Covered Person is in receipt of such Recovery benefits unless He gives Us proof such benefits have been denied to him.

“Recovery” means monies paid to the Covered Person through judgment, settlement or otherwise to compensate for all losses caused by the Injury or Sickness.

SUBROGATION:

If We have paid benefits to a Covered Person for Injuries received in a Covered Accident, and in Our opinion a third party may be liable, We will be subrogated to the extent of such payment and to all of the rights of the Covered Person regarding the recovery of benefits paid or to any settlement or judgment which results from the exercise of these rights. The Covered Person agrees to sign papers and do whatever else is necessary to transfer His rights to Us. We will exercise such rights on His behalf. He further agrees to furnish Us with all relevant information and documents.

LEGAL ACTIONS:

All Policy terms will be interpreted under the laws of the state in which the Policy was issued. No legal action may be brought to recover on the Policy within 60 days after written Proof of Loss has been furnished. No legal action may be brought after three (3) years from the time written Proof of Loss is required to be furnished.

GENERAL PROVISIONS

ENTIRE CONTRACT; CHANGES:

The Policy, the Application of the Policyholder (a copy of which is attached to the Policy), endorsements, riders, and attached papers constitute the entire contract between the parties. If an application of a Covered Person is required, We may also make it a part of this contract.

All statements made by the Policyholder or by a Covered Person are deemed representations and not warranties. No such statement will cause Us to deny or reduce benefits or be used as a defense to a claim unless a copy of the instrument containing the statement is or has been furnished to such person; or, in the event of His death or incapacity, His beneficiary or representative. After two years from the Covered Person's effective date of coverage, no such statement, except in the case of fraud or with respect to eligibility for coverage, will cause such coverage to be contested.

No change in the Policy will be valid until approved by one of Our executive officers. This approval must be endorsed on or attached to the Policy. No agent may change the Policy or waive any of its provisions.

WORKERS' COMPENSATION INSURANCE:

The Policy is not in lieu of and does not affect any requirement for coverage under any Workers' Compensation Insurance.

POLICY TERMINATION:

We may terminate coverage on or after the anniversary of any premium due date. The Policyholder may terminate its coverage on any premium due date. If either party terminates, written notice must be given to the other party at least 31 days prior to such premium due date.

CONFORMITY WITH STATE STATUTES:

Any provision of the Policy in conflict on its effective date with the laws of the State of Issue indicated on the front page of the Policy is amended to conform to the minimum requirements of such laws.

OTHER COVERAGE WITH US:

At any one time each Covered Person may have only one Certificate issued by Us having coverage similar to that described in the Policy. If we find a Covered Person has more than one such Certificate, coverage will be provided under the plan that has been in force for the longer period of time and any other coverage will be terminated effective immediately. If concurrent coverage is identified, We will refund premiums paid for all other Certificates for concurrent periods of coverage and provide 30 days written notice of termination to the Insured for the most recently acquired coverage.

CLERICAL ERROR:

Clerical error in keeping any records pertaining to the coverage, whether by the Policyholder or by the Company, will not invalidate coverage otherwise validly in force nor continue coverage otherwise validly terminated, provided such clerical error is not prejudicial to the Company and is rectified promptly upon discovery.

ASSIGNMENT:

No assignment of interest in loss of life benefits shall be binding on the Company until the original or duplicate thereof is received by the Company. The Company assumes no responsibility for the validity of such assignment.

INSOLVENCY:

The insolvency, bankruptcy, financial impairment, receivership, voluntary plan of arrangement with creditors, or dissolution of the Policyholder will not impose upon the Company any liability other than the liability defined in the Policy. The insolvency of the Policyholder will not make the Company liable to the creditors of the Policyholder, including Covered Persons under the Policy.

NON-PARTICIPATING:

The Policy is non-participating. It does not share in the Company's profits or surplus earnings.

WAIVER:

Failure of the Company to strictly enforce its rights under the Policy at any time or under any circumstance shall not constitute a waiver of such rights by the Company at any time under the same or different circumstances.

Illinois Guaranty Notice

Title 50, Chapter I, Subchapter 11, Part 3401 of the Illinois Insurance Code requires all Group Life and Health insurers to provide a summary of the basic provisions of the Illinois Life and Health Insurance Guaranty Association Law.

Any questions concerning this summary should be directed to the Illinois Life and Health Guaranty Association or to the Illinois Insurance Department at the addresses contained in the summary.

ILLINOIS LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION LAW

Residents of Illinois who purchase health insurance, life insurance, and annuities should know that the insurance companies licensed in Illinois to write these types of insurance are members of the Illinois Life and Health Insurance Guaranty Association. The purpose of this Guaranty Association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its policy obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the covered claims of policyholders that live in Illinois (and their payees, beneficiaries, and assignees) and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Guaranty Association is not unlimited, however, as noted below.

