## **NOTICE OF PROTECTION PROVIDED BY OKLAHOMA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION**

This notice provides a brief summary of the Oklahoma Life and Health Guaranty Association (“the Association”) and the protection it provides for policyholders. The safety net was created under Oklahoma law, which determines who and what is covered and the amounts of coverage. The Association was established to provide protection in the unlikely event that your life, annuity or health insurance company becomes financially unable to meet its obligations and is taken over by its Insurance Department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Oklahoma law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association are:

- Life Insurance
  - \$300,000 in death benefits
  - \$100,000 in cash surrender or withdrawal values
  
- Health Insurance
  - \$500,000 in hospital, medical and surgical insurance benefits
  - \$300,000 in long-term care insurance benefits
  - \$300,000 in disability income insurance benefits
  - \$100,000 in other types of health insurance benefits
  
- Annuities
  - \$300,000 in withdrawal and cash values.

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$300,000, except that with regard to hospital, medical and surgical insurance benefits, the maximum amount that will be paid is \$500,000.

**Note: Certain policies and contracts may not be covered or fully covered.** For example, coverage does not extend to any portion of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements and other limitations under Oklahoma law.

To learn more about the above protections, please visit the Association’s website at [www.oklifega.org](http://www.oklifega.org), or contact:

When selecting an insurance company, you should not rely on Association coverage. If there is any inconsistency between this notice and Oklahoma law, then Oklahoma law will control.**