ILLINOIS LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION DISCLAIMER

The Illinois Life and Health Insurance Guaranty Association provides coverage of claims under some types of policies if the insurer becomes impaired or insolvent. **COVERAGE MAY NOT BE AVAILABLE FOR YOUR POLICY.** Even if coverage is provided, there are substantial limitations and exclusions. Coverage is generally conditioned on continued residence in Illinois. Other conditions may also preclude coverage.

You should not rely on availability of coverage under the Life and Health Insurance Guaranty Association Law when selecting an insurer. Your insurer and agent are prohibited by law from using the existence of the Association or its coverage to sell you an insurance policy.

The Illinois Life and Health Insurance Guaranty Association or the Illinois Department of Insurance will respond to any questions you may have which are not answered by this document. Policyholders with additional questions may contact:

SUMMARY OF GENERAL PURPOSES AND CURRENT LIMITATIONS OF COVERAGE

The Illinois law that provides for this safety-net coverage is called the Illinois Life and Health Insurance Guaranty Association Law ("Law") 215 ILCS 5/531.01, et seq.. The following contains a brief summary of the Law's coverages, exclusions, and limits. This summary does not cover all provisions, nor does it in any way change anyone's rights or obligations under the Law or the rights or obligations of the Guaranty Association. If you have obtained this document from an agent in connection with the purchase of a policy, you should be aware that its delivery to you does not guarantee that your policy is covered by the Guaranty Association.

a) Coverage:

The Illinois Life and Health Insurance Guaranty Association provides coverage to policyholders that reside in Illinois for insurance issued by members of the Guaranty Association, including:

- 1) Direct non group life insurance, health insurance, annuity and supplemental contracts;
- 2) life, health, annuity certificates under direct group policies or contracts;
- 3) unallocated annuity contracts; and
- 4) contracts to furnish health care services and subscription certificates for medical or health care services issued by certain licensed entities. The beneficiaries, payees, or assignees of such persons are also protected, even if they live in another state.

- b) 1) the insurer that issued the policies or contracts domiciled in Illinois; and
- 2) the states in which the persons reside have associations similar to the Illinois Association; and
 - 3) the persons are not eligible for coverage by an association in any other state due to the fact that the insurer was not licensed in that state at the time specified in that state's guaranty association law.

c) Exclusions from Coverage:

1) The Guaranty Association does not provide coverage for:

- A) any policy or portion of a policy for which the individual has assumed the risk;
- B) any policy of reinsurance (unless an assumption certificate was issued);
- C) interest rate guarantees which exceed certain statutory limitations;
- D) any unallocated annuity contracts issued to an employee benefit plan protected under the Pension Benefit Guaranty Corporation and any portion of the contract which is not issued to or in connection with a specific employee, union or association of natural persons benefit plan or a government lottery;
- E) any portion of any unallocated annuity contract which is not issued to or in connection with a specific employee, union or association of natural persons benefit plan or a government lottery.
- F) any policy or contract providing any hospital, medical, prescription drug, or other health care benefits pursuant to Part C or Part D of Subchapter XVIII, Chapter 7 of Title 42 of the United States Code (commonly known as Medicare Part C & D) or any regulations issued pursuant thereto;
- G) any portion of a policy or contract to the extent that the assessments required by Section 531.09 of this Code with respect to the policy or contract are preempted or otherwise not permitted by federal or State law;
- H) any portion of a policy or contract issued to a plan or program of an employer, association, or other person to provide life, health, or annuity benefits to its employees, members, or others to the extent that the plan or program is self-funded or uninsured, including, but not limited to, benefits payable by an employer, association, or other person under:
 - a) a multiple employer welfare arrangement as defined in 29 U.S.C. Section 1144;
 - b) a minimum premium group insurance plan;
 - c) a stop loss group insurance plan; or
 - d) an administrative services only contract.
- I) any portion of a policy or contract to the extent that it provides for:
 - a) dividends or experience rating credits;
 - b) voting rights; or
 - c) payment of any fees or allowances to any person, including the policy or contract owner, in connection with the service or administration of the policy or contract;
- J) any portion of a variable life insurance or variable annuity contract not guaranteed by an insurer; or

- K) any contractual agreement that establishes the member insurer's obligations to provide a book value accounting guaranty for defined contribution benefit plan participants by reference to a portfolio of assets that is owned by the benefit plan or its trustee, which in each case is to an affiliate of the member insurer;
 - L) any portion of a policy or contract to the extent that it provides for interest or other changes in value to be determined by the use of an index or other external reference stated in the policy or contract, but which have not been credited to the policy or contract, or as to which the policy or contract owner's rights are subject to forfeiture, as of the date the member insurer becomes an impaired or insolvent insurer under this Code, whichever is earlier. If a policy's or contract's interest or changes in value are credited less frequently than annually, then for purposes of determining the values that have been credited and are not subject to forfeiture under this Section, the interest or change in value determined by using the procedures defined in the policy or contract will be credited as if the contractual date of crediting interest or changing values was the date of the impairment or insolvency, whichever is earlier, and will not be subject to forfeiture; or
 - M) any stop loss insurance.
- 2) In addition, persons are not protected by the Guaranty Association if:
- A) the Illinois Director of Insurance determines that, in the case of an insurer which is not domiciled in Illinois, the insurer's home state provides substantially similar protection to Illinois residents which will be provided in a timely manner; or
 - B) their policy was issued by an organization which is not a member insurer of the Association was not licensed or did not have a certificate of authority to issue the policy or contract in this State.
- d) Limits on Amount of Coverage:
- 1) The Law also limits the amount the Illinois Life and Health Insurance Guaranty Association is obligated to pay. The Guaranty's Association's liability is limited to the lesser of either:
 - A) the contractual obligations for which the insurer is liable or for which the insurer would have been liable if it were not an impaired or insolvent insurer, or
 - B) with respect to any one life, regardless of the number of policies, contracts, or certificates:

 - iii) with respect to annuities 250,000 in the present value of annuity benefits, including net cash surrender or withdrawal values, and \$250,000 in the present value of annuity benefits for individuals participating in certain government retirement plans covered by an unallocated annuity contract. The limit for coverage of unallocated annuity contracts other than those issued to certain governmental retirement plans is \$5,000,000 in benefits per contract holder, regardless of the number of contracts.
 - e) However, in no event is the Guaranty Association liable for more than (1) in aggregate of \$300,000 in benefits with respect to any one life except with respect to benefits for basic hospital, medical and surgical insurance and major medical insurance in which case the aggregate liability of the Association shall not exceed \$500,000 with respect to any one individual.

GRIEVANCE PROCEDURES

When you submit a claim and that claim is denied, we will provide a written statement containing the reasons for the Adverse Determination. You have the right to request a review of any Company decision or action pertaining to our contractual relationship and to appeal any adverse claim determination we've made by filing a Grievance. These procedures have been developed to ensure a full investigation of a Grievance through a formal process.

DEFINITIONS

A “**Grievance**” is a written complaint requesting a change to a previous claim decision, claims payment, the handling or reimbursement of health care services, or other matters pertaining to your coverage and our contractual relationship.

An “**Adverse Determination**” is a determination by the Company or its designated utilization review organization that (i) a service, treatment, drug, or device, is experimental, investigational, specifically limited or excluded by your coverage; or (ii) a facility admission, the availability of care, continued stay or other health care services proposed or furnished have been reviewed and, based upon the information provided, does not meet the contractual requirements for medical necessity, appropriateness, health care setting, level of care or effectiveness and therefore, the benefit coverage is denied, reduced or terminated in whole or in part.

INFORMAL GRIEVANCE PROCEDURE

You, your authorized representative, or a provider acting on your behalf may submit an oral complaint to us within 60-days after an event that causes a dispute. Telephoning allows you to discuss your complaint or concerns and gives us the opportunity to immediately resolve the problem.

If we don't have all the information necessary to review your complaint, we will request any additional information within 5 business days of receiving your complaint. After we receive all the necessary information, we will provide you, your authorized representative, or a provider acting on your behalf with our written decision within 30-days after receiving the complaint and all necessary information.

If the problem cannot be resolved in this manner, you still have the right to submit a written request for the complaint to be reviewed through the Formal Grievance Procedure, as outlined below.

FORMAL GRIEVANCE PROCEDURE

A formal Grievance may be submitted by you, your authorized representative, or in the event of an Adverse Determination, by a provider acting on your behalf.

If you file a formal Grievance, you will have the opportunity to submit written comments, documents, records and other information you feel are relevant to the Grievance, regardless of whether those materials were considered in the initial Adverse Determination.

First Level Review

Within 3 working business days after receiving the Grievance, we must acknowledge the Grievance and provide you, your authorized representative or a provider with the name, address, and telephone number of the coordinator handling the Grievance and information on how to submit written material. The person(s) who reviews the Grievance will not be the same person(s) who made the initial Adverse Determination. During the review, all information, documents, and other materials submitted relating to the claim will be considered, regardless of whether they were considered in making the previous claim decision. The Insured will not be allowed to attend, or have a representative attend, a First Level Review. The Insured may, however, submit written material for consideration by the reviewer(s).

When the Grievance is based in whole or in part on a medical judgment, the review will be conducted by, or in consultation with, a medical doctor with appropriate training and expertise to evaluate the matter.

Following our review of your Grievance, we must issue a written decision to you and, if applicable, to your representative or provider, within 20-days after receiving the Grievance. The written decision must include:

Grievance

- (1) The name(s), title(s) and professional qualifications of any person(s) participating in the First Level Review process.
- (2) A statement of the reviewer's understanding of the Grievance.
- (3) The specific reason(s) for the reviewer's decision in clear terms and the contractual basis or medical rationale used as the basis for the decision in sufficient detail for the Insured to respond further to our position.
- (4) A reference to the evidence or documentation used as the basis for the decision.
- (5) If the claim denial is based on medical necessity, experimental treatment or similar exclusion, instructions for requesting an explanation of the scientific or clinical rationale used to make the determination.
- (6) A statement advising you of your right to request a Second Level Review, if applicable, and a description of the procedure and timeframes for requesting a Second Level Review.

Second Level Review

The Second Level Review process is available if you are not satisfied with the outcome of the First level Review for an Adverse Determination. Within ten business days after receiving a request for a Second Level Review, we will advise you of the following:

- (1) the name, address, and telephone number of a person designated to coordinate the Grievance review for the Company;
- (2) a statement of your rights, including the right to:
 - attend the Second Level Review
 - present his/her case to the review panel;
 - submit supporting materials before and at the review meeting;

We must convene a review panel and hold a review meeting within 45-days after receiving a request for a Second Level Review. We will notify you in writing of the meeting date at least 15-days prior to the date. The review meeting will be held during regular business hours at a location reasonable accessible to you. In cases where a face-to-face meeting is not practical for geographic reasons, we will offer you the opportunity to communicate with the review panel at our expense by conference call or other appropriate technology. Your right to a full review may not be conditioned on whether or not you appear at the meeting.

If you choose to be represented by an attorney, we may also be represented by an attorney. If we choose to have an attorney present to represent our interests, we will notify you at least 15 working days in advance of the review that an attorney will be present and that you may wish to obtain legal representation of your own.

The panel must be comprised of persons who:

- (1) were not previously involved in any matter giving rise to the Second Level Review;
- (2) are not employees of the Company or Utilization Review Organization; and
- (3) do not have a financial interest in the outcome of the review.

A person previously involved in the Grievance may appear before the panel to present information or answer questions.

All persons reviewing a Second Level Grievance involving a Utilization Review non-certification or a clinical issue will be providers who have appropriate expertise, including at least one clinical peer. If we use a clinical peer on an appeal of a Utilization Review non-certification or on a First Level Review, we may use one of our employees on the Second Level Review panel if the panel is comprised of 3 or more persons.

We must issue a written decision to you and, if applicable, to your representative or provider, within 10 business days after completing the review meeting. The decision must include:

- (1) the name(s), title(s) and qualifying credentials of the members of the review panel;
- (2) a statement of the review panel's understanding of the nature of the Grievance and all pertinent facts;

- (7) a statement that the decision is the Company's final determination in the matter;
- (8) notice of the availability of the Commissioner's office for assistance, including the telephone number and address of the Commissioner's office.

EXPEDITED REVIEW

You are eligible for an expedited review when the timeframes for an Informal, formal First Level review or Second Level review would reasonably appear to seriously jeopardize your life or health, or your ability to regain maximum function. An expedited review is also available for all Grievances concerning an admission, availability of care, continued stay or health care service for a person who has received emergency services, but who has not been discharged from a facility.

A request for an expedited review may be submitted orally or in writing. An expedited review must be evaluated by an appropriate clinical peer in the same or similar specialty as would typically manage the case being reviewed. If we don't have the information necessary to decide an appeal, we will send you notification of precisely what is required within 24-hours of our receipt of your Grievance. All necessary information, including our decision, will be transmitted by telephone, facsimile, or the most expeditious method available. Provided we have enough information to make a decision, you, your authorized representative, or a provider acting on your behalf will be notified of the determination as expeditiously as the medical condition requires, but in no event more than 72-hours after the review has commenced. Written confirmation of our decision will be provided within 2 working business days of the decision and will contain the same items described in the written decision requirements for First Level reviews.

If the expedited review does not resolve the situation, you, your representative or a provider acting on your behalf may submit a written Grievance.

We will not provide an expedited review for retrospective reviews of Adverse Determinations.
